HURRY UP THE BRIDGE.

It is to be hoped travel on the big bridge will not be interrupted too long.

Of course, if it were a railroad bridge travel **WOULD NOT BE INTERRUPTED OVER THREE HOURS.**

Yet there is as much travel in tons and people over that bridge as over almost any railroad bridge.

If the city were besieged that bridge would be made passable in a few hours, yet the farmers and the fruit growers **ARE BESIEGED TO GET THEIR STUFF TO MARKET.**

The merchants of this city hope the county court will in some way induce the contractor to put in a temporary crossing, and take his time to build the broken span permanently.

THE CHERRY FAIR.

The determination to make the annual cherry fair a great local three-day event was a wise one.

We are too stiff and solemn and sedate about these events, **AND WE TAKE OUR PLEASURES TOO SADLY.**

A three-day street fair and carnival with the cherry fair will be a great big thing for our city.

Hitching on the ladies and making a sweet peas and flower show **WILL ADD GREATLY TO THE ATTRACTIONS.**

Cherries in themselves and alone are important but are not so very exciting, and flowers and a carnival will help out.

Let there be music and illuminations, and general enjoyment on the open streets. Let the people enjoy themselves.

NEW LAND FRAUD AGITATION.

The people have not much reason to expect any substantial results from the land fraud prosecutions in Umatilla county.

In the first place the Heney land fraud cases have mostly **GONE UP IN POLITICAL SMOKE.**

In the next place if the lands alleged to have been stolen are returned to the government they will simply be grabbed by new monopoly methods.

The big holdings in Oregon by individuals and corporations, ranging all the way from 10,000 to 3,000,000 acres are the **WORST OBSTACLE TO THE RATIONAL DEVELOPMENT OF THE STATE.**

There is not a particle of doubt that technical evasions of the laws were resorted to in nearly every case to secure these blocks of public land.

There is not any room to doubt that the state and federal courts **WILL UPHOLD ALL THESE LAND MONOPOLIES AS VESTED RIGHTS.** Then what remedy have the people? What show is there to get these immense holdings, that lie across the path of civilization, broken up?

Absolutely none under the present constitution and legal status of these holdings. Nonsense will not solve the problem. What will?

FUNERAL OF J.Q. BARNES

With impressive military ritual, the remains of J. Q. Barnes, late captain of the 73d Ohio regiment, and honored resident of this city, were laid to rest by the local post of the G. A. R. yesterday afternoon at City View cemetery.

At 2:30 p. m. the Grand Army veterans assembled at their hall and marched to the Barnes residence on Court street, where Rev. W. H. Selleck preached the eloquent funeral sermon. The charge of the ceremony was then turned over to the G. A. R. The funeral procession proceeded to the cemetery, the members of the Grand Army and the Woman's Relief Corps marching to the Willamette hotel, whence they were taken to City View in two special cars.

At the grave the beautiful and impressive army ritual was performed. The bier, covered with the Stars and Stripes, was carried by veterans L. K. Page, T. C. Smith, A. W. Drager, Daniel Webster, G. P. Litchfield, and D. W. Mathews. At the conclusion of the ceremony the colors were dipped over the grave of the dead veteran, a member of the National Guard sounded taps, and the military band played "Nearer My God to Thee."

The solemn occasion brought home the fact anew to the old soldiers that time is unceasingly thinning the ranks of the sword, and that each year grows "louder and louder the battle cry of heroes that camp on the unseen shore." Rev. Selleck's touching reference to this fact in his prayer and benediction brought tears to the eyes of many of the assembled veterans. At the end of the prayer the minister aptly paraphrased the scriptural injunction, saying, "Well done, thou good and faithful soldier. Thou hast been faithful unto a few things; I will make thee ruler over many things."

A Grand Family Medicine.
 "It gives me pleasure to speak a good word for Electric Bitters," writes Mr. Frank Conlan of No. 436 Houston St., New York. "It's a grand family medicine for dyspepsia and liver complications; while for lame back and weak kidneys it cannot be too highly recommended." Electric Bitters regulate the digestive functions, purify the blood, and impart renewed vigor and vitality to the weak and debilitated of both sexes. Sold under guarantee at J. C. Perry's drug store, 50c.

Bucklen's Arnica Salve Wins.
 Tom Moore, of Rural Route 1, Cochran, Ga., writes: "I had a bad sore come on the instep of my foot and could find nothing that would heal it until I applied Bucklen's Arnica Salve. Less than half of a 25 cent box won the day for me by affecting a perfect cure." Sold under guarantee at J. C. Perry's drug store.

People will please note that there are many contests growing out of nominations by conventions and election of delegates in other states, but no contests growing out of the direct primary in Oregon. The convention system results in a premium on frauds and trickery.

Poison Oak Poisoning.
 Ballard's Snow Liniment cures it. Mr. O. H. P. Cornelius, Turner, Ore., writes—My wife has discovered that Snow Liniment cures "Poison Oak Poisoning," a very painful trouble, herself, but on two of her friends. She not only cured a case of it on who were poisoned by this same ivy. Price 25c, 50c and \$1.00.

Klamath Falls having gone "dry" will levy an occupation tax on all other lines of business to supply the \$5000 deficit that saloons formerly paid.

For a Sprained Ankle.
 As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by Dr. Stone's drug store.

Judge Prouty defeated Congressman Hull of Des Moines, Ia., district by one vote for the nomination. Hull will contest.

The Big Head.
 Is of two kinds—conceit and the big head that comes from a sick headache. Does your head ever feel like a gourd and your brain feel loose and sore? You can cure it in no time by acting on your liver with Ballard's Herbine. Isn't it worth trying for the absolute and certain relief you'll get? Sold by all dealers.

The political situation Sunday was that Bryan and Taft would each be nominated on the first ballot, and that a ticket made up of Hughes and LaFollette is to be launched independent.

No Need of Suffering from Rheumatism.
 It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Dr. Stone's drug store.

Two venues have been used up in the McCaslin murder trial at Heppner and no jury yet.
