OREGON ELECTRIC WINS OUT IN CITY COUNCIL

NO PENALTY CLAUSE IN FRANCHISE—BICYCLE ORDINANCE PASSED—ASSESSMENT AND GRADING ORDINANCES.

With practically no opposition on the part of those who heretofore have been adverse to the extension of further franchises to the Oregon Electric Railway company, the council last night reconsidered its action on the franchise voted at the meeting last Monday, struck out the penalty and forfeiture clause from the franchise, substituted for it a clause favorable to the company, and passed the amended franchise with but one dissenting vote.

The action of the council last night evidenced a remarkable change of attitude, scarcely any discussion following the amendments which were introduced and voted upon. Hardly had the meeting been called to order when a motion to reconsider the vote of last Monday was unanimously carried. After the transaction of some minor business Councilman Stoltz took up the matter of the Oregon Electric Railway company's franchise, the vote on which had been reconsidered early in the evening. He moved that the council resolve itself into a committee of the whole, which was carried.

Councilman Eldridge moved that the last part of section 8 and the whole of section 9, relating to the penalty for the violating of the franchise be stricken out. He then offered an amendment to take the place of section 9. The new section reads as follows: "The city council shall reserve the right at any time to compel the company to fulfill the provisions of this franchise."

Greenbaum offered the following amendment: "The city reserves the right to fix by ordinance the penalties for violation of any of the provisions of the franchise."

Eldridge amended this by substituting the word "fines" for penalties. Greenbaum consented to this, and this amendment was carried. Attorney John C. McNary addressed the council on the subject. He said: "I had hoped that this matter was settled at the last meeting, but manager Talbot informs me that the company cannot accept the franchise with this penalty clause in it. It is like regarding this company as a criminal, and suspecting it of not fulfilling its part of the franchise. The financiers of the company say that with a forfeiture clause in the franchise, they cannot accept it."

"The forfeiture clause is not a business proposition. To ask this company to accept a franchise whereby the owners are obliged to surrender their property absolutely if for any reason within the next 20 years one of the employees should leave a car on the tracks longer than half an hour in unjust. You wouldn't ask any business man to accept such a proposition. With such a clause in the franchise the company cannot sell their stock. I didn't understand the situation when I consented to this clause last week. But I understand it now, and I hope you will understand it in the same way."

A vote was then taken on Eldridge's original amendment, and it was carried. The franchise as it now stands contains no penalty clause. The bill was then read the third time and passed.

Bicycle Ordinance.

The committee on ordinances recommended that the bicycle ordinance referred to be not passed, but submitted an amendment under which bicycles riding on sidewalks should be prohibited on the south side of all streets running east and west, and on the west side of all streets running north and south, except on the portion of Court street between Church and Twelfth street and on Church street between Mill and Mission street. It also made unlawful the riding of bicycles in any public park and on the sidewalks of any paved street. The report of the committee was adopted and the amended bill was carried to the third reading and passed.

Other Proceedings.

The assessment ordinance for the improvement of Broadway was passed without discussion.

The committee on bills reported unfavorably on the bill of D. M. Rug-

VOTING CONTEST FOR GODDESS OF LIBERTY

All this week there will be free newspaper coupons published in this paper for nominating a Goddess of Liberty. Cut them out and vote your choice until Saturday night.

When the nominations are made next week there will be an election, at which balloting will take place at all the popular resorts, at five cents per ballot for a Goddess, and the

funds go into the Fourth of July fund, except \$50 that will be presented to the winning candidate, towards her trousseau.

Remember, all this week free ballots in The Capital Journal. Next week—until Saturday night, June 17 at 10 p. m., the battle will rage to elect the nominee at five cents per ballot. Cut out the coupon and vote at any popular resorts around town.

gles, the street sprinkler, for sprinkling around Wilson avenue. The report was adopted.

In the matter of the remonstrance of the Oregon Electric Railway company to the proposed improvement on Broadway, the committee reported that it had made a thorough investigation, and had found there was no agreement between the city and the company as to the grading of Broadway that the grade on Broadway was correct and that the company should be required to place their tracks on the established grades on that street.

The remonstrance to the improvements was re-read in connection with the report, also the report of City Engineer Parrott, who said that the grade on Broadway was correct, and that the grade established by the railroad company on North High street was too high. Parrott recommended the lowering of the trestle one and one-half feet over North Mill creek. He thought however that it would not be necessary to do this immediately.

A plan of the railroad on Broadway and on High street was submitted, showing the present grades, and the proposed grades along the line.

Councilman Stoltz moved that the report of the committee be adopted, and that the grades of Engineer Tilmon be made the permanent grade. The report was adopted.

A petition from several property owners along the Mill creek in East Salem was read. The petition asked for the services of the city engineer to establish a grade to aid them in making ditches to drain their property, which for several weeks of the year is under water. Dr. Steiner addressed the council on the matter and advised that the council act favorably upon the petition. The petition was referred to the street committee.

The controversy over the Englehart sidewalk in South Salem was indefinitely postponed.

The matter of a new dog-catcher ordinance was referred to ordinance committee. Manager Page, of the Portland Railway, Light & Power company was granted the right to take off the depot car service and increase the Yew Park service to a 10-minute car.

Paving assessments were put through on State street, on High street between State and Court, and crosswalks were ordered built over Eighteenth and Nineteenth on Nebraska. A bill appropriating \$600 for the improvement of the fair grounds road was passed.

The bill for the paying of Commercial street from Trade to Center was passed. Estimated cost \$37,274.40.

FARMERS TELEPHONE OFFICIALS TO ORGANIZE

Allies Will Concentrate.

Authoritative statements have just been made to the United Press that the "allies" have decided to withdraw the names of all presidential candidates excepting La Follette and Hughes before the first ballot. Hughes and La Follette both were asked to withdraw but refused. This done it is practically certain that the nomination of Taft will not be unanimous.

M. Hyashida, chief secretary of the Japanese house of commons, has left for this country to study our election system.

MONSTER BENEFIT DANCE

The M. W. A. will give a dance at the Auditorium rink next Thursday night, June 18, at 8:30 o'clock. The floor will be in excellent condition and music will be furnished by McElroy's and the M. W. A. band. Everything will be done to make the occasion one to be remembered. An excellent program of musical numbers and illustrated songs will be given. Fifty cents admission will be charged, and the proceeds will be used to purchase uniforms for the M. W. A. band, which will play here on the Fourth. The band has only been organized a short time but by their splendid music have already won a high place among the musical organizations of this city. Everyone who wants a good time, and also good music on the Fourth, at the Cherry Fair, and other occasions should be present.
