BURLESQUE MERCHANT OF VENICE

High School Seniors Put on First Annual Play—Score a Hit. "Merchant of Venice," as staged by the seniors of the Salem school, was a great hit at last night. The house was packed and high paraphernalia evidence from pit to ceiling. The stage settings were realistic with school and college boxes and the rails of some of the young ladies made up of chairs, daily chaperoned, and the whole play went off mer-

music was furnished by the school orchestra, and they were in for their share of applause. The parts were well played by the gentlemen who came in for a deal of applause and laughter. The star parts were played by Albert Minton, Gratiano and Farmer, with the love scenes on the sofa, Antonio Lawrence Hofer, who did the burlesque in carrying off the money in a toy road wagon, and a funny Gobbo by Carl Gabriel-

THE GOOSE AND RED RIDING HOOD

The Greater Norris & Rowe museum, menageries, hippo and congress of nations which exhibit in this city Monday, May afternoon and night, are the number of clowns, jesters, buffoons, zaneys, Yorland funny fellows in general, assembled with any tented or on in the history of the present business. One will enter a big, fat clown made up to "Little Red Riding Hood," to represent "Simple" and so on through the long nursery rhymes. Aesop's have been called upon to material for these funny Little plays are enacted here around the large hippo-track constantly. "Foxy" the "Katenjammer," "Hooligan," "Nervy Nat," the "man, and all of the familiar characters will be seen varieties. These clowns are a lot of fellows, too. They receive salaries for the display of these that are con-

trasted in. Take that fun-tomine clown for instance, who, who represents "Old Goose," astride of a proper Diuro receives a salary of \$100 a week for his part of the "Hunt," in which a little dog up to resemble a rabbit, the most deliciously funny ever presented to the public. Intensely clever and ar-

rogue, and Diuro does some of the best pantomime work seen in any day in this little sketch. The 35 clowns with the Greater and Rowe circus this season among them being men who appeared in every land making a laugh. This clowning business is a big circus is funny, yet it is harmless fun. It is enjoyed as well as the child that will remember the clown of the circus? During the run of the Greater Norris & Rowe circus in San Francisco this spring persons paid admission to the show. This is the greatest show of people that ever assembled in the west. The performance in the west. The clowns of the new big show were especially com-

ical for their cleverness. The current and goose-berries can easily be killed by the bushes promptly with a dose of white hellebore dissolved in three gallons of water.

A HUMAN ENGINE

It takes fuel the 26th Century Limited takes fuel faster than a common yard takes good fuel to develop power, and speed. Every ambitious man should push forward, to get ahead, yet not "burning up" on fuel prepared with the most of the fact that had is just as really close up the system, just as the clowns with clinkers. The "washed" foot; eat food prepared with PROLENE, a vegetable oil cooking oil, wholesome and easily digested. PROLENE shortens your food, "gives you life" and you will travel faster and easier on it than on food from the fat of the hog.

A Woman's Back

Has many aches and pains caused by weakness and falling, or other displacement, of the pelvic organs. Other symptoms of female weakness are frequent headache, dizziness, imaginary spots or dark spots floating before the eyes, gnawing sensation in stomach, dragging or bearing down in lower abdominal or pelvic region, disagreeable drains from pelvic organs, faint spells with general weakness.

If any considerable number of the above symptoms are present there is no remedy that will give quicker relief or a more permanent cure than Dr. Pierce's Favorite Prescription. It has a record of over forty years of cures. It is the most potent invigorating tonic and strengthening purgative known to medical science. It is made of the glyceric extracts of native medicinal roots found in our forests and contains not a drop of alcohol or harmful, or habit-forming drugs. Its ingredients are all printed on the bottle-wrapper and attested under oath as correct.

Every ingredient entering into "Favorite Prescription" has the written endorsement of the most eminent medical writers of all the several schools of practice—more valuable than any amount of non-professional testimonials—though the latter are not lacking, having been contributed voluntarily by grateful patients in numbers to exceed the endorsements given to any other medicine extant for the cure of woman's ills.

You cannot afford to accept any medicine of unknown composition as a substitute for this well proven remedy or know its composition, even though the dealer may make a little more profit thereby. Your interest in remaining health is paramount to any selfish interest of his and it is an insult to your intelligence for him to try to palm off upon you a substitute. You know what you want and it is his business to supply the article called for. Dr. Pierce's Pleasant Pellets are the original "Little Liver Pills" first put up by old Dr. Pierce over forty years ago, much imitated but never equaled. Little sugar-coated granules—easy to take as candy.

How about that garden? Some farmers seem to think it fiddling work to bother with a garden, and yet they greatly enjoy the fresh vegetables or berries from the truck peddler, when he could easily have them fresh out of his own garden.

"One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm-hearted wish of the writer to be of use to someone else. This remedy is for sale by Dr. Stue's drug store.

Remedy for aphids or plant lice: These tiny black, green or red insects are easily killed by using a strong solution of tobacco in water. Or kerosene emulsion, or whale-oil soap solution. Apply remedy early, when lice first hatch out and before they are hidden by the curl of infested leaves.

Cataract Cannot Be Cured.

It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing Cataract. Send for testimonials free. P. J. CHENEY & CO., Props., Toledo, O.
