-SMILES-

Roseburg has a lady boosters club.

It should never be forgotten that while Mr. Calk got his nomination by a square fight for Statement No. 1, he was forced to run on a platform that repudiated Statement No. 1 and that the state convention kicked out any Statement No. 1 Republican out of the party and named only opponents of that principle for delegates to the national convention. Was that Republicanism?

In the parade of floats from different Oregon cities at Portland St. Johns won. It's a cold day when that town isn't scoring on something.

Al Mishler seems to be the very successful Woodburn booster. He is secretary of the Woodburn Immigration Bureau and has put City Park Addition on the market. He seems to demonstrate that a live real estate man is a host of power to boost any town into prominence.

Mayor Stilts, the new head of the Klamath Falls city government, makes a strong plea in his message to the city council for sound finance in the management of public business. He wants "carefulness and economy as opposed to parsimoniousness and niggardliness." Dazzle it!

Woodburn, probably the largest precinct in the state, and two-thirds Republican, gave Calk one plurality. The precinct was strongly for Statement No. 1, yet the bosses forced all that kind of Republican to get down on their knees for mercy.

It's all right for a young lady's lips to be chapped—by the wind.

The Linn county grange has started a fight for one board of trustees for the U. of O. and O. A. C., and cutting out all duplication of courses.

The fish wheels will have to go. It was not a good season for machines. The spring was backward.

Bryan has another book to sell. Oh, no; politics don't pay. Between his lectures and his books and his politics, Bryan is rapidly becoming a millionaire.

Mrs. Dunniway attributes the defeat of Woman Suffrage to Prohibition. One class of voters will say: "That's all right. It's a pity they wouldn't have defeated one another like the two fish bills." But the people know what they want. Great Allah!

For a Sprained Ankle.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each application a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by Dr. Stone's drug store.

The people use more sense than the state legislature anyway.

A Grand Family Medicine. "It gives me pleasure to speak a word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Ouston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for the back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at J. P. Ryan's drug store. 50c.

The Swine and the Flower. "I saw a huge and loathsome sty, wherein a drove of wallowing swine were barred, whose banquet shocked the nostril and the eye; an spoke a voice, 'Behold the source of loathsome life!'" "I saw a field that seemed at first a glowing mass of roses pure and white, whose dewy buds 'mid dark green foliage nursed; as I lingered o'er the lovely sight, a summer breeze, that cooled that Southern scene, wafted 'Behold the source of COTTOLINE!"

"RAILROAD TOO SLOW," SAYS MAYOR RODGERS

According to Mayor Rodgers it appears that Manager Page of the Portland Railway, Light & Power company has been too slow in getting his track on State street in condition. The grading of the track is far from complete, and the paving company cannot proceed until the work of the streetcar company is finished.

This evening the mayor and Councilman Stoltz, of the street committee will wait upon Manager Page and urge upon him the necessity of finishing the work upon the car track immediately. It is also stated that the railway company's building material has for some time past been blocking the street and impeding traffic. The authorities have notified the railway company to remove this material, but so far the officials have paid no attention to it.

EASILY DECIDED.

This Question Should Be Answered Easily by Salem People.

Which is wiser to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

W. J. Carlton, of 1446 Third st., Salem, Ore., says: "Doan's Kidney Pills, which I procured at Dr. Stone's drug store, not only strengthened my kidneys but they speedily removed the backache and lameness. A remedy that acts with such prompt and beneficial results as Doan's Kidney Pills is worthy of all confidence. I can conscientiously recommend them to others for I know I never had any melancoly of the kind equal to them for curing backache and kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's and take no other.

Three Oregon athletes hold world records: Forest Smithson, high hurdles 15-1.5 seconds; A. C. Gilbert pole vault 12 feet 7 3/4 inches; Dan Kelley, 100-yard dash, 9 3-5 seconds. Oregon against the world.

COFFEE

Poor coffee has to be sold in bulk, it isn't worth packing.

Your grocer returns your money if you don't like Schilling's. We pay him.

It is to be hoped the statements about Mr. Fulton in reference to the Statement No. 1 men not voting for Gov. Chamberlain are not true, as it is difficult to think of his taking such a dishonorable course.

No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Dr. Stone's drug store.

The Telegram says that already attempts have been made to bribe Statement No. 1 men. Every effort will be made to defeat the will of the people, but it will fail.

Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are proud engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by Dr. Stone's drug store.

Resigns as Right of Way Agent.

Mr. John Running, who has been in charge of right of way matters for the Oregon Electric Railway company, has resigned to devote his entire attention to private enterprises. He is engaged in promoting with R. L. Donald, formerly with Barstow & Company, constructing engineers. Vice President Talbot has announced the appointment of Mr. G. B. McDowell to succeed Mr. Running with full charge of all right of way matters in which the Oregon Electric company is interested. 6-8-31.

The Story of a Medicine.

Its name—"Golden Medical Discovery"—was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, added by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol, so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, or dyspepsia, torpid liver, or biliousness and kindred derangements was first made as it ever since has been, without a particle of alcohol in its make-up.

A glance at the full list of its ingredients, printed on every bottle-wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the strictest endorsement from the leading medical experts, doctors and writers on *Medical Discoveries for the Diseases for which "Golden Medical Discovery" is Advised.*

A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the Doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will. It will cure the affections that lead up to consumption, if taken in time.
