THE MACHINE MAKES NO DENIAL.

The Republican machine leaders in Oregon do not deny that their plan is to defeat Cake in June and then defeat Chamberlain when the legislature meets.

Their chief organ at Portland so far has done all in its power to represent that there is no obligation upon Republicans to vote for Cake, THAT THERE IS NO PRINCIPLE INVOLVED.

In doing this the Oregonian gives the lie to all the professions made in the past where the Republican party went on record as favoring the election of senators by the direct vote of the people.

The machine organ reads itself out of the party by saying that direct law making and direct election of senators are not Republican principles, AS THE PARTY HAS PROCLAIMED THEM.

It places the machine above men and above principles, and makes no bones about saying that party interests are above the people and above the rights of humanity.

One of the first rights of humanity is CLEAN AND INCORRUPTIBLE GOVERNMENT, and how can the people have that with the legislature corrupted and debauched with the purchase of senatorships.

The machine stands convicted of THROWING DOWN REPUBLICAN PRINCIPLES AND THE RIGHTS OF THE PEOPLE in its mad ambition to land another boodler senator from Oregon instead of a clean man like Cake.

The people should take the machine leaders at their word and as the people nominated Cake, they should see to it that he is elected or that the will of the people is respected if a Democrat is chosen.

JEFFERSON TURNING AGAINST THE BLIND PIG.

There are signs that the business men and property owners of the little city of Jefferson are tired of "blind pigs" and disorders.

The solid thinking portions of the community, who are not swayed by sentimental desires WILL VOTE AGAINST LOCAL OPTION THIS YEAR.

For years sentiment has kept Jefferson a dry town, and under Prohibition control, but Jefferson has not been a better or more moral town than some others.

It has had "blind pigs" running most of the time, has had barn parties with beer kegs on tap, and UNLICENSED DEVIATRY CONNECTED THEREWITH.

A few soaks may have been kept sober except when they got away to Salem, or Portland and proceeded to fill up after enforced abstinence but disipation has not been wiped out. An open licensed saloon, with the

By persistent saving on a definite plan for a few years, you can save that amount out of even a small income.

Even 25 cents a day will do it in 10 years.

screens down, with its doors open on the public street, where those who want to drink go in openly seems less hypocritical.

There is no nostrum for enforced morality. Until you convert a man to see THAT TOTAL ABSTINENCE IS THE ONLY RIGHT PRINCIPLE for him as an individual you have not changed that man's nature as to drink.

Converting him into a secret tippler, driving him into hiding his appetite under a cloak of enforced morality that is galling to him, has not made him a better citizen and Jefferson people will all come to realize the truth of this some day.

THE FUEL WOOD INTEREST IN THE SALEM-STAYTON ELECTRIC LINE.

It is estimated that on the line of the Salem and Stayton electric railroad there will be over 500,000 cords of fuel wood.

As this city consumes from 40,000 to 50,000 cords of such fuel annually it can be seen at once THAT THE CONSUMER IS INTERESTED.

Whether it would bring down the price much or not, it is certain that hauling in fuel wood will be a great source of earnings.

Dealers will be interested in the construction of the line as without some new sources of supply PRICES OF FUEL WILL ADVANCE.

The construction of such a line will make new business openings for dealers and for contractors who engage in cutting fuel wood.

A great deal of such fuel is now hauled in eight and ten miles by wagon to Salem, and even from near Anseville to this city.

Fifty thousand cords of such fuel woods means an expenditure of nearly A QUARTER OF A MILLION DOLLARS ANNUALLY.

A saving of fifty cents a cord to the consumer and fifty cents a cord more for the man who sells the fuel would pay for operating the railroad.

As a fuel road along the Salem and Stayton electric would pay.

THE DUTY OF CORPORATIONS.

Many successful corporations doing business in Salem have been helped by the community and by the Salem commercial organizations.

Banks and other private corporations are helped by all that helps the community, and especially by THE BUSINESS OF OTHER CORPORATIONS.

Why should they not co-operate with new undertakings and help them get on their feet as they got help and started when they were small?

The spirit of collective enterprise enters into the success of every corporation in these DAYS OF CIVIC MOVEMENTS AND CO-OPERATION.

What the Bible says about no man living unto himself alone is more true of corporations than of individuals in their relations to public matters.

While the whole community helps enrich the individual who attends to his business, THE UNEARNED INCREMENT THAT CORPORATIONS GET is the greatest of all.

The Capital Journal will be more benefitted by one new railroad into Salem than any private citizen who is not in business. Its value as a business will be enhanced.

THE SAME IS TRUE OF EVERY CORPORATION, and it surely is the duty of all corporations to promote every enterprise that builds up the city and builds up their own value and increases their opportunities for making money and adds to the value of their property.

Landseer and the Dog Tax. On one of Landseer's early visits to Scotland the great painter stopped at a village and took a great deal of notice of the dogs, jotting down rapidly sketches of them on a piece of paper. Next day on resuming his journey he was horrified to find dogs suspended from trees in all directions or drowning in the rivers, with stones around their necks. He stopped a weeping urehin, who was hurrying off with a pet pup in his arms, and learned to his dismay that he was supposed to be an excise officer who was taking notes of all the dogs he saw in order to prosecute the owners for unpaid taxes.

The Most Common Cause of Suffering. Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ill's, and it is certainly gratifying to sufferers to know that Chamberlain's Liniment will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Dr. Stone's drug store.

His Inference. Crags—Did you tell Simpers you thought I was a man without any balance? Butts—Well, I naturally inferred that if you had a balance you would draw on it for the amount you owe me.—Philadelphia North American.

It Reached the Spot. Mr. E. Humphrey, who owns a large general store at Omega, O., and is president of the Adams County Telephone Co., as well as of the Home Telephone Co., of Pike county, O., says of Dr. King's New Discovery: "It saved my life once. At least I think it did. It seemed to reach the spot—the very seat of my cough—when everything else failed." Dr. King's New Discovery not only reaches the cough spot; it heals the sore spots and the weak spots in throat, lungs and chest. Sold under guarantee at J. C. Perry's drug store. 50c. and \$1.00 Trial bottle free.

Fire at Weddings. Fire is an essential in some wedding celebrations. In Persia the service is read in front of a fire. In Nicaragua the priest, taking the couple each by the little finger, leads them to an apartment where a fire is lighted and there instructs the bride in her duties, extinguishing it by way of conclusion. In Japan the woman kindles a torch, and the bridegroom lights one from it, the playthings of the wife being burnt then and there.

Bad Attack of Dysentery Cured. "An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wolcott, Vt. For sale by Dr. Stone's drug store.

His Preference. Nurse—Come indoors at once, Master Richard, and be a good boy. You won't go to heaven if you're so naughty. Master Richard—I don't want to go to heaven. I want to go with father!—London Sketch.

Poison Oak Poisoning. Ballard's Snow Liniment cures it. Mr. O. H. P. Cornelius, Turner, Ore., writes—My wife has discovered that Snow Liniment cures "Poison Oak Poisoning," a very painful trouble. She not only cured a case of it on herself, but on two of her friends who were poisoned by this same ivy. Price 25c, 50c and \$1.00.

PIMPLES

"I tried all kinds of blood remedies which failed to do me any good but I have found the right thing. My face was full of pimples and blackheads. After taking Cascarets they all left. I am continuing the use of them and recommending them to my friends. I feel fine when I rise in the morning. Hope to have a chance to recommend Cascarets." Fred C. Wilson, 75 Elm St., Newark, N. J.

The Dusters. The Vicar (to sexton)—Why don't you see that the seats in the church are dusted now and then, Tombs? Tombs (the sexton)—I do, sir; the congregation does it every Sunday morning, sir.—London Tatler.

Whooping Cough. "In February our daughter had the whooping cough. Mr. Lane, of Hartland, recommended Chamberlain's Cough Remedy and said it gave his customers the best of satisfaction. We found it as he said, and can recommend it to anyone having children troubled with whooping cough," says Mrs. A. Goss, of Durand, Mich. For sale by Dr. Stone's drug store.

Exhibit A. Weerlus (dropping in again)—Well, Mr. Brackett, have you designed anything new lately that you would like to show me? Busy Architect—Why, yes; I've just put a unique ornamental panel on the outside of my office door. I'll show it to you presently.

A Hopeless Case. (From Sketch.) "A great big, able bodied man like you ought to be ashamed to ask a stranger for money," said the well-to-do citizen. "I know I ought," answered Meandering Mike. "But, mister, I'm jes' naturally too kind-hearted to tap 'em on de head and take it away from 'em."

Biliousness and Constipation. For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by Dr. Stone's drug store. For a burn or scald apply Chamberlain's Salve. It will allay the pain almost instantly and quickly heal the injured parts.
