ARTLING FACTS OF LOCAL OPTION

Will Not Be Given By the Newspapers Or Pulpits In Dry Counties

The Local Option people are to carry Salem dry, they fight to hold the counties carried two years ago. Counties like Linn and Lane are a reaction slowly setting in the conditions produced by prohibition. That there is a great deal of liquor shipped into Linn and Lane counties, no one will deny, and in itself would prove nothing in its own favor.

UP WORK BECAUSE OF HIS WEAKENED CONDITION

Earl McCoy, living at 1506 Branson street, Marion, Ind., passed through an experience being duplicated every day in town and city of any county in the United States. It is abundant proof of the correctness of L. T. Cooper's theory in the stomach, and shows conclusively the merit possessed by his discovery medicine to restore a weakened system to full strength.

WIDOWS' PENSIONS ARE POPULAR

The new law increasing the pensions of soldiers' widows from \$5 to \$12 meets with hearty approval. The next quarterly payment, July 4th will be on a basis of \$12 from the date the new act went into effect. Widows who have been denied a pension on account of their income being \$250 per annum or more will be paid \$12 from the date of filing their application. Those now receiving \$5 will get the increase without further application.

SCIATICA FOLLOWS THE GRIP

PATIENT PERMANENTLY CURED BY DR. WILLIAMS' PINK PILLS.

After Being Confined to Bed for a Month and When Ordinary Remedies Failed to Bring Relief.

"I suffered from sciatica rheumatism for a year and a half after an attack of the grip," says Mr. J. C. Sutherland, of 103 North Olive street, Goshen, Ind., "and was confined to my bed for a month at a time and for two weeks lying with my legs drawn up with pain. My suffering was so great that the doctor gave me hypodermic injections. The pain was in both legs from the hips to the toes and was sharp and stinging. I couldn't sleep nights without binding my legs tightly with cloths. My appetite was gone and what I ate distressed me. My stomach felt hard and pained me.

"I was under the care of one doctor for two months, of another for six months and of another for perhaps three months. They all called my trouble sciatica, but didn't help me. I tried everything that was recommended to me but nothing gave me relief. I then went to the baths at Martinsville. I took the baths for about four weeks and got only a little relief from them. One day an acquaintance gave me a part of a box of Dr. Williams' Pink Pills and told me to try them. I felt a little benefit from them and took a few boxes more and was cured. I have no rheumatism now, weigh 225 pounds and I have recommended the pills to lots of people as I think they are the best medicine on earth."

Dr. Williams' Pink Pills do not simply relieve pain but they cure, and cure permanently, diseases caused by deprived or vitiated blood. They actually make new blood and have therefore a direct and powerful curative effect on such diseases as rheumatism, anaemia, general debility and after effects of the grip. As the nerves depend upon the blood for nourishment and medication, Dr. Williams' Pink Pills are unequalled for the treatment of even the most severe nervous disorders, such as neuralgia, partial paralysis, St. Vitus' dance and locomotor ataxia.

Dr. Williams' Pink Pills are sold by all druggists, or will be mailed postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50 by the Dr. Williams' Medicine Co., Schenectady, N. Y.

It Reached the Spot. Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike county, O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at J. C. Perry's drug store, 50c. and \$1.00 Trial bottle free.

The worst political rot going is that the Democrats defeated Fulton in order to elect Governor Chamberlain. Fulton would be the easiest man to defeat.—Albany Democrat.

Whooping Cough. "In February our daughter had the whooping cough. Mr. Lane, of Hartland, recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by Dr. Stone's drug store.
