### TEXAS PRIMARY ELECTION

### GETTING WARM

OF SENATOR BAILEY  
ANNOUNCES THAT BLOOD MAY  
FLOW IF THINGS DO NO GO  
ACCORDING TO PROGRAM.

(United Press Leased Wire.)  
Dallas, Tex., April 2.—The special  
election commission to de-  
termine whether United States Sena-  
tor Bailey shall be elected as a dele-  
gate to the National Democ-  
ratic convention at Denver has be-  
come exceedingly bitter and there  
is a possibility of bloodshed and perhaps a  
riot.

George Osley, editor of the Fort  
Linn Record and state campaign  
organizer, said today:

### COMPANY FINANCED REVOLT

### DOWN IN HAYTI

FRENCH LEGATION WILL PRO-  
TECT REFUGES WITH ARMED  
GUARDS — GERMAN MONEY  
LENDERS MAKE DEMANDS.

(United Press Leased Wire.)  
Port Au Prince, Hayti, April 2.—  
Armed guards now fill the French  
legation here, and the Haytian gov-  
ernment will remove no refugees  
from under the French flag without a  
fight.

This notice was conveyed to Pres-  
ident Alexis today by a messenger  
from M. Carteron, the French con-  
sul. The guard is supposed to have  
been landed under cover of darkness  
from the French cruiser D'Estes  
which recently departed for St.

Paul.

Germany is expected hourly between  
President Alexis and Manager Rein-  
hold. The head of a big German  
financing company, Reinhold ex-  
pects to present, through the Ger-  
man minister, claims against the  
Haytian government for the principal  
and 6 per cent interest from  
1909 on \$300,000 worth of Haytian  
bonds, and also the price, with in-  
terest on the investment, of the Port  
Au Prince street railway system built  
by the German company.

President Alexis says he has a  
counter claim against the German  
capitalists and that if they press him  
too hard he will demand an indemn-  
ity from the Hermann company,  
which Reinhold represents and which  
he says financed the recent revolt  
against his government.

Chicago, April 2.—Receipts  
17,000; cattle, 6000; sheep, 10,000.  
Hogs opened strong at yesterday's  
close. Left over yesterday, 2700.  
Mixed, \$5.75 @ 6.25; heavy, \$6.00 @  
6.30; rough heavy, \$5.50 @ 5.95;  
light, \$5.50 @ 6.25. Cattle and sheep  
steady.

New York, April 2.—The Northern  
Pacific railway today declared the  
regular quarterly dividend of 1 1/2  
per cent, payable on May 1.

### FLOUR MARKET LOWER

### CARGOES HIGHER

CRISIS IN THE MILLING INDUS-  
TRY OF THE NORTHWEST—  
EASTERN CATTLE MARKETS  
ARM FIRM.

(United Press Leased Wire.)  
Portland, Or., April 2.—A stir was  
caused in the local provision market  
today when the quotations on flour  
dropped 20 cents a barrel on both  
local and export brands. A general  
falling off in demand is the reason  
advanced for the cut.

Tacoma, Wash., April 2.—The new  
schedules on wheat and flour to the  
Orient announced yesterday remain-  
ed effect only one day. Today a new  
scale will be established at the re-  
quest of the millers of the northwest  
who say that the differential on  
wheat would soon drive them out of  
business and resulted in big ship-  
ments of wheat to the Orient to be  
ground there. The new scale now  
is: Wheat and flour to Japan, \$3;  
to Hong ong, \$3; to Shanghai, \$4; to  
Manila, \$4. This raises the freight  
on wheat to Japan and Hong ong 50  
cents a ton and reduces the rate on  
flour to Hong Kong 50 cents.

Kansas City, Mo., April 2.—Hogs  
—Receipts, 9000; cattle, 4800;  
sheep, 5000.

Omaha, Neb., April 2.—Hogs—Re-  
ceipts, 3000; cattle, 1600; sheep,  
7000.

Thomas with a number of refugees,  
but which is now headed for this  
port again at top speed.

There was a renewed rush of re-  
fugees to the French legation today,  
and information which M. Carteron  
considers convincing was furnished  
that a number of suspected anti-  
government plotters were shot yester-  
day without the formality of a  
court martial.

Word has reached both M. Carter-  
on at the French legation and  
Minister Furnis at the American le-  
gation that the ignorant and radical  
black are being incited to attack  
the whites by General Colco. Min-  
ister Furnis today stated that he did  
not believe such an attack would  
be made, but advised all Americans  
to keep off the streets, except in  
cases where it was necessary for them  
to be abroad.

At his request, marines on the  
cruiser Des Moines are being held in  
readiness for quick action in case of  
an emergency. Marines on the Ger-  
man cruiser are also being held un-  
der arms.

A clash is expected hourly between  
President Alexis and Manager Rein-  
hold. The head of a big German  
financing company, Reinhold ex-  
pects to present, through the Ger-  
man minister, claims against the  
Haytian government for the principal  
and 6 per cent interest from  
1909 on \$300,000 worth of Haytian  
bonds, and also the price, with in-  
terest on the investment, of the Port  
Au Prince street railway system built  
by the German company.

President Alexis says he has a  
counter claim against the German  
capitalists and that if they press him  
too hard he will demand an indemn-  
ity from the Hermann company,  
which Reinhold represents and which  
he says financed the recent revolt  
against his government.

### TAKING THINGS SERIOUS

### AWAY DOWN SOUTH

EPIDEMIC OF SUICIDE STRIKES  
LOS ANGELES—SEVERAL SER-  
IOUS STREETCAR ACCIDENTS  
—RIOTING IN PHILADELPHIA.

(United Press Leased Wire.)  
Los Angeles, Cal., April 2.—An  
epidemic of suicides has struck Los  
Angeles. Two of four persons who  
attempted to take their lives yester-  
day were successful and today two  
women committed suicide.

Temporarily deranged, Mrs. Anna  
Johnson, aged 61, early this morn-  
ing hanged herself to a rafter of the  
barn at the rear of her home. No  
reason can be assigned for the act.

The other victim of self destruc-  
tion was Mrs. Ida Hastings, also  
known as Mrs. Robinson, who in-  
haled gas from a kitchen range in  
her apartments.

Streetcar Explosion.  
San Francisco, April 2.—Thirty  
persons were thrown into a panic  
and engaged in a wild dash for safety  
today, three of them being seri-  
ously injured, when a circuit breaker  
on a McAllister streetcar exploded

and sent a shower of hot metal in  
among the occupants of the car.

A number of passengers were  
slightly burned, or hurt in the rush  
for safety, but only the three, Miss  
Elizabeth Seffrin, Mrs. Olive Valencia  
and S. A. Scott were so seriously in-  
jured as to require immediate at-  
tention from the ambulance sur-  
geons.

Rioting in Old Sleepy.  
Philadelphia, Penn., April 2.—A  
repetition of yesterday's serious  
rioting occurred today, when hun-  
dreds of Italians and negroes fought  
for the jobs offered by the contrac-  
tors who are constructing a new the-  
ater.

The wildest scenes of disorder  
were caused by the negroes poun-  
cing upon the Italians and beating  
them up when they sought positions.  
The negroes, taking charge of the  
situation, swept the Italians off their  
feet and created the wildest excite-  
ment until a squad of mounted po-  
lice charged and dispersed them.  
The police are still guarding the  
scene.

Streetcars Collide.  
Los Angeles, Cal., April 2.—One  
man was killed, two others fatally  
injured and a score more bruised and  
cut, some seriously, as the result of  
a collision between two streetcars  
early this morning on the Sixteenth  
street line of the Los Angeles Pacific  
company. The accident was caused by  
a heavy fog and the fact that the  
cars were running on a single stretch  
of track, on which repairs were being  
made.

Those injured were riding on the  
west-bound car, which was heavily  
laden with laborers going to their  
work.

GREATEST DOG  
RACE IN ALASKA  
Nome, Alaska, April 2.—One of  
the greatest races ever pulled off in  
this country is now on. It is the  
Alaska sweepstakes dog race to  
Candle and return. The first team  
started yesterday morning at 10  
o'clock. There are 19 contentants  
and they left every two hours. The  
last got away at 4 o'clock this morn-  
ing. Each team has 8 dogs. The  
purse being up is \$500. Fully \$50,-  
000 has been bet on the result.

Miss Edna Yarnell, a high school  
girl and student of the University  
school of music, was drowned in the  
millrace Wednesday evening while  
canoeing with her friend Vesta Dav-  
is, who narrowly escaped the same  
fate.

### EVELYN GOES TO EUROPE

### TO BE FORGOTTEN

DIVORCE PROCEEDINGS WILL BE  
HEARD IN THAW CASE NEXT  
WEEK—EMPLOYEE WHO COULD  
NOT ENDURE REDUCTION.

(United Press Leased Wire.)  
New York, April 2.—Evelyn Nes-  
bit Thaw is going away from here.  
Closely following the report that  
the young woman and E. R. Thomas  
were asked to leave the grill room  
of the Hotel Knickerbocker, it was  
announced at the Prince George  
hotel today, where the young woman  
has been staying recently, that she  
will sail for Europe tomorrow.

It is reported that she is making the  
trip upon the advice of friends who  
have suggested that it might be well  
for her to get out of the public eye  
for a short time.

It is said that Evelyn will remain  
abroad until the culmination of her  
suit for the annulment of her mar-  
riage to Harry Thaw, the prelimi-  
nary hearing of which will take place  
next week.

Could Not Endure Worry.  
Pinole, Cal., April 2.—Driven to

desperation because he was taken  
from his position as cashier of the  
Pinole Powder works, with a salary  
of \$200 per month, and reduced to  
a laborer in the yards which paid  
him monthly wages of only \$75,  
Henry Boyndon is dead here today,  
having fired into his heart. Boy-  
ndon had been regarded by all the  
employees of the works as a confi-  
dential man, and his reduction was as  
much of a surprise to them as it was  
to the cashier himself. He did not  
have the slightest intimation of the  
decision of the officials of the con-  
cern to make a laborer out of him  
until one morning a few days ago.  
He asked his superiors for an ex-  
planation, but none was forthcoming.  
His whole manner changed and  
it is believed he could not endure  
the worry.

Congressman in Court.  
Washington, April 2.—Congress-  
man Hefflin today appeared in police  
court and pleaded not guilty to  
shooting, with intent to kill, Louis  
Lundy, the negro who created a dis-  
turbance on a streetcar filled with  
women the other evening.

The congressman was bound over  
to the grand jury an admitted to  
\$3000 bail. Lundy, his head band-  
aged to cover the wound made by  
Hefflin's bullet, was present in court.

Grain Market Higher.  
Chicago, April 2.—May wheat  
opened 92 1/2 c; highest, 92 3/4 c; low-  
est, 92 1/4 c; closed, 93 1/4 c.  
May corn opened 66 1/2 c; highest,  
66 3/4 c; lowest 66 c; closed, 66 1/2 c.  
May oats opened 53 1/2 c; highest,  
57 1/2 c; lowest, 53 c; closed, 53 1/2 c.

Lost Man Located.  
John Q. Wilson informs us that  
the lost man inquired after in this  
paper, one Patrick Foley, was for-  
merly a woolen mill employe at Sal-  
em, but went to Portland and later  
to Pendleton where he worked last.

GIRL DROWNED  
UP AT EUGENE  
Miss Edna Yarnell, a high school  
girl and student of the University  
school of music, was drowned in the  
millrace Wednesday evening while  
canoeing with her friend Vesta Dav-  
is, who narrowly escaped the same  
fate.

Warren J. Hunt, a popular young  
man of this city, has gone to Port-  
land for a few days.

Two big prize fights will be pulled  
off at Los Angeles when the navy  
visit there.

### LABOR TICKET IN FIELD

### FOR THE CAMPAIGN

TAFT TAKES TEN DAYS OF BAN-  
QUETTING — HUGHES ANTI-  
RACE TRACT LAW GETTING  
STRONGER.

(United Press Leased Wire.)  
New York, April 2.—There will  
be no independent labor ticket in  
the field in the coming Presidential  
campaign if New York labor leaders  
have sized the situation as prop-  
erly.

It was the consensus of opinion  
among these men today the determi-  
nation of the American Federation  
of Labor to "give congress another  
chance" has necessitated the laying  
aside of the project for a working  
man's party. The insist that the  
project has not been killed but has  
been temporarily abandoned, and  
should congress in the remaining  
days of the present session fail to  
enjoy any intimation of heeding the  
demands of labor for remedial leg-  
islation, the project will probably be  
resumed.

Just what the definite plan of ac-  
tion will be will not be determined  
until Sunday, when there will be a  
meeting of the Central Federated  
union. It is expected that at that  
time the resolution demanding that  
the American Federation call a con-  
vention to organize an independent  
party agitation at this time. It is  
feared that the mass meetings for  
endorsing the movement which  
would be certain to result, might  
cause conflicts with the police, which  
would be misunderstood and would  
put the new party in a bad light be-  
fore it had an opportunity to become  
established.

Taft's Appetite Good.  
Columbus, O., April 2.—Secre-  
tary Taft, playing the principal role  
in "Ten Days of anqueting," arrived  
here today to address the members  
of the Columbus board of trade to-  
night.

Tomorrow night will find him  
making a speech to the International  
Union in Chicago. On Saturday he  
will be a guest of the press club at  
luncheon and at night will attend a  
dinner given by the Commercial  
club. He will then attend banquets  
in Omaha, Council Bluffs, Cincinnati  
and possibly Louisville, and will re-  
turn to Washington on April 11, hav-  
ing been absent 10 days.

Hughes Winning Out.  
Albany, N. Y., April 2.—Governor  
Hughes came one step nearer vic-  
tory over the race track ramblers  
this afternoon when the senate, by a  
vote of 17 to 19, passed an amend-  
ment to the Percy Gray law, the  
anti-gambling bill which has already  
passed the assembly.

If the assembly accepts the amend-  
ment, as it seems certain it will, the  
death knell of racing will be sounded  
in New York.

In the senate today the Percy Gray  
bill was substituted for the Agnew  
bill, identical to it, which was passed  
last night. The substitution was  
made in order to get the measure be-  
fore the senate on the order of its  
final passage.

A Populist Idol.  
St. Louis, Mo., April 2.—General  
Jacob S. Coxey, who gained national  
fame some time ago by leading his  
army of workmen to the White  
House, was chosen temporary chair-  
man of the National Populist con-  
vention, which convened here today.

In addressing the delegates Gen-  
eral Coxey pleaded with them not to  
fuse with other parties no matter  
what promises were made. The con-  
vention will adopt the party's plat-  
form late this afternoon.
