

# PE-RU-NA AS A TONIC AND BLOOD PURIFIER.

Mrs. Paul Casavant Writes From 219 Monroe Street, Topeka, Kansas, Concerning Peruna. Read Her Letter Below:

## In Spring and Early Summer a Tonic is Needed.

Mrs. Emily Kellogg, 6649 S. Lawrence St., South Tacoma, Wash., Gives Her Experience With Peruna. Read Her Letter Below:

MRS. PAUL CASAVANT.

Mrs. Paul Casavant, 219 Monroe street, Topeka, Kansas, writes:  
 "I have found Peruna very effective in restoring my health and strength after I had been worn out and run down for a long time. I began to use it about six months ago when I was unable to leave my bed. My nervous system was shattered and I was daily losing flesh and strength. This condition was completely altered after a few bottles of Peruna had been used and I kept on using it until I was finally restored to perfect health and had gained about fifteen pounds.  
 "I feel so grateful for what your medicine has done for me that I am pleased to give it my hearty endorsement and shall always be glad to speak a good word for it."

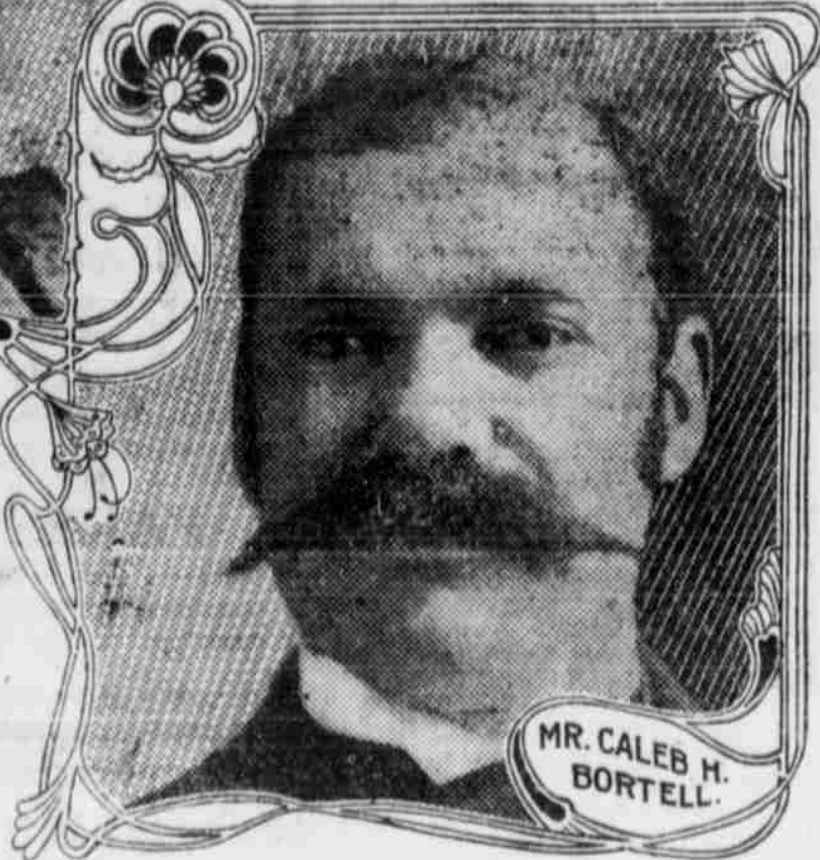

### Tones up the System.

Mrs. William McRoberts, Waverly, Minn., writes:  
 "I am perfectly well of the catarrh. I took Peruna and Manalin. I recommend your medicine to every one and cannot praise it enough. It is a fine medicine to take any season of the year. Taken in the spring it tones up the system and acts as a gentle stimulant."

### A Good Tonic.

Mr. Joe Leonard, Flat 3, 262 Allen St., Buffalo, N. Y., writes:  
 "I have good reason to endorse Peruna as I have found it a good tonic, stimulating the system and sustaining it under great pressure, imparting unusual endurance and enabling me to work much longer and harder than the system could possibly do were it not for the great powers with which it endowed me. It gives one nerves of iron."

The source of good blood is fresh air and well-digested food. If anything interferes with digestion the blood becomes impure.  
 A catarrhal condition of the stomach prevents perfect digestion. Such a condition allows the food to ferment and decompose in various ways, instead of digesting. The blood is thus contaminated with various materials that do not belong in the blood.  
 This gives rise to spring fever, eruptions on the skin, general lassitude and constipation.  
 Peruna corrects all these difficulties by striking at the source of them. By eradicating the catarrhal condition of the stomach Peruna at once restores digestion, the blood is thereby purified, and the whole machinery of the body is put in working order.  
 Peruna has probably made a more remarkable record in cases of catarrh of the stomach than any other medicine. These cases are very frequent, and we have a host of testimonials in which Peruna has received lavish praise for prompt and permanent relief in cases of catarrh of the stomach.

MR. CALEB H. BORTELL.

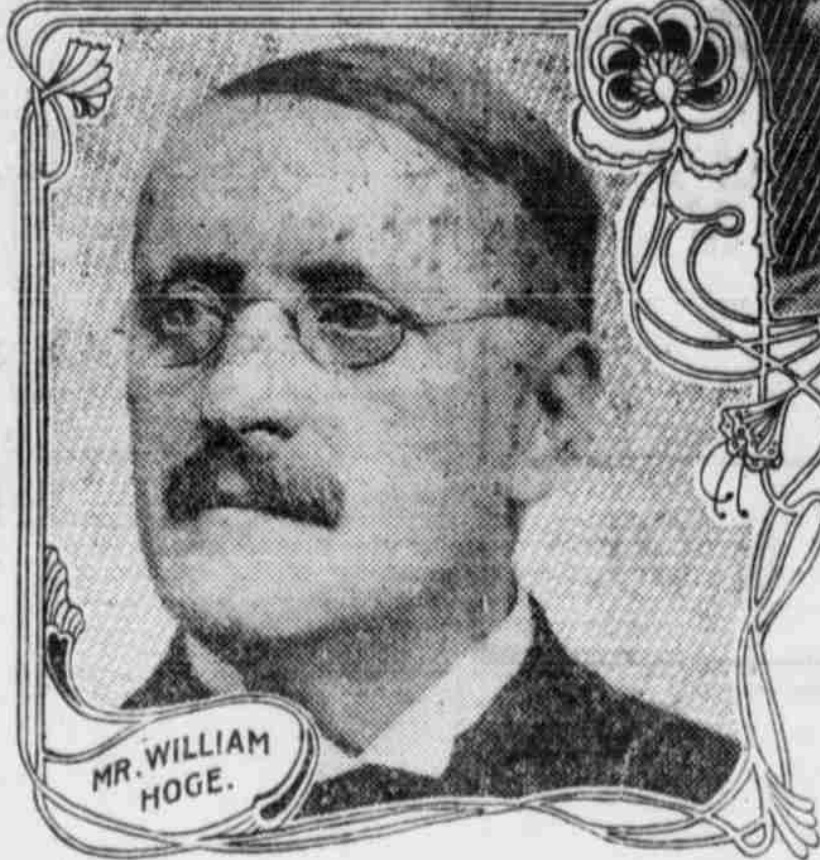

Mr. Caleb H. Bortell, Police Officer, 212 North Foca street, Baltimore, Md., writes:  
 "For several years I was troubled with catarrh of the head, throat and stomach. Many times I would vomit before and after eating.  
 "I took seven bottles of your Peruna, and I am glad to say that it has cured me.  
 "I feel more like living and working, and am not bothered at all with my old troubles.  
 "I take great pleasure in recommending Peruna to all sufferers with catarrh, and I thank you for what you have done for me, for none but those who have suffered as I have can appreciate a great cure as I have found Peruna to be."

### Splendid for La Grippe.

Mr. Frank H. Fielder, 213 Leasant Ave., Montgomery, Ala., formerly principal of Haynesville High School, writes:  
 "I can truthfully say that Peruna is a splendid remedy for la grippe, and a good tonic for building up the system."

### Pain in Chest.

Mr. A. W. Gustin, 5209 Lake Ave., St. Joseph, Mo., writes: "When I began taking Peruna I had quite a severe pain and ache in the left of my chest. I suffered a great deal with it.  
 "I wrote to Dr. Hartman and asked him what I should do. He advised my

MR. WILLIAM HOGE.

Mr. William Hoge, President Commercial Travelers Association, 290 Broadway, New York, N. Y., writes:  
 "I endorse Peruna as the most effectual remedy for catarrh I have been able to find in this country or Europe. I can truly say that I have spent thousands of dollars in this country alone trying to find a cure, and it was not until I was induced to give Peruna a trial that I obtained anything like permanent relief. As a tonic it is simply great. It ought to be in the grip of every commercial traveler on the road. It cured my wife as well as myself. We have not had the slightest symptom of catarrh for a long time."  
 In a later letter Mr. Hoge says: "I have used Peruna for many years, never without a bottle in my grip. I am the youngest feeling and youngest looking man of my age in New York, which I think is entirely due to Peruna."

### Hay Fever and Catarrh.

Miss Mayme E. Smith, 414 East Mound St., Columbus, Ohio, writes:  
 "Have used Peruna for catarrh and hay fever. The results being remark-

MRS. EMILY KELLOGG.

Mrs. Emily Kellogg, 6649 S. Lawrence St., Tacoma, Wash., member of Ladies of the Glee Club, writes:  
 "Three months ago I had an attack of catarrh which threatened to undermine my health and strength. Luckily for me, I tried Peruna on the suggestion of my friends before it was too late. I found in a few days' time that I did not have that usual sick headache, neither did I feel any longer. In two weeks' time Peruna had completely rid my system of the poison and I was in a much better condition. My skin assumed its normal color, I had a splendid appetite and was in every way improved in health. I used Peruna for a month longer and it wrought a marvelous change in my entire system."

with my eyes being red and watery. My general health was very poor.  
 "Finally a friend advised me to try Peruna. I had tried almost everything else, so I purchased a bottle of Peruna and commenced to take it at once. Before I had finished the first bottle I found I was improving.  
 "I wrote you for special advice concerning my eyes, which I mentioned continued to take the Peruna and used six bottles.  
 "Now my eyes are absolutely normal and I feel like a new man in every respect.  
 "I honestly advise any one who is afflicted to try Peruna."

**Peruna Tablets.**  
 Some people prefer to take medicine rather than to take medicine in tablet form. Such people can obtain Peruna tablets, which represent the same ingredients of Peruna. Each tablet is equivalent to one average dose of Peruna.

## LUMBER TRUST IS FORMING

(United Press Leased Wire.)  
 St. Louis, April 30.—With a capital of \$300,000,000, a gigantic lumber trust is being formed, it is said, by lumber men who control 5,000,000 of yellow pine timber in the south.  
 During the past few days these men have been holding an executive session in this city to decide upon plans for a holding company to maintain equitable prices on yellow pine products. Because of the heavy corporate fees in Missouri, it is probable that the company will be incorporated in New Jersey or Delaware. In drawing up plans the lumber men are being advised by men who are familiar with the anti-trust laws so that there will be no violations committed in the operation of the trust. One hundred lumber plants are represented at the meeting. These holdings will be invested in the new company, the stockholders of each simply exchanging their stock, share for share, for stock in the holding company.  
 A committee was appointed today to consummate the deal. At another meeting to be held soon their report will be announced.

## HEAVY SNOW STORM IN THE EAST

Chicago, April 30.—Snow storms raged today in several central states, even as far south as Kentucky.  
 \* In Pittsburg, Pa., snow began falling early, with the temperature two degrees above freezing. It is not thought that any damage to vegetation will be done unless it grows colder.  
 A snow storm prevails practically over the entire state of Ohio. Early this morning it began to fall in Cleveland. Reported from Cincinnati it is falling there, but the weather is not cold enough to do much damage to the crops.  
 A heavy snow storm has raged in Zanesville, Ohio, since midnight. Streetcars were forced to suspend operation on account of falling poles, which were knocked down by the wind.  
 In Lexington and Louisville, Ky., snow also fell today. Two inches fell in both cities. It is prevalent in eastern and central Kentucky. Races were not run in Lexington because of the snow.  
 Reports of a heavy trust are received from Missouri, Iowa, Kansas and Wisconsin. Fruit growers differ as to the amount of damage done.

## PORTLAND MAY NEED THE MOON

(United Press Leased Wire.)  
 Portland, Or., April 30.—Because of Mayor Lane's refusal to allow the city treasurer to pay last month's bill against the city from the Portland Railway, Light & Power company, Portland municipal lighting system may be dark tomorrow night. Mayor Lane refused to pay the bill on the ground that it was excessive. The light company refused to lower it. This caused a deadlock that has not yet been broken. Today, the legal limit of days, within which the company was compelled to furnish

the city with light, expired and the power company can not shut off the light if they wish. At present, the officials of the company refuse to state what action they will take. A conference will probably occur today between the company and the city officials.

 Warrants were issued for the arrest of Mrs. Bachman and Councilman Henry E. Smith and wife, parents of the dead girl. They are accused of aiding and abetting in the crime. The warrants were read to
