OLD LADY DUPE OF MEDIUMS

(United Press Leased Wire.)

Bellingham, Wash., June 16—The charge was made to day that designing persons, passing themselves off as spirit mediums, have gotten Miss Josephine B. Hicks, an aged woman living in Los Angeles, Cal., completely under their influence, and are seeking by this means to take her property, some of which is in this city, away from her. Their plans have been nipped in the bud by Bellingham relatives. She is 80 years of age. Her health is feeble and she is highly susceptible to things occult and mystic. She has been completely placed under the delusion that her spiritual welfare depends upon her following the dictations of these alleged mediums. It is believed that Miss. Hicks has already conveyed a part of her holdings to one of these designing persons.

Liver Pills

Ask your doctor if he knows a better pill for a sluggish liver than Ayer's Pills. Then follow his advice.

It is impossible, simply impossible, for any one to enjoy the best of health if the bowels are constipated. Undigested material, waste products, poisonous substances, must be daily removed from the body or there will be trouble, and often serious trouble, too. Ayer's Pills aid nature, that is all. J. C. MILLARD ELECTED DIRECTOR

Alderman E. B. Millard was elected director by a considerable majority over his competitors. The vote was light, only 239 votes being cast in all precincts, and little interest taken.

The official count gave Millard 134, Eppley 64, and Baumgartner 41. The vote showed a large majority of the people in each precinct in favor of giving the school board power to purchase a school site.

The result is an endorsement of the progressive policies of the present school board, and means the erection of a new school building in the northeast section of the city.

ANNUAL SALE, TEN MILLION BOXES

INTEREST IS UNIVERSAL

People in All States Look Forward To Oregon's Cherry Fair to Be Held in July.

The widespread interest throughout the Pacific states in the rapid development of the fruit industry in Oregon and in all of the efforts of the citizens of this state to promote a still greater development, is shown by the following article taken from the Town and Country Journal, of San Francisco:

"The annual Cherry Fair at Salem, Oregon, is being looked forward to by the fruit growers of Oregon and the entire Pacific coast with keen interest. Indeed, fruit experts in all parts of the continent are watching this event, as it stands for the best exhibition of the best cherries grown anywhere in the world.

"Although the date has not been fixed for this fair in Salem, it is safe to say that it will be held early in July, as last year's date was July 10, 11 and 12. There is now every reason to believe that a large crop is in store for the cherry growers of the state for this season, as they have bloomed bountifully, and, as far as can be learned, they fully fertilized and a large crop of fruit has set."

The development of that enormous and fertile cherry district of Polk and Marion counties lying along the Willamette river and centering about Salem, is comparatively recent, yet Oregon cherries, and especially the cherries produced in that section, are already gaining considerable fame throughout the states, ont only of the Pacific coast, but of the Middle West, and of the Atlantic seaboard.

No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Dr. Stone's drug store.
