Sour Stomach

"I used Cascarets and feel like a new man. I have been a sufferer from dyspepsia and sour stomach for the last two years. I have been taking medicine and other drugs, but could find no relief only for a short time. I will recommend Cascarets to my friends as the only thing for indigestion and sour stomach and to keep the bowels in good condition. They are very nice to eat."

YOUNG REPUBLICANS

WILL BURN RED FIRE

The Salem Young Men's Republican club held an enthusiastic meeting Friday night at the city hall to make arrangements to properly welcome the Republican speakers in this city next Wednesday night. Speakers from Portland will be present, and the whole county ticket will be included in the jollification.

There will be a torchlight parade, fireworks and red fire burned on the streets and good old-fashioned Republican blowout such as happens when things are doing all along the line.

The secretary was instructed to convey the regrets of the club to Sam Hughes of the legislative ticket who is very ill at home with la grippe.

An executive committee was created of two from each ward who are to do duty in warning out the first voters, and who will be workers at the polls on election day.

A committee to raise funds was appointed, the county and state committeemen being present and pledging their hearty support.

A committee of three was also appointed to prepare an address on behalf of the Young Men's Republican club to the Republican voters and same to be published in the press.

Some of the old party war horses were present and did a little snorting for the edification of the youngsters, and some of the colts made enthusiastic speeches.

Victory will perch on the Republican banners if all Republicans enter into the fight with the vim of the Young Men's club.
