If you can beat our prices on Thursday's Leaders on the \$50,000.00 stock of the Yokohama Tea Company. The Northwestern Brokerage and Sales Company are in a class by themselves when it comes to the use of the knife in the cutting and slashing of prices. Our reputation from this standpoint is established all over the great Northwest. The Management wishes to thank the people of Salem and vicinity for their generous patronage during the Gigantic Sale Period so far, and desires to state that the sales force has been increased sufficiently to take care of the stupendous crowds that attend the sale daily. Those who were unable to be waited upon yesterday, due to the big rush of eager shoppers for Tuesday's specials, will find conditions greatly improved today. The personal services of Mr. Hosburgh or Mr. Small, managers in charge at the sale, can be secured by phone appointment.
