AROUND THE LOCAL DIAMOND

By Jock

"What will the harvest be," is what the Salem baseball fans are now darning for the "Cherry Pickers."

"Big" Dave Edwards will certainly be the first man on the first place at the Salem end of the Tri-City league if he conducts himself in the same manner he did when a member of Jay McCormick's Clots at Eugene last year.

"Buff" Lucas will again adorn the center hole this season with all kinds of new wireless messages for the backstop. "Buff" was on the high road five years ago in the pitching circles with a rattling good batting average to boot, and he is said to be right there for fair again this season.

The new baseball park which has been laid out for the Salem Tri-City leaguers to caper on, is now almost completed and by Sunday it will be in the pink of condition to play on. Larger grandstand and bleachers have been erected and the outfield extended further out.

Joe Teabo, one of the foxy horse-hoed grabbers of Chemawa, will participate in next Sunday's game behind the bat. His first appearance upon the diamond in this city this season will no doubt be greeted with "Teabo's got it," a phrase earned by him through his activeness in pulling down seemingly impossible high fouls when playing backstop for the "Raglan's" four years ago.

Catarrah Cannot Be Cured.
with local applications, as they cannot reach the seat of the disease. Catarrah is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrah Cure is taken internally, and acts directly on the blood and mucous surfaces. Hall's Catarrah Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Catarrah. Send for testimonials free.
F. J. CHENEY & CO., Props., Toledo, O.
Sold by Druggists, price 75c. Take Hall's Family Pills for constipation.

HOUSE BUILDING CAMPAIGN IS ON

The action taken at the recent meeting of the board of trade, appointing a committee to canvass the town to secure the building of houses is an important one, and the work is progressing favorably. The committee wishes to appeal to every property owner and resident of Salem to secure the building of houses as rapidly as possible, and any one having a lot or desiring to build a house would do well to confer with the secretary. Many of our best business people are coming to the surface with propositions to put up houses, and the committee is meeting with splendid success.

Mr. Spaulding, manager of the sawmills, says he is prepared to put up several immediately. J. H. Albert, of the Capital National bank, will also give the matter a lift. F. M. Brown, of the Sash & Door factory is ready to do his part. C. H. Hinges expects to begin a new up-to-date cottage for rent very soon. G. W. Johnson, the clothier, offers to furnish any one with a lot and the material if they will build the house, and give a reasonable length of time to pay for the same on the installment plan. He has 50 lots in west Salem and 22 lots in one of the additions to Salem proper, and he is willing to furnish all these lots, and in many instances building material, to people who wish a home on the installment plan. F. W. Steustoff is prepared to put up several houses. G. F. Kurtz is also in line for a few houses to rent, and a number of professional people and retired business men are ready to do their part.

Salem has very few vacant houses at present, and the demand is great. Everybody is glad that the houses of the town are filled up, at the same time with scores of new families coming in it is almost as bad to have too few vacant houses as too many. Persons interested in building houses or renting houses will do well to call at the board of trade rooms for further information on this subject.

Bring Us—Your suit and let us clean it before Easter. Johnson & Stege, next door to Journal.

I Clean Them—What? Watches. A. B. Garner, for 20 years with S. W. Thompson & Co., stand now in Haas' drug store, State street.

Let Me Figure—With you on your interior woodwork if you are thinking of building this spring. A. M. Hensen, factory corner Mill and Church streets.

BORN—M'DOWELL—To Mr. and Mrs. Cuy McDowell, at the Willamette Sanatorium, early this morning, a daughter.

MARION COURT

The county court began a session today and approved many bills passed and appointed Grover P. Roy road supervisor for the district. The session will probably last the remainder of the week much important business will transacted tomorrow.

Sheriff Culver this morning received a telephone message from George Hoyt, marshal at Jefferson. After a lapse of 16 years since Mrs. Sarah M. Adamson, well known in this city, has begun proceedings for divorce against him in department No. 2 of the circuit court. The couple were married in this city March 10, 1870, and lived together until 1893, when after a slight dispute, Adamson one-bid his wife good-bye and has been heard of since. The divorce and complaint of the divorce was published and if he is still alive may answer it and possibly the action as Mrs. Adamson has property.

SEEKING REMONSTRANCES TO PAVING LIBERTY STREET

Alderman Stockton's resolution for the paving of Liberty street to State to Chemeketa is meeting some organized opposition. Argument to secure signers in plank their part between the street as has been done at the crossing Court street. That is not the street committee and the electric company have a signed agreement for the permanent improvement of every foot of the street tracks according to specifications that are satisfactory to both. In addition the city council has signed waiver of all rights the car company had under its charter, and further the company does not want to put improvement that is not according to its own specifications. They allowed to plank the crossing Liberty and Court street because secure the materials for putting only 90 feet last year would be cause that company needs expense and it was only just and courteous to allow them to fix their tracks temporarily. If the street is proved all of their part between the crossing of Court street will put in with vitrified brick on concrete.
