

Hard Coughs

If your doctor fully endorses your taking Ayer's Cherry Pectoral for your hard cough, then buy it and use it. If he does not, then do not take a single dose of it. He knows all about this splendid medicine for coughs and colds.

TEN TELL OF SCHOOL VISITING.

It is well known that it is the custom of the G. A. R. post of this city to send committees of veterans to the schools of Salem on the preceding Memorial Day, not so generally known reports are made by said committees to the post of their reception at the schools and of the programs given by the pupils, etc. That the reports may know what these reports were was determined by the committee at its last meeting to furnish reports to the press for publication.

High School.

The committee detailed to visit the high school beg leave to report, carried out the orders of the committee and visited the school, making talks to the pupils which was a difficult matter to do as the school had prepared no program for the occasion. Your committee was greatly assisted in their work by comrade J. S. Bliss, of the 9th Iowa Infantry, who addressed the school and exhibited a flag carried by him through many hard fought battles.

North School.

The committee reported the usual interest and preparation in the Lincoln school, which is equivalent to saying that the program was patriotic and appropriate to the occasion. The pupils acquitted themselves with honor to the satisfaction of the visitors. In this school there was no lack of flags and patriotic emblems, and the closest attention was given to the remarks made by the veterans.

CENTRAL SCHOOL.

The committee to visit the East school would respectfully report that they were enthusiastically received by both pupils and teachers, and found the room profusely decorated with flags, flowers and bright children. The program of song and speech was excellent in detail and was of that patriotic

cast which ever warms the heart of the veteran soldier. Never was the most gifted orator listened to with closer attention and eagerness to catch his every word, than were the few disconnected words of your committee while relating experiences in camp, on the battle field and the prison pen.

At the close of the exercises the members of the committee were literally deluged with floral bouquets.

E. L. BRIGGS,
J. P. ROBERTSON,
Committee.

Yew Park School.

We, your committee who was appointed to visit the Yew Park school, beg leave to report that a most fitting and appropriate program was rendered, and that both teachers and pupils seemed to work in harmony to make the occasion one which would tend to teach loyalty and patriotism. Flags were everywhere in evidence. Your committee was greatly assisted in their work by comrade J. S. Bliss, of the 9th Iowa Infantry, who addressed the school and exhibited a flag carried by him through many hard fought battles.

GIDEON STOLTZ, JAMES BATCHELOR, Committee.

LINCOLN SCHOOL.

The committee reported the usual interest and preparation in the Lincoln school, which is equivalent to saying that the program was patriotic and appropriate to the occasion. The pupils acquitted themselves with honor to the satisfaction of the visitors. In this school there was no lack of flags and patriotic emblems, and the closest attention was given to the remarks made by the veterans.

F. A. THOMPSON, FER KRUZ, Committee.

Sacred Heart Academy.

Your committee was warmly greeted by the Sister Superior and conducted to the school-room where the pupils were assembled. The room was tastefully decorated with the flag of our country and beautiful wreaths and bouquets of flowers. The program, though not long, was patriotic and appropriate. It consisted of songs and an address to the flag. The singing was excellent and the address indicated that the Sacred Heart Academy gave more than a passing attention to the teaching of eloquence as well as the art of music.

D. WEBSTER, Committee.

State Reform School.

This school had not been notified of the purpose of the committee to visit them so were not prepared with a set program. The committee were received with much enthusiasm, however, and made to feel that they were among patriotic boys and young men. They rendered some patriotic music and decorated two

graves, in which your committee assisted. Upon the whole the occasion was befitting the day and was a credit to the school.

T. RADECLIFFE,
Committee.

ECZEMA PATIENT LOST HOPE.

But Ordinary Oil of Wintergreen Quickly Cured This Woman.

After treating for Eczema with six different doctors, Mrs. J. A. Wheeler, of Wellington, Ohio, was completely cured by pure vegetable oil of wintergreen. This oil alone could not cure, but she used this oil as compounded with glycerine, etc., in D. D. D. Prescription.

"I feel it my duty to say what a wonderful cure D. D. D. has been for me," writes Mrs. Wheeler. "I was cured a year ago last fall, but did not dare write because I was not sure the cure would be permanent. I had doctored with six doctors and they all said it was seldom, if ever, a case like mine was cured. I think I used only four bottles of cured. If I ever needed D. D. D. again, I would be willing to pay \$5.00 a bottle."

This remedy, and also D. D. D. Soap are sold by and recommended because we know their merits. We certainly would not recommend them to our neighbors and patrons if we did not positively know of the wonderful results that D. D. D. brings to all kinds of eczematous diseases.
