O. A. C. HIRES MANY NEW INSTRUCTORS

Dean of Domestic Science and Art Department Comes from New York.

At a meeting of the board of regents provision was made to greatly enlarge the department of domestic science and art, and Miss Julia Greer was elected its dean. Miss Greer has for eight years been head of the department of domestic science in the Pratt Institute of New York. She is a graduate of Vassar and pursued advanced work at the University of Chicago and Columbia university. She will conduct and use Waldo hall as an object lesson in the work, and girls from abroad attending the college must hereafter reside at Waldo hall.

Miss Marion Z. Van Hew, of Aurora, Ill., elected instructor in domestic science, is a graduate in domestic science and art from Kansas Agricultural College and from Pratt Institute, 1906, and has been teaching in the same institute.

Miss Adele May Jones, of Dayton, O., elected instructor in domestic art, is a graduate from the Teachers' College in Columbia univeristy, New York.

Miss Ariel Ewing, of Oakland, Cal., elected instructor in domestic art, is a graduate from the Pratt Institute and has had extensive work as a teacher.

J. Dexell, of Logan ,Utah, elected dean of the College of Commerce and professor of accounting, has degrees from the University of Michigan and the University of Chicago.

H. L. Mather, St. Paul, Neb., elected instructor in stenography and typewriting, took his training in institutions in the Middle West.

E. D. Angell, Madison, Wis., elected professor of physical education and director of athletics, had training at Harvard, Yale and elsewhere, has studied in the great gymnasiums of Berlin and has also received special training under Baron Possee, in Swedish gymnastics.

Miss Mildris Williams, St. Paul, Minn., elected instructor in English, is a graduate of Cornell College, Iowa, of the University of Chicago, of the Chicago School of Physical culture and of the Emerson School of Oratory, Boston.

Ralph B. Hetzel, Madison, Wis., elected instructor in public speaking is a graduate of the University of Wisconsin.

L. L. Potter, Bozeman, Mont., elected instructor in animal husbandry, is a graduate of Montana Agricultural Colleg and of Iowa State College.

W. Weniger, of Milwaukee, Wis., is elected instructor in physics, and Warren Forsythe, instructor in pharmacy and chemistry. C. F. Knopf, of Columbia, Ohio, is elected foreman of the machine shops; W. S. Cacres, of Palo Alto, Cal., instructor in Spanish and mathematics; E. B. Batty, O. A. C., '03, of Hoquiam, Wash., instructor in mathematics; W. F. Haskins, of Valpraiso, Ind., director of the school of music.

Probably by May 15 a contract will be let for the new wing of the agricultural building in the college campus. The structure will be 150 feet long and 75 feet wide, and will accommodate the department of agronomy on the first floor, and the department of domestic science and commerce on the second floor. It is to be built of brick and stone, and it's estimated cost is $40,000.

He Got What He Needed.

"Nine years ago it looked as if my time had come," says Mr. C Farthing, of Mill Creek, Ind. Ter. "I was so run down that life hung on a very slender thread. It was then my druggist recommended Electric Bitters. I bought a bottle and I got what I needed—strength. I had one foot in the grave, but Electric Bitters put it back on the turf again, and I've been well ever since." Sold under guarantee at J. C. Perry's drug store. 50c.

Keep the Kitchen Cool

Why swelter over a glowing range in a stuffy kitchen, when a new Perfection Wick Blue Flame Oil Cook-Stove will do the family cooking without raising the temperature enough to be noticeable?

By putting a "New Perfection" in and allowing the range fire to go out, you may make this summer's kitchen work not only bearable, but actually a pleasure. The

NEW PERFECTION
Wick Blue Flame Oil Cook-Stove

produces an intense heat *under the kettle or in the oven*, but does not radiate heat in all directions as a coal range does—hence is used with comfort on the hottest summer day. Made in three sizes, and warranted. If not with your dealer, write our nearest agency.

The **Rayo Lamp** comes as near lamp perfection as it's possible to get. Gives a clear, bright light that reaches the farthest corner of a good sized living-room. Well made throughout of nickeled brass; perfectly safe and very ornamental. Warranted in every particular. If not with your dealer, write our nearest agency.
