

THE FREE PASS BILL FOR PUBLIC OFFICIALS

Initiative and Referendum Measures to Vote On--No. 6

The sixth in the list of proposed initiative and referendum measures to be voted on by the people in June has to do with the enactment of a statute compelling the railroads and common carriers to provide free passes for state and county officials.

The appearance of the measure on the ballot will be as follows:

Referendum ordered by petition of the people: For an act requiring railroads and other common carriers to grant free transportation to state officers and county judges and sheriffs, as a condition precedent to acquiring land for corporate purposes by the exercise of eminent domain, and to prohibit the payment of mileage for such free transportation. Vote yes or no. 310, yes; 311, no.

The measure was first passed by the legislature at the last session after a bitter fight. It was vetoed by the governor and passed over his objection. It was then sent to the people by the referendum. The text of the measure is as follows:

An act to regulate the appropriation of land for corporate purposes, and to require the grant of personal right during their term of office to public officials to travel over transportation lines as a condition precedent to the right of action for the condemnation of land and to prohibit payment of mileage for such free travel.

Be It Enacted by the People of the State of Oregon:

Section 1. Whenever any corporation authorized by law to appropriate lands, right of way, right to cut timber or to cross or connect with another railway, or other rights or easements in lands, is unable to agree with the owner thereof as to the compensation to be paid therefor, or if such owner be absent from the state, such corporation may maintain an action in the circuit court of the state of Oregon for the proper county against said owner for the purpose of having such lands, right to cut timber, right of way, or to cross or to connect with another railway, or other right or easement, appropriated to its use for determining the compensation to be paid to such owner therefor, as provided in chapter II of title XXI of Beilinger and Cotton's annotated codes and statutes of Oregon; provided, however, that as a condition precedent to the right to institute or carry on such action in any court in the exercise of the right of eminent domain as provided by law, the corporation seeking to appropriate lands, right of way, right to cut timber or to cross or connect with another railway, or other right or easement in lands,

must file with the secretary of state of the state of Oregon, a certificate granting to the officers hereinafter named, during their respective terms of office, the right and privilege of free transportation over any and all railway lands owned, operated, or controlled by said corporation within the state of Oregon. The fact of the act of filing such certificate as hereinbefore provided must be set forth in the first pleading filed by such corporations in the action hereinafter provided for.

Sec. 2. From and after the filing of the certificate mentioned in section 1 of this act, all the following state, district and county officers of the state of Oregon, to-wit: Governor, secretary of state, state treasurer, attorney-general, superintendent of public instruction, state printer, Oregon dairy and food commissioner, game and forestry warden, fish commissioner, state health officer, state engineer, state land agent, the members of the legislative assembly of the state of Oregon, the judges of the supreme court of the state of Oregon, the circuit judges, the prosecuting attorneys, and the county judges and sheriffs of each county shall during the terms of their respective offices, have the right and privilege, by virtue of their office to free transportation within the state of Oregon over any and all railway lines mentioned in said certificate, and the certificate of election or appointment, or a certified copy thereof, shall of itself be evidence of the right to the exercise of such privilege of free transportation. The conductor or other official of such railway lines so filing said certificate as aforesaid, shall take the name of such official, the title of his office, and the date of his certificate, in lieu of a ticket to travel over railway lines.

Sec. 3. For the purposes of this act, all railways within the state of Oregon shall be considered common carriers of passengers for hire.

Sec. 4. No officer herein mentioned who secures free transportation under the provisions of this act, shall be entitled to, or collect mileage from the state, district, or county for such free travel so obtained.

Sec. 5. All acts and parts of acts in conflict herewith are hereby repealed.

"One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by Dr. Sine's drug store.

STATEMENT FROM SALEM MILITARY BAND

In view of the fact that certain people have misrepresented existing conditions regarding the Salem Military Band association we, the members of said band do hereby wish to state that we are a regularly organized band and have our officers and leader who are all giving perfect satisfaction and we also wish to state that we intend giving our regular open air concerts as we have done for over two years and we are going to stick together and we wish the citizens of Salem to help us pay our expenses as they have done heretofore by popular subscription. We are willing to do our share and try to build up a band which will be a credit to any city.

He Got What He Needed.

"Nine years ago it looked as if my time had come," says Mr. C. Farthing, of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold under guarantee at J. C. Perry's drug store. 50c.
