D-W.

To the People of Marion County:

Having accepted the nomination on the Democratic ticket for representative, I do hereby declare myself unqualifiedly in favor of the election of United States Senators by direct vote of the people.

DR. W. S. MOTT.

CASTORIA. The Kind You Have Always Bought. Signature of Chas. H. Thatcher

Driving the Bourne supporters and the supporters of Statement No. 1 out of the Republican party will not work. They are just as good Republicans as the men who vote for a Democrat for the United States senate to drive Republicans in the legislature to vote for a sack candidate.

THE PLAN OF THE MACHINE is to defeat the regular Republican nominee for the United States senate, Hon. H. M. Cake, then cry "I told you so. See what the Direct Primary law has done for the Republican party."

That was the program two years ago when all the machine leaders voted for Gearin, Democrat, and had planned to repeal the Primary law, BUT IT DID NOT WORK.

The machine led by the Oregonian will undertake the same thing again, but will again defeat itself, because Cake or Chamberlain if given the popular vote, will be seated by the legislature, and the Direct Primary law and Statement No. 1 will not be repealed.

The way for Republicans to uphold the law and elect a Republican United States senator is to vote solidly for H. M. Cake.

HURRAH FOR NEWPORT.

Saturday a train load of valley people went over to Newport to be there in time to see the fleet go by Wednesday morning.

Among them were many people who are looking for cottages already AND SOME GOING OVER TO BUILD NEW ONES.

It was a great stroke of enterprise for the Newport Board of Trade to get that fleet concession at their port.

Thousands of Oregon people who would never have had a sight of the greatest fleet in the world in one body but for their action.

It will be a great advertisement for Newport, and the present outlook is that the pretty little summer resort HAS A GREATER FUTURE THAN EVER.

The time will come when the embargo will be removed from commerce—the same embargo—that is on the whole western part of the state—and Newport will get regular steamer service.

It is an outrage on the whole of western Oregon that water transportation in and out of that harbor cannot be had, and the railroad compelled TO HAUL FREIGHT FROM THERE TO THE INTERIOR.

Some day—when we are all dead or alive—that wrong will be righted.

DESPISE BEING GRAFTED.

The newspapers of this country despise the many petty grafts of the federal government.

There is not a mail but some department or bureau makes an appeal for space to EXTEND ITS HOLD ON THE PEOPLE.

The war department asks us to print columns of stuff enlarging the scope of its demands.

The department of agriculture almost every day asks us to print articles BOOSTING ITS SERVICES.

The forestry department reaches us each day almost telling of its wonderful services to the dear people.

The civil service bureau asks free publications of how it is PROTECTING THE OFFICE-HOLDING CLASSES FROM REMOVAL.

The irrigation and reclamation service asks space to exploit its great achievements for humanity.

The Alaska-Yukon commission wants columns to help get up an exhibit, and THE NEWSPAPERS MUST MAKE IT A SUCCESS.

The postoffice department makes one ruling after another against the newspapers, until it is hard to mail any papers at all.

This paper objects to becoming a mere echo or mouthpiece for THE OFFICIAL CLASS THAT IS RIDING THE PEOPLE.

We are looking for grafts to expose and are not in the business of tooting the horn of the predatory classes.

Cut them down, keep them down, is our motto, or they will be greater than the people, AND NOT AMENABLE TO PUBLIC SENTIMENT.

Too much government, too much officialism, leaves the people no freedom whatever, and nothing to do but dig, with about every third person an office-holder, pauperizing the masses.

A WORD WITH THE DEMOCRAT MAN.

The Albany Democrat man shows a very intolerant spirit in referring to this paper as a whiskey paper.

He is a Prohibitionist, and the editor of this paper believes in real local option and LICENSE REGULATION OF THE LIQUOR TRAFFIC.

We believe with Cardinal Gibbons, that local option and prohibition may be a success for the smaller towns and country neighborhoods, but that the problem in the cities IS ONE OF REGULATION.

For believing that we are classed by the Albany Democrat man as a whiskey booster; because we will not masquerade as a Prohibitionist by supporting a mischievous local option law, we are all bad.

Only a man of intellectual calibre so small that he would pass through the eye of a needle WITHOUT TOUCHING THE SIDES OF THE HOLE can take such an attitude.

Has the Democrat man any proof that Albany is any better morally as a dry town than it was when it had saloons?

Will he join us in saying that ALCOHOL HAS NO MERIT WHATSOEVER FOR MEDICINAL PURPOSES? No, because the local option law is a drugstore monopoly for professional hypocrites to get what they want by lying.

He pretends to be a religious man, but has he enough faith in God to cut out stimulants when he gets sick?

Does he have enough faith in the Bible to rely on its promises or

DOES HE RELY ON DRUGS AND PATENT MEDICINES?

We have far more respect for the man who drinks or smokes and is not a hypocrite about it than we have for the pharisaical holier-than-thou individual, WHO IS ALWAYS CALLING HIS NEIGHBOR DOWN.

This world is big enough for people to live in if they do not all agree as to ways and means of reforming men.

This is the downward course of kidney ills.

Don't take this course. Follow the advice of a Salem citizen.

N. S. Williams, of 239 Liberty street, Salem, Oregon, says: "A number of years ago the doctors told me my kidneys were in bad shape. I came west on account of the trouble, thinking the change of climate would help me but nothing I did gave me relief in spite of the use of remedies and medical treatment. On procuring Doan's Kidney Pills I found them the best medicine I ever used. At the time I got them I was suffering from an intense burning sensation a six two live coals were placed directly over the kidneys, the secretions from the kidneys, were irregular and unnatural. After using two boxes of Doan's Kidney Pills, I did not have the least pain in my back or trouble with the kidneys. I give all the credit to Doan's Kidney Pills."
