BIG VALUE TO NOMINATIONS

The Capital Journal will give to each person making a nomination which proves to be that of the winner of any of the prizes of this contest, one year's subscription to The Capital Journal. Any person has the privilege of nominating one or more candidates. Nominations should be mailed to The Capital Journal Contest Manager before July 1, as the names of the candidates will be published on that date. Candidates can be nominated after this date but it is a great advantage for each candidate to have her name in the first list published, so that friends may not agree to work for some one else not knowing who are entered in the contest. It absolutely costs nothing to nominate a candidate.

Who May Enter This Great Contest.

Any lady is eligible, providing conditions set forth below are complied with.

Every candidate must be regularly nominated on the blank printed on this page or a similar one furnished by this paper.

Candidates must reside in the district or territory from which nominated. No candidate will be permitted to transfer votes to another after receiving them for themselves.

The right is reserved to withdraw the offer in any district where only one candidate is nominated or voted for.

Ballots sent in for names not properly nominated will be destroyed uncounted.

A ballot will be printed every day during the life of contest. This ballot will count one vote. All ballots will be dated, and will be void unless received at The Capital Journal office on or before the expiration date as printed. All ballots must be sent direct to the Contest Manager of The Capital Journal, postage fully prepaid. No employe of The Capital Journal or member of any employe's family will be eligible as a candidate. Any successful candidate shall have the right to name a substitute subject to our approval if unable to take the trip.

The decision of the contest manager as to the award of the prizes shall be final and conclusive.

In accepting nominations all candidates must accept and agree to abide by the above conditions.

In case of any contestants receiving the same number of votes and there is a tie, satisfactory arrangements will be made.

ON ALL NEW SUBSCRIPTIONS we will issue double votes on the above scale. Old subscriptions will receive one-half as many votes as new subscribers.

In all cases where ballots are issued subscriptions must be paid in advance. The full amount of money must be sent direct by mail, paid to local agents, or brought to this office.

The paper will be delivered by mail or through agents, as requested.

Besides the votes given on subscriptions there will be a coupon published in each issue of the Capital Journal which when cut out and filled in, will count as one vote. These coupons must be mailed to The Capital Journal Contest Manager before the expiration printed on each ballot.

Ballots must be cut from the paper or secured by subscription.

Each nomination sent in will count FIVE votes if sent to The Capital Journal Contest Manager before Wednesday, July 1, 1908. The Capital Journal reserves the right to reject any objectionable nominations.
