The reception is given in honor of the 47th wedding anniversary of Mr. and Mrs. Knight, and Mr. Knight has been instructed to invite all the people he has married, which would number about 500. It is not likely that this number will attend but a very pleasant social evening will undoubtedly be spent.

DEMOCRAT ISSUES PLATFORM

MR. G. SPRINGER OF AUBURN, OREGON, IS THE DEMOCRATIC CANDIDATE FOR STATE SENATOR IN THE 17th DISTRICT AND ISSUES THE FOLLOWING PLATFORM.

In offering you my services as State Senator, I do so realizing that as a true American I am equally responsible to every citizen and every interest without regard to political affiliation or location.

I offer as my credentials, the fact of a life-long acquaintance with the state, its industries, resources and development. Born in Oregon, educated in Oregon, I am proud of the almost unbounded resources of our great state. I am proud of the achievement of our livestock breeders; I am proud of our fruit growers, and wish to state to the people of the district, I believe it to be entirely practical by strict attention to grading, honest weighing and labeling to bring every industry of the state to the high station attained by some of our fruit growers, stockmen and dairymen. My ambition is to see the legislature and various county governments brought into intelligent systematic CO-OPERATION WITH THE DEVELOPMENT LEAGUE and other progressive organizations, for the improvement of our roads, our schools; for the enforcement of pure food laws, honest weights and measures, until the words "Made in Oregon" shall be recognized the world over as an absolute guarantee of quality.

The rapid development of the state under the various irrigation projects makes it imperative that a state code be adopted which will clearly define the rights of all water users, to the end that TITLE TO WATER BE MADE AS SECURE AS TITLE TO LAND. If elected I pledge my best effort to secure the enactment of such a law, having due regard to the best interests of all concerned.

When the Republican party of Oregon, by the enactment of our primary law, invited the people to participate in the election of a United States Senator and thus relieve the legislature of disgraceful hold-ups and the influence of boodles, it was hailed as a triumph of American ideals; a beginning in Oregon of "government by the people." We looked hopefully forward to when other states would adopt the same plan and thus the United States senate would also become responsive to the interests of all the people. The eyes of the nation were centered upon Oregon. Patriots recognized in the great state of Oregon a powerful champion of true Americanism: BOODLERS AND CORRUPTIONISTS, A DEADLY FOE.

The great issue of this campaign is therefore not a partisan contest, but a contest between those who believe in government by the people and those who would return to the old methods which disgraced our state and hindered its development. I will be proud if elected to cast my vote FOR THE PEOPLE'S CHOICE FOR UNITED STATES SENATOR, and in every other matter to serve the interests of all the people to the best of my ability.

SALEM BOARD OF TRADE

NAMES NEW COMMITTEES AND RECORDS — MANY NEW ARRIVALS OF HOME SEEKERS.

Another industry is in store for Salem. A Wisconsin expert cheesemaker is going to commence a large wholesale business here and has written the Board of Trade asking for particulars and authorizing them to look out for a ranch he can lease for the next year. An attempt has heretofore been made to have a cheese factory here, but as the manufacturer had to depend upon others for his butter fat supply, he did not meet with success, but the party who writes from Wisconsin will take precaution against any insufficient supply of butter fats by owning his own ranch cows.

The executive committee of the Board of Trade met yesterday in their regular weekly meeting and appointed the following additional standing committees:

Cherry Fair: E. W. Power, H. S. Giles, C. A. Park. Transportation: F. A. Power, H. B. Thielson, F. G. Deckerbach, J. F. Hughes, T. B. Kay. Public Improvement: H. W. Meyers, J. I. Stockton, F. M. Brown, A. Hutchinson, H. D. Patton. Membership: J. M. Lawrence, W. I. Staley, Paul Wallace, G. F. Rodgers, E. T. Barnes.

Salem is to have second place among the floats of Oregon City in the Rose Festival parade in Portland, June 2nd to 7th. This is due to the efforts of the special committee appointed recently to arrange a float and attend to other matters in connection with the festival. The first place in the float parade will be taken by Portland. Several designs for a beautiful float will be considered by the committee this afternoon. The composite of the float, which will be a "Cherry City"
