MAY 2, CHAMPOEG DAY.

This day is annually celebrated in honor of founding the provisional government of Oregon.

Joseph Buchtel, who will be chairman of the celebration which will be held at Champeog in honor of the first provisional government meeting held May 2, 1843, desires to form a permanent organization to take care of the grounds and monument at Champeog at this gathering.

His object is to name a committee of about 25 prominent citizens, largely pioneers interested in such matters, who will meet in Portland June 3, the next day after the annual meeting of the Pioneer association, to formulate plans for such an organization.

Mr. Buchtel says Washington, Idaho, Montana and Oregon are all interested in perpetuating the memory of the event that resulted in the Oregon Country being retained by the United States.

The purpose of this organization is to secure more grounds and improve them.

These plans will take some money, and to raise the money and make the improvements needed, Mr. Buchtel hopes to form this organization.

He will go to Champeog early on Saturday morning to confer with the F. X. Matthieu Cabin, No. 12, Native Sons of Oregon, concerning this organization in advance of the regular program of the day.

SUSTAIN THE ARMY AND NAVY.

Mary Baker G. Eddy, the Christian Science leader, has issued the following:

For many years I have prayed daily that there be no more war, no more barbarous slaughtering of our fellow beings, prayed that all the peoples on the earth and the islands of the sea have one God, one mind, love God supremely, and love their neighbors as themselves. National disagreements can be, and should be, arbitrated wisely, fairly and fully settled. It is unquestionable, however, that at this hour the armament of navies is necessary, for the purpose of preventing war and preserving peace among nations.

There is no doubt that the stronger our navy the more liable will be peace for America.

It is also wise to add to our armament and be fully prepared in case of war.

We should also compensate more those who are ready to protect the flag, and, in time of peace, we should treat our necessary home guard by building armories for the different companies.

The Most Common Cause of Suffering.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Dr. Stone's drug store.

Lincoln Bird Club.

The Lincoln Bird club did not meet Wednesday as some of the members met with the large bird club at Trover's studio, and some of the members joined the large club.

In one corner of the room they have a limb of an oak tree filled with birds' nests. There are nineteen in all and it gives the corner a beautiful appearance. The club has put bird houses around in the trees to encourage the birds. They have all put up a wire covered with strings and yarn so the birds can have plenty of building material.

There are 35 members in the club. At each meeting the teachers assign work about some birds to certain members of the club. Lila Ackerman, Deane Curtis, Curtis Sutton and Earl Woods are to recite something about the grousebeak, swallow and the purple finch. The club meets again next Wednesday, May 6.

Deafness Cannot be Cured.

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

Sold by druggists, 75c. Take Hall's Family Pills for constipation.

No Essential Omitted.

A police captain was about to raid a gambling den. At midnight, taking his place at the head of a squad of stalwart men, he looked them over closely and then said to his lieutenant:

"Is everything in readiness for this raid?" "Yes, sir," replied the lieutenant, saluting. "Our arms are in first class order, here are the reporters, there are the flashlight camera men, and I notified the proprietor of the place this afternoon."

Spring Humors

It is important to you from every standpoint that you should thoroughly cleanse your blood of all those impure, poisonous and effete matters that have accumulated in it during the winter. Do this by taking Hood's Sarsaparilla.

You will feel better, look better, eat and sleep better, do your work more easily and satisfactorily, and be in good condition to resist prevalent diseases and to withstand the hot waves of summer which have such a depressing and prostrating effect on the weak, debilitated and run-down.

The secret of the unequalled success of Hood's Sarsaparilla as a remedy for Spring humors is the fact, proven annually by thousands of grateful people, that it thoroughly cleanses the blood, gives strength and tone to every organ and function and builds up the whole system.

"I speak from experience of the great benefit Hood's Sarsaparilla has given me. For spring humors and general blood purifier this medicine is the best. It always does all that is claimed for it and more. I know it to be good for salt rheum, and all similar troubles, and general spring medicine. I can positively say that it has no equal. It gives me positive evidence to say these few words in favor of medicine I have found so reliable in my family." Mrs. J. F. Gier, 18 South Stenham, Mass.
