The battleship fleet of the United States which has just completed its memorable cruise around the Horn will be on Puget sound about May 21st to May 30th. In order to give the people of Oregon an opportunity to witness the maneuvers and inspect the fleet, the Southern Pacific will sell round trip tickets from Salem to Seattle for \$9.70; from Salem to Tacoma for \$8, under the following conditions:

Sale Dates—May 21st and 22nd to Seattle, and May 25th and 26th, 1906, to Tacoma.
Limits—Continuous passage in both directions with a final return limit of 14 days from date of sale.
This is an opportune time for the Cherry City to run an excursion to Seattle.

Voters will not be switched from standing by principle by any personal abuse of candidates.

Vote for Cake and down the old, rotten Portland machine.

The reason why every voter should vote for the lower river fishery bill is because the fish-wheel is a machine.

Vote down every machine proposition, including the upper Columbia fisheries bill, No. 319. It is a machine measure.

The fish wheel bill is a machine measure and should be voted down.

Woodburn Independent, Rep: "The machine Republicans did more for the direct primary and Statement No. 1 last Thursday at the state convention, than the most earnest advocates of these two methods could accomplish in several seasons. The common people were again impressed with a practical exemplification of machine politics—a slate, the triumph and consequent exultant cheers that made hearers weep. The love of the Republican party was lost sight of and the love of faction predominated to a disgusting extent. In one sense, it was a "got even" convention, dominated by one man, who gave a demonstration that his faction was stronger even if he were defeated by his party. Instead of vomiting, the people of Oregon smile. While the large majority are not for Taft, still they smile. It was a distinct victory for the people on account of the afterglow. It was a momentary victory for machine Republicans. The play being now over, let us ring down the curtain and await the next production on June 1.

Deafness Cannot be Cured. by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

Bad Attack of Dysentery Cured. "An honored citizen of this town was suffering from a severe attack of dysentery. He told a friend if he could obtain a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, he felt confident of being cured, he having used this remedy in the West. He was told that I kept it in stock and lost no time in obtaining it, and was promptly cured," says M. J. Leach, druggist, of Wolcott, Vt. For sale by Dr. Stone's drug store.

It Settles Down to the

Remington

This is the testimony of every typewriter user who knows by experience the relative performance of writing machines.

The man of all men who swears by the Remington is the man who has tried to get the same service out of some other machine.

A man may know the Remington or he may know some other typewriter, but the man who really knows typewriters is the man who knows the difference between the Remington and others.
