

REGULAR

Prices for regular savings which we will give this week will gain us the confidence of many people, and we will have more regular customers. Our regular lines of spring and summer merchandise have had the regular prices reduced so much that in many instances it is wholesale price and less. Our regular customers have given us praise for the regular satisfaction they have received from Salem's Greatest Regular Store. We will give better goods for the same money or the same goods for less money than you get elsewhere. Look over the items below and see the regular savings.

Just to Show You How People Appreciate Our REGULAR SALES

on Wednesday, April 29, 1908, we sold regular \$1.25 lace Curtains for 78c a pair. There were 100 pairs in the lot and they only lasted 30 minutes, after these 100 pairs were gone we closed out two or three different lines of lace curtains which were not on sale for that day, but it shows our regular price is right or the lace curtain section wouldn't have suffered such a blow on that day. For next Wednesday we offer

2,000 Yards of Auto Cloth, 36 Inches Wide

very suitable for making summer suits, waists and skirts. An extra good special.

12 1-2c the yard

We expect to see your face among the regular money savers on that day. Get the habit—you'll appreciate the sale. On sale at 8:30. No telephone orders received.

City News

Weather—
Showers tonight and Tuesday.
Increase Express Limits—

New Telephone Line—

The county court has been petitioned by the Salem-Fairfield telephone company for permission to construct a new line along the Champoug road.

Good Road Work—

J. H. Church reported to the county court yesterday that the road running through the mountains from Mohama to the Gold Creek mines was progressing finely; that \$4000 special tax had been raised and the blasting of stump; the greater part of the way completed. Church and those with him have already used a ton of powder in blasting these stumps and making the road, and yesterday came to town for the purpose of securing another ton. The road runs along the little north fork of the Santiam and the gravel used on the road is taken from this stream.

Furniture Factory—

L. U. Josse is preparing to operate a furniture factory shortly on Commercial street.

How Our Cylinder-head—

The two-hoat, Grey Eagle, belonging to the Spaulding Logging company lost a cylinder-head off one of the side engines Saturday near Independence while bringing a large tow of logs from the upper river, and was compelled to leave her tow and come on to this city where she will be repaired.

Who Said—

Wall paper cheap. The House Furnishing Co.

The Capital City's express business has now advanced to such an extent that the Wells Fargo & Company's express office in this city has received instructions to extend the delivery limits as follows: From Miller street in South Salem down High to Mission, down Mission to Fifteenth, thence to Oak returning to Fourteenth, down Fourteenth to Mill then out to Twenty-first, down Twenty-first to State thence to the Asylum avenue from which point the route extends to the river within the boundaries off the North Mill creek.

We Out Do Them All—

In quantity, quality and price of wall paper. The House Furnishing Co.

Council Meets Later—

The city council will call their regular meetings at 8 o'clock hereafter, until October next instead of 7:30 as was the time heretofore. The new time going into effect tonight.

Wisconsin Refrigerators—

White enameled, at close-out prices. House Furnishing Co.

Councilmen Resting—

Councilmen Ogleon Stolz and A. N. Moores will not be at the council session tonight, the former being in San Francisco and Moores at the coast.

Portiers Half Price—

The House Furnishing Co.

Stayton Union School—

There is a movement now on foot by the Stayton people and others living in close vicinity to arrange

for a union school in Stayton for the benefit of both the school children in that city, and the six surrounding districts, in the way of higher grades, which will be quite an advantage to parents who have been compelled to send their children to Portland and other cities for higher education. State School Superintendent Ackerman has just returned from Stayton where he has been investigating the union school problem, and he states there is a good outlook for the movement.

The World's Best Climate.

is not entirely free from disease, on the high elevations fevers prevail, while on the lower levels malaria is encountered to a greater or less extent, according to altitude. To overcome climate affections, lassitude, malaria, jaundice, biliousness, fever and ague, and general debility, the most effective remedy is Electric Bitters, the great alterative and blood purifier; the antidote for every form of bodily weakness, nervousness, and insomnia. Sold under guarantee at J. C. Perry's drug store. Price 50c.
