## REFRIGERATORS

Year after year the Automatic Refrigerator "the chest with the chill in it," increases in popularity because succeeding years prove that the merits we have claimed for it are founded on fact. We have said it was sanitary, that the system of refrigeration was effective because it was scientific, that it was an ice saver, and that it was substantially built. Call and have these facts proven to you.

## PORCH SHADES

Your opportunity is now at hand. Equip your porch with the celebrated Vudor Shades and you have added a cool pleasant room to your home. The Vudor Shades must not be confused with the ordinary canvas or bamboo screens which are unsightly and hold the heat. Vudor shades are made of thin flat strips of Linden wood fibre closely bound by strong Seltie Twine in the lock stitch weave, and are stained in soft pleasing colors that will not fade.
