

WASCO COUNTY LEADERS.

Meet and Elect Delegates to the Republican State Convention.

The delegation from Wasco county will be uninstructed to the support of any particular presidential candidate for nomination.

The delegates and precincts represented were: Antelope, H. C. Rooper; Boyd, L. P. Bolton; Bigelow, J. M. Patterson; Columbia M. Remington; Deschutes, F. C. Clausen; Eight Mile, W. G. Davidson; Dufur, C. G. Ballard; Falls, W. W. Myers; Ramsay, W. H. H. Dufur; Shaniko, E. A. Howell; South Hood River, C. D. Thompson; Trevitt, C. L. Phillips; Wamic, J. E. Kennedy; West Dalles, E. L. Curtis; South Dalles, George Cooper; East Dalles, J. H. Worsley; Mosier, G. R. Wood; Nansen, E. L. Craft; Kingsley, John Hix; West Hood River, P. S. Davidson.

The meeting was perfectly harmonious, and every motion and discussion passed off without the slightest friction. This feature gives promise of a successful campaign for the Republicans of Wasco county.

In view of the fact that the coming campaign will be a moderately strenuous one in the country the following precinct committeemen representing the precincts of The Dalles were chosen as an executive board to act in conjunction with the chairman, J. M. Patterson, as an advisory board: C. L. Phillips, of Trevitt; E. L. Curtis, West Dalles; George Cooper, South Dalles, and J. H. Worsley, East Dalles.

The meeting was called to order by Chairman C. L. Phillips. Many of the precincts, upon roll call, were found to be represented in proxy, the committeemen chosen at the primaries being unable to attend.

The following precincts were unrepresented: Bakeoven, Thos. Flanagan; Baldwin, A. M. Kelley; Oak Grove, J. M. O'Brien; Tygh, J. L. Elwood; Mountain, L. E. Crozier; Hood River, Center, G. R. Casiner; East Hood River, C. Detman; Odell, C. P. Roberts.

A SEATTLE GIRL WINS

Miss Genevieve Johnstone of Seattle Wins the Ghirardelli Limerick Contest.

The readers of this publication will no doubt recall an interesting advertisement which appeared during the month of February, in which the D. Ghirardelli company, of San Francisco, the manufacturers of Ghirardelli's Cocoa, offered a prize of a can full of dollars for the best line submitted to complete the following limerick:

A sickly young student at Yale, Tried to strengthen himself upon ale; But a wise college widow said, "Cut it out, Kiddo."

The last line was to be supplied by the contestants.

Thousands of replies were received from all over the West, many of them very clever, but, after a careful examination of all the lines submitted it was decided by the committee that the best was that sent in by Miss Genevieve Johnstone of 1206 1/2 Howell street, Seattle, who was accordingly awarded the full prize of \$93. The limerick as completed by Miss Johnstone reads as follows:

A sickly young student at Yale, Tried to strengthen himself upon ale; But a wise college widow said, "Cut it out, Kiddo."

Ghirardelli's the drink for the pale. Limerick contests are new in the West, but judging from the wide spread interest which, in the Ghirardelli contest, resulted in such a flood of replies, there is little doubt that this form of advertising will appeal to many other firms and that the limerick advertisement will become as general as in other parts of the country.

AN ELOQUENT MAN GETS NOMINATION

John A. Jeffrey is the Democratic nominee for congress from the second district. He won the nomination from Andrew Jackson Derby by a narrow majority of 145 votes, victory coming to him by reason of his 755 majority in Multnomah county.

Kennedy's Laxative Cough Syrup acts promptly yet gently on the col, through which the cold is forced out of the system, and at the same time it allays inflammation. Sold by all druggists.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hays, of the Univ. of Pa.; Prof. Finley, of Angwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, D. of Cincinnati; Prof. Edwin M. Fiske, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through a regular professional endorsement—more than any number of ordinary catarrhal diseases. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely non-toxic and besides is a most useful agent in the cure of all stomach, as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its ingredients mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

"One Touch of Nature Makes the Whole World Kin."

When a rooster finds a big fat worm he calls all the hens in the farm yard to come and share it. A similar trait of human nature is to be observed when a man discovers something exceptionally good—he wants all his friends and neighbors to share the benefits of his discovery. This is the touch of nature that makes the whole world kin. This explains why people who have been cured by Chamberlain's Cough Remedy write letters to the manufacturers for publication, that others similarly ailing may also use it and obtain relief. Behind every one of these letters is a warm hearted wish of the writer to be of use to someone else. This remedy is for sale by Dr. Stine's drug store.
