HFIRESS WILL WED AMERICAN

(United Press Leased Wire.)

New York, May 15.—Miss Ethel Croker, daughter of Richard Croker, former Tammany chief, is one of the American girls who will never wed a foreign title. She has already turned two noblemen down with the declaration that men born in America are good enough for her.

An English nobleman and an Italian prince have sought her hand and have been rejected. Miss Croker even refused to be presented to court in England by the English nobleman, who was very attentive to her while Mrs. Croker and her daughter were visiting there last year. Mrs. Croker said today that the Italian prince made a very good impression and was wealthy, but Ethel told her mother:

"He may be very nice and all that, mamma, but I shall never marry a foreigner.

BURGLAR IS LEFT FORTUNE

(United Press Leased Wire.)

Pittsburg, Penn., May 15.—Howard Hall, a burglar, serving a seven-year sentence at Riverside penitentiary, has fallen heir to $50,000 through the death of an uncle in Allegheny. Hall has yet five years of his time to serve and has offered to turn over all of his new fortune to anyone who will get him out of prison at once. The Pittsburg police and L. B. Cooke, an attorney, who is handling the estate for the burglar, refuse to divulge the name of the dead relative, saying he made his will and died in ignorance of the fact that his nephew was in jail.

CAMERA STOPS CUPID

(United Press Leased Wire.)

San Francisco, May 15.—What was to have been an elopement, with Harry Norman Child, son of a Spokane banker, and Miss Gladys Cummings, daughter of a local sculptor, both attending the University of California, were the principals, was rudely interfered with by the camera of a newspaper photographer.

The couple went to the San Rafael county clerk's office. After the clerk had expressed some doubts as to the ages of the couple, he gave them a license. Child dashed away to a jewelry store, where the wedding ring was bought. They were unconscious that a newspaper photographer, who had guessed the object of their visit was watching their movements.

Afte rthe ring had been purchased he approached Child, introduced himself and asked for permission to take a picture. The young man gasped, while Miss Cummings pleaded with the photographer not to say anything about the incident.

Child rushed back to the county clerk's office and cancelled the license and later threw the ring into the bay.

SECRETARY WILSON TO QUIT OFFICE

Washington, May 15.—After serving 11 years continuously through four administrations, James Wilson, secretary of agriculture, has informed his friends that he intends to resign before President Roosevelt has finished his term of office.

Secretary Wilson entered President McKinley's cabinet on March 5, 1897. Some of his friends are trying to persuade him to remain in office until the President's term expires, but he is not inclined to do so. In the event of his resignation it is probable that President Roosevelt will appoint Forester Gifford Pinchot to suceed him. Pinchot's work has pleased the President.

OIL KING IS NOT A SOCIALIST

(United Press Leased Wire.)

Pocantico Hills, N. Y., May 15.—"Who is this man Robert Hunter?" asked John D. Rockefeller today, when told that Hunter had informed the delegates assembled in the Socialist convention in Chicago that the oil king was a Socialist, and that he had brought Dr. Aked over here from England to be pastor of his church because the latter believed in Socialistic principles.

"That's the mildest of all the cruel things I have been called," he continued. "I wish someone would tell me who this great seer is. Such a statement as he made stir up discontent; they do no good. If he is correctly quoted and if he really thinks he has the right figures on me, let him hold to that opinion. Don't spoil his deduction. It cannot hardly be said that I brought Dr. Aked here. Ask him. He'll settle that point for you. Anyway, this fellow Hunter is not going to worry me. Gold is more important. By the way, the links were great yesterday."

Chicago, May 14.—Officials of Lake county, Ind., today began a search for Mr. and Mrs. Henry Van Kuren, formerly of Hobard, Indiana, in an effort to solve one of the most baffling mysteries of years—that of how the body of a young girl came to be in a grave which was believed to be empty, but had once been occupied by the corpse of Phillip Snyder, of Lake Station, Ind.
