**It Reached the Spot.**  
Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike county, O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at J. C. ### POLK COUNTY HAS GOOD CANDIDATES

(Polk County Observer.)  
With B. F. Jones and C. L. Hawley elected to the Oregon legislature, Polk county will have a live team in the lower house at the next session of that lawmaking body. Mr. Jones has already served two terms as representative, and is known throughout the state as an active and influential worker—a man who gets what he starts in to get. Mr. Hawley's past career and successful management of his own business affairs assure the people of Polk county that he will represent them ably and creditably in the legislature. Mr. Hawley is one of Oregon's successful and progressive farmers and stockraisers, and belongs to that class of husbandmen which is putting the state in the very front rank of agricultural development. He is always ready to assist in any public movement for the betterment of business and social conditions, and has proven himself a loyal and valuable friend to the educational interests of the county. No man has done more for the common schools of Polk county than Mr. Hawley, and he has lost no opportunity to aid and encourage the higher institutions of learning. He is a native of Polk county, and a member of one of Oregon's best pioneer families. Mr. Hawley is a staunch Republican, and is a loyal supporter of the candidacy of Hon. H. M. Calkins for the office of United States senator. He will receive the entire voting strength of his party in the June election, which means that he will be chosen for representative by a rousing majority.

**Deafness Cannot be Cured.**  
by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.  
Sold by druggists, 75c.  
Take Hall's Family Pills for constipation.

### SALEMITES GOING TO YAQUINA BAY

Salemites are to have an opportunity to view the big fleet as she passes Yaquina Bay at Newport early in June through plans being perfected by the Board of Trade. This welcome announcement has been made after a meeting of the executive committee, who instructed the transportation committee to see the railroad company and perfect arrangement for a grand excursion to Newport on the day the fleet passes. While as yet there has been nothing definitely arranged, the Board of Trade expects to have secured a low excursion rate to the coast before the end of the week, and this will give the busy Oregonians, who are unable to go to San Francisco or Seattle an opportunity to view the big American Armada, consisting of half a hundred war vessels.

**Poison Oak Poisoning.**  
Ballard's Snow Liniment cures it. Mr. O. H. P. Cornelius, Turner, Ore. writes—My wife has discovered that Snow Liniment cures "Poison Oak Poisoning," a very painful trouble. She not only cured a case of it on herself, but on two of her friends who were poisoned by this same ivy.  
Price 25c, 50c and \$1.00.

**Keep the Balance Up.**  
It has been truthfully said that any disturbance of the even balance of health causes serious trouble. Nobody can be too careful to keep this balance up. When people begin to lose appetite, or to get tired easily, the least imprudence brings on sickness, weakness or debility. The system needs a tonic, craves it, and tonic of which we have any knowledge is Hood's Sarsaparilla. What this medicine has done in keeping healthy people healthy, in keeping up the even balance of health, gives it the same distinction as a preventive that it enjoys as a cure. Its early use has illustrated the wisdom of the old saying that a stitch in time saves nine. Take Hood's for appetite, strength, and endurance.

### SMILES.

"Am I preaching truth, or am I preaching personality and egotism?" Popular (?) text in many pulpits Sunday.

It is grand to print a man's picture and a lot of fine obituary resolutions after a man is dead. But how much nobler and better to do a little justice to him while he is alive?

**The Merry Widow.**  
It's the Merry Widow this  
And the Merry Widow that;  
It's the Merry Widow kiss,  
And the Merry Widow hat.

It's the Merry Widow craze,  
And the Merry Widow dance;  
It's the Merry Widow plays,  
And the Merry Widow glance.

It's the Merry Widow dinner,  
And the Merry Widow waltz;  
It's the Merry Widow sinner,  
With the Merry Widow faults.

I've a Merry Widow wife,  
And a Merry Widow brat;  
I've a Merry Widow knife,  
And a Merry Widow cat.

I've a Merry Widow auto car,  
With a Merry Widow toot,  
And a friend whose wife has sued  
him,  
Has a Merry Widow suit.

And if I die tomorrow,  
Why, let them play real loud,  
The Merry Widow waltz song  
For the Merry Widow crowd.  
—St. Louis Chronicle.

The Tillamook Herald rejoices at having passed the thirteenth milestone and it is very much alive with C. A. Dolan publisher. We cannot understand why his name was not Pat Dolan, as he has true Hibernian wit and pugnacity.

### The Most Common Cause of Suffering.

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Dr. Stone's drug store.

### Oldest Minister in England.

(United Press Leased Wire.)  
London, May 8.—King Edward has sent his congratulations to Rev. Thomas Lord, of Horncastle, the oldest minister of the gospel in the United Kingdom, who has just reached his 100th birthday and who is still preaching. The message of congratulation is as follows:  
"Buckingham Palace.—I am commanded by the king to congratulate you on the attainment of your 100th year after a useful life. Knollys, secretary."  
Rev. Lord was born two years after Pitt and Fox died and was a grown man when George IV was on the throne.

Kenedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. Children like it. Sold by all druggists.

### "The Blood is The Life."

Science has never gone beyond the above simple statement of scripture. But it has illuminated that statement and given it a meaning ever broadening with the increasing breadth of knowledge. When the blood is "bad" or impure it is not alone the body which suffers through disease. The brain is also clouded, the mind and judgement are dulled, and many an evil deed or impure thought may be directly traced to the impurity of the blood. Foul impure blood can be made pure by the use of Dr. Pierce's Golden Medical Discovery. It purifies and enriches the blood thereby curing pimples, blotches, eruptions and other cutaneous affections, as eczema, tetter, or salt-rheum, hives and other manifestations of impure blood.

In the cure of scrofulous swellings, enlarged glands, open eating ulcers, or old sores, the "Golden Medical Discovery" has performed the most marvelous cures. In cases of old sores, or open eating ulcers, it is well to apply to the open sores Dr. Pierce's All-Healing Salve, which possesses wonderful healing potency when used as an application to the sores in conjunction with the use of "Golden Medical Discovery" as a blood cleansing constitutional treatment. If your druggist don't happen to have the "All-Healing Salve" in stock, you can easily procure it by enclosing fifty-four cents in postage stamps to Dr. E. V. Pierce, 663 Main St., Buffalo, N. Y., and it will come to you by return post. Most druggists keep it as well as the "Golden Medical Discovery."

You can't afford to accept any medicine of unknown composition as a substitute for "Golden Medical Discovery," which is a medicine of known composition, having a complete list of ingredients in plain English on its bottle-wrapper, the same being attested as correct under oath. Dr. Pierce's Pleasant Pills regulate and invigorate stomach, liver and bowels.

## Remington

This is the testimony of every typewriter user who knows by experience the relative performance of writing machines.

The man of all men who swears by the Remington is the man who has tried to get the same service out of some other machine.

A man may know the Remington or he may know some other typewriter, but the man who really knows typewriters is the man who knows the difference between the Remington and others.
