

FARMERS' WIVES TELL WHAT THEY KNOW ABOUT PE-RU-N

Peruna Is Used In the Farmer's Home for all Sorts of Catarrhal Ailments.

Mrs. Hettie Green.

Indigestion and Nervousness.
 Mrs. Lenora Bodenhamer, R. F. D. 1, Box 99, Kernersville, North Carolina, writes the following letter to The Peruna Drug Manufacturing Company:
 "I suffered with stomach trouble and indigestion for some time, and nothing that I ate agreed with me.
 "I was very nervous and experienced a continual feeling of uneasiness and fear.
 "I took medicine from the doctor, but it did me no good. I found in one of your Peruna books a description of my symptoms. I then wrote to Dr. Hartman for advice. He said I had catarrh of the stomach.
 "I took Peruna and Manalin and followed his directions and can now say that I feel as well as I ever did.
 "I hope that all who are afflicted with the same symptoms will take Peruna, as it has certainly cured me."

but now I am perfectly healthy.
 "I cannot praise your medicine enough, and I recommend it to others."
Catarrh of Stomach.
 Mrs. Mary Allen, Route 6, Franklin, Tenn., writes:
 "I am glad to be able to tell you that I am well of catarrh of the stomach, for which I am sincerely thankful to you for your advice. If it had not been for Peruna I would never have been well.
 "I had three physicians. One of them told my husband that he could not cure me.
 "I had been sick about nine months when a friend asked me to try Peruna to gratify her; so I commenced taking it.
 "I can eat and walk and work. Everybody says I look as well as I ever did.
 "Oh, you don't know how thankful I do feel to you.
 "I have got several other people to take Peruna. I praise it to everybody."

For Children's Colds.
 Mrs. Henry Martin, La Motte, Ia., R. No. 1, writes:
 "After suffering for some time with sore eyes I was advised by a friend to try Peruna, which I did at once.
 "The first bottle relieved me, and after using four bottles I was entirely cured.
 "I do recommend Peruna to all who are afflicted with catarrh. I have found it to be a great remedy also for coughs and colds of children; a dose at bedtime will relieve them from coughing all night. I always keep it on hand, and recommend it."
Catarrh for Seven Years.
 Mrs. T. Frech, R. R. No. 1, Hickory Point, Tenn., writes: "I am happy to tell you that I am cured of catarrh. I have followed your good and kind advice faithfully. I bless the day when I wrote you of my condition, and I will always praise Peruna. I think it is one of the grandest medicines on earth."
 "Having been afflicted with catarrh and stomach trouble for seven years, and after having tried four different doctors they only relieved me for a little while. I gave up all hope of being cured. I only weighed one hundred and thirty pounds, and was so weak I could hardly get around the room.
 "I was induced to try Peruna, and to my great surprise I am now entirely well. My weight is now one hundred and eighty-eight pounds, my health never was better in my life. I shall always praise Dr. Hartman and his remedies."

The Farmer's Wife.
 Who is in a better position to know than the farmer's wife herself what is required in the farmer's home? She must meet its troubles, solve its problems, ward off disease, nurse the sick, she must do all these things herself, and she learns by valuable experience what is best and what is not best.
 In numberless farm homes Peruna is relied upon as the family medicine. Peruna books are consulted in health and disease. Peruna is used as a preventive as well as a corrective in disease.
 The wives of the farmers of the United States constitute a solid phalanx in favor of Peruna. Against this testimony the slanders of a few critics will not prevail. One sensible mistress of a farm home who has used Peruna knows more about Peruna than all the magazine critics in the world.
Peruna in Her Home.
 Mrs. Anna Linder, R. F. D. No. 5, Dassel, Meeker Co., Minn., writes: "For two years I suffered with that terrible disease, chronic catarrh.
 "Fortunately I saw your advertisement in my paper and I spoke to my sister about your medicine. She wrote to you and I got your advice free of charge. I took Peruna and am well and a mother of two children."
 "I owe it all to Peruna. I would not be without that great tonic for ten times its cost, for I am well and strong now, and cannot speak in too high terms of its value as a medicine."
 In a letter dated June 12, 1906, Mrs. Linder writes: "I cannot express my thanks enough to you for all the good your medicine has done for me and my family."

This spring I took cold and it affected my kidneys. At first I thought it was kidney trouble.
 "I took Peruna as directed on the bottle and in a few days I was all right so I owe my health to Dr. Hartman and his remedy."
Miserable With Catarrh.
 Mrs. Hettie Green, R. R. 4, Iowa, writes: "Last November I had catarrh and felt so miserable, I thought I would go into consumption.
 "I tried so many doctors and medicines, but nothing did me any good.
 "After I began the use of Peruna I began to improve in every way.
 "My head does not hurt as before, my stomach is all right, my complexion clear, my eyes are bright and I am gaining in strength.
 "I think Peruna has no equal as a catarrh remedy."

THE BREWERS' PLATFORM

Will Work to Weed Out All Bad Saloons in the State---Will Make No Campaign Against a Prohibitionist

The state association of brewers is inaugurating a campaign to offset any effort that may be made to put the state in the dry column. The following is their platform adopted at a recent meeting:
 They will institute reforms in the retail liquor traffic.
 No "undesirable" person will be given a liquor license.
 Saloonmen operating "disorderly" places will be disciplined.
 Saloonmen to be prohibited, through co-operation with officials, from selling liquor to drunken persons, minors, etc.
 No gambling will be tolerated in saloons of Oregon.
 City will be districted to prevent granting additional licenses in territory already "dry."

Responsibility for all violations of law in saloon will be fixed and the guilty person disciplined. In case officials fail to enforce the law, the responsibility will be laid definitely upon their shoulders.
 Brewers will work hand in hand with city liquor license committees in protecting "dry" precincts, especially in residence districts, and with competent authorities in all cities and towns of the state.
 Saloonmen who refuse to maintain law and order in their places will have their supplies cut off.
 Brewers will wage no campaign against a prohibitionist, but will pursue such methods as they deem best to place the retail liquor business on a clean, law-abiding basis.

FAIRGROUNDS GRANDSTAND TO BE MUCH ENLARGED

The state board of agriculture, at its meeting yesterday, planned for an addition to the grandstand on the east side to be 260 feet long by 30 feet wide. This will be a great improvement in the accommodation as there will be 7800 square feet of floor space added and will do away with the awful crowding of previous fairs.
 W. E. McElroy, head of the band which bears his name, was chosen by the board to be musical director at the fair. A great many minor improvements were planned and adopted. Probably the most important of these is the enlargement of the main entrance, which will very much facilitate the moving of the crowds in and out.

The Clens.
 Acrobat finds it necessary at all times to keep his muscles and joints supple. That is the reason that hundreds of them keep a bottle of Ballard's Snow Liniment always on hand. For Woman Suffrage.
 Gentlemen, voters, sons, brothers: I am growing old. But I can not rest until you have given us the victory. Every hour I spend in this service is a labor love. Every dollar I donate is a personal sacrifice. Have not the faithful mothers of Oregon earned your affirmative votes for their full and free enfranchisement? You ought not to be afraid of us.
 You are equipped with ballots. We are not. We are depending upon you to honor our flag of truce by voting Yes in our behalf in this unequal contest. You know you would only compel us to repeat this struggle in 1910 if you should fail us now. But we believe you will not fail. You have but to unlock the door to the closed citadel of liberty, leaving us free to choose for ourselves, exactly as you do, as to whether or not to vote at every succeeding election. Thus only can you acquit yourselves as freemen and relieve us from further effort to secure equality with our sons before the law.

ABIGAIL SCOTT DUNIWAY, Mother of Native Sons, and President Oregon State Equal Suffrage Association.

R. D. HUME WILL RUN INDEPENDENTLY FOR SENATORIAL HONORS

Rogue River, has been induced by friends here to run on the independent ticket for joint senator from Coos and Curry counties. His election is a foregone conclusion on account of his popularity in this section and his well known ability to ably take care for himself and everything entrusted to him. With him in the senate Coos and Curry counties would have a man who would be ever alert to measures for their betterment. As a legislator he has proven his ability in the assembly in 1901-1905 when he was joint representative from this district, a position now sought by L. D. Kinsey of this city.
 Mr. Hume is one of the best

known men in private life in the state of Oregon. He has extensive holdings in Curry county which he claims is the front yard of Paradise, and has also large acreages in California. He has spent the greater part of his life on the Pacific slope and his personality is intimately associated with its development from the Columbia to Humboldt Bay.
 Coos and Curry counties may well congratulate themselves on securing Mr. Hume's consent to run for this important position and both democrats and Republicans should support him. There are none who doubt his election, by a large majority.
