

STUBBORN STOMACH TROUBLE

An Iowa Woman Cured by the Tonic Treatment After Giving Up Hope of Ever Getting Well.

The symptoms of stomach trouble vary. Some victims have a ravenous appetite, some loathe the sight of food. Often there is a feeling as of weight on the chest, a full feeling in the throat. Sometimes the gas presses on the heart and leads the sufferer to think he has heart disease. Sick headache is a frequent and distressing symptom.

Mrs. Emma M. Mayne, of 635 Second avenue, Clinton, Iowa, was cured of stomach trouble by Dr. Williams' Pink Pills after suffering for a long time and having given up all hope of getting well. Mr. and Mrs. Mayne have lived in Clinton for over 25 years and are both prominent in fraternal society circles. Mr. Mayne is an Odd Fellow and is employed on the C. & N. W. R. R.

"I had brought up a family of five children," says Mrs. Mayne, "and had just worked myself out. While in this run-down condition I began to have stomach trouble. I could not eat with any relish and had deadly sick, vomiting spells, when my stomach would get rid of a dark greenish fluid. I had terrible headaches, could not sleep well and became very thin.

"I took medicine from doctors here and consulted a specialist in Chicago but did not get much benefit. I had been sick for about two years, when a niece, who had taken Dr. Williams' Pink Pills with benefit, urged me to try them. A few boxes entirely cured me and I have since had the greatest faith in them."

Dr. Williams' Pink Pills are guaranteed to be safe and harmless to the most delicate constitution. They contain no morphine, opiate, narcotic nor anything to cause a drug habit. They do not act on the bowels but they actually make new blood and strengthen the nerves. If you want good health you must have good blood. Bad blood is the root of all common diseases, like anaemia, rheumatism, sciatica, neuralgia, St. Vitus' dance, nervousness, indigestion, debility, general weakness, paralysis, locomotor ataxia and the special ailments that only women-folk know. The only way to cure these diseases is to strike at their cause in the blood.

Dr. Williams' Pink Pills are sold by all druggists, or will be sent, post-paid, on receipt of price 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

BASEBALL BITS

BY JOCK

Al. Prevost will be the speaker of the diamond next Saturday and Sunday. Without discrediting other umpires who have officiated in the city, Alex Cheyne, who has been in Salem for four games, is there like a duck, and don't have to shy away from the best of them in the business. A genuine umpire must be a man well versed in the baseball guide book, or there is always a big holler coming from the players, and on the other hand, he must have an eye like a hawk when a base runner is in action or get a good hard rap from the spectators.

The Cherry Pickers are holding councils of war about every evening this week, and all kinds of new fancy plays are being invented. Whether or not they can be pulled off successfully against the West Portlanders, remains to be seen.

A good rain shower Saturday and Sunday, will be a good help to the farmers, but how about those ball games scheduled on that date, which the fans would rather see than eat?

The name "Frakes" is to be no more, providing everyone respects the wishes of the manager of that team, as their handle will be "West Portland" hereafter. No doubt the name Frakes, sounds just a trifle too suggestive, or may be mistaken for a patent medicine.

A business man in the city is going to present the Cherry Pickers with four new bats providing they get away with their game Saturday, and another has agreed to kick in with a dozen hamburger sandwiches. The team could put up a much stronger game, should the last mentioned gift be presented at the beginning of the game.

The West Portland aggregation has a few men who are reputed to be mighty fleet of foot. Too bad the bases are not farther apart on the local league diamond so that the spectators could see a few world records busted.

Dave Edwards says Salem will win one out of the two if they have to mark the cards. That will be alright, Dave, providing the umps, don't see you do it.

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles. A Salem Citizen Shows How To Cure Them.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It cures all ills which are caused by weak or diseased kidneys. Salem people testify to permanent cures.

W. C. Johnston, gardner, of 1021 Mill street, Salem, Ore., says: "I had the grip a year ago this September and I believe it left me with kidney trouble. At any rate I suffered with pains in the small of my back and aching at night. In the morning when I arose, I felt lame and sore and tired very easily and often felt languid. Occasionally there were attacks of headaches and dizzy spells and often there were specks before my eyes. The kidney secretions were irregular and unnatural in appearance. The relief I obtained from Doan's Kidney Pills was very great. I felt better after taking the first box and I now feel in better health than for a long time. Every kidney sufferer should use Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Salmon Again Scarce.

(Oregon Observer.)

Ten days of salmon fishing in the Columbia river show the salmon supply still on the wane. This is the season of the finest salmon of the river—the best in the world. Soon these fish will be an extinct breed. They are the fish that made the Columbia river famous. The few remaining specimens should be protected with closed season. The open season should be put off from April 15 to May 15. After that there should be the closed Sunday and rigid regulation of all kinds of gear—gillnets, traps, seines and wheels.

Master Fish Warden Van Dusen quits his office May 1, leaving the industry in a bad plight. It is too much to say that he is wholly to blame for this condition of affairs. But the fish faction with which he has been allied is as much to blame as any other, and none is more grasping and none has defeated as much remedial legislation.—From the Oregonian, April 27th, 1908.

The U. S. Bureau of Fisheries has for a long time been endeavoring to secure just such remedial legislation as is being objected to by the lower river interests. A short time ago Secretary Strauss, of the U. S. department of commerce and labor, set forth a list of things necessary to save the industry. Initiative bill—No. 318 X yes—was framed to carry out their ideas. We commend it to your favorable consideration.

Kenedy's Laxative Cough Syrup does not constipate, but on the other hand its laxative principles gently move the bowels. Children like it. Sold by all druggists.

The Modesty of Women

Naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispensed with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debility, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients, will be found in a pamphlet wrapped around the bottle, also in a booklet mailed free on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days refuse on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of known composition. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent free on receipt of stamps to pay expense of mailing only. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound. If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

Dr. Pierce's Pleasant Pellets invigorate and regulate stomach, liver and bowels.
