

SCHOOL GIRLS

Most of our ambitious young American girls work too hard at school.

Many teachers have little or no judgment about pushing a child beyond her endurance. They ought to know that girls especially have a danger period. Often, too often, utter physical collapse is the result, and it takes years and years to recover lost vitality.

Many a young girl has been helped over this critical period, and been prepared for a healthy womanhood by

To Cure Rheumatism

The excessive accumulation of uric acid must be eradicated from the system. Dr. Miles' Nervine used as directed for rheumatism, is alkaline in nature. It neutralizes this acid, and its soothing effect upon the irritated condition of the nerves relieves pain and induces sleep and rest.

"I was suddenly taken with a severe pain in my foot. My physician could not tell what was the trouble. In a few days I had the same trouble with the other foot. I was so crippled that I could scarcely walk and at times I had to crawl on my hands and knees from my bed down stairs. After having my shoes on for an hour or two I could manage to walk by suffering the pain. I suffered more or less all summer, and tried almost everything but got no relief. Then I began to have pains all through my system. My doctor told me I had an acute attack of inflammatory rheumatism. I was in the hospital for weeks, but I was scarcely able to walk when I left it. I read about Dr. Miles' Nervine, bought a bottle and also wrote the Miles Medical Co. for advice. They advised me to add salicylate of soda to the Nervine, and I commenced to get better from the start and for the last six months have scarcely any pain, and am able to walk as well as ever."
JAS. H. SANDERS,
P. O. Box 5, Rockaway, N. J.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
