

# CAPITAL JOURNAL CONTEST IS WIDELY DISCUSSED

**YOUNG LADIES TO RECEIVE MAGNIFICENT REWARDS — ANY LADY IN THE FIVE DISTRICTS IS ELIGIBLE TO COMPETE IN THIS CONTEST FOR ONE OF THE PRIZES.**

Enthusiasm in the Capital Journal's great \$1400 popular voting contest increases with every hour. Now is the time for the ladies and girls of Salem, Marion, Polk and Lincoln counties to enter their names for this contest. Never before have you had the opportunity to secure such valuable rewards for so little work. You are not asking your friends to give you anything, for they receive the full value of their money in the subscription they get.

This great popular voting contest will be the subject of much discussion in hundreds of homes all over the city and the surrounding counties, and bids fair to eclipse any thing ever attempted in this city.

The voting will soon commence in earnest and by the time the first list of candidates will be given out with the number of votes accorded to each—the contest will have an interesting foundation.

Don't fail to cut out the coupons and the nomination blanks for your favorites; also request your friends to insist on receiving the special vote coupon when paying their subscriptions as every month's subscription counts and it takes but few votes to place your candidate in the lead and secure the prestige which comes with a good beginning.

The candidates who will appear in this list will furnish many surprises to the people of Salem and the surrounding country, who will become interested in the gigantic offer of The Capital Journal.

The precaution taken by the contest manager to make this a high class proposition will be verified when this list is published and the candidates and their friends will feel a further inspiration to go out and win.

Candidates should at once interest their friends in the contest and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon cut from The Capital Journal will count for five votes for a candidate. Nomination coupon will only appear for a few days. The easiest and quickest way to win, is for candidates to ask their friends to prepay their subscription.

There is a ballot box in the Capital Journal office where the votes may be deposited for any lady whom you may see fit to vote for. If you can not bring the ballots to the office, send them in by mail to the contest manager and the votes will be accorded to the lady for whom they are intended. The votes are counted twice, so there can be no mistake as to the proper number of ballots accorded to each candidate. The votes are always open for inspection to insure a fair deal.

### How To Win.

Any lady who desires to enter this great contest and win one of the magnificent prizes offered, should at once see that her name is sent to the Contest Manager. All that is necessary to win a prize is to receive the largest number of votes, according to the conditions mentioned elsewhere in this announcement. Candidates should at once interest their friends in the contest and by united and energetic action induce as many people as possible to vote for them. Each nomination coupon cut from The Capital Journal will count for five votes for a candidate. The nomination coupon will only appear for a few days. The easiest and quickest way to win, is for candidates to ask their friends to prepay their subscriptions for six to 12 months. It costs the subscriber nothing extra to do this and they are saved the annoyance of weekly and monthly collections. By so doing you receive a special vote ballot which is good for any time during the contest; same may be used by the contestant herself or disposed of in any manner she may see fit.

Any lady residing in the territory below mentioned is eligible to compete in this contest.

Any one who desires to vote in this contest may do so by ballots cut from the daily and weekly Capital Journal, or by special vote coupons obtained by subscribing to The Capital Journal. The coupons secured by subscribing to The Capital Journal may be held as long as desired and voted any time up to the close of the contest, but ballots cut from The Capital Journal are only good for one week from publication and will not be counted if voted after the date printed on the ballot.

Persons living in one district are not confined to voting for ladies in their own particular district but may vote for any one in the race. The offer affords the ladies and girls of Salem, Marion, Polk and Lincoln counties an excellent opportunity to receive a business education or to travel at the expense of The Capital Journal.

The trips include transportation both ways, and seven days board at a first-class hotel.

Enter the name of the lady whom you wish to secure one of the magnificent rewards in the contest at once. She may win an Eller piano, furnishings for a room, \$50 worth of cut glass, one of the valuable scholarships, a free trip, or a gold watch.

Better still get the lady to enter her name and then vote for her. Those who get in on the start have the best chance of winning, so it is desirable that the names be entered at once in order to get a good start. Candidates who enter this contest do not necessarily have to be subscribers of The Capital Journal. Enter your name and your friends will do the rest. You will be surprised to see how rapidly the votes will come in, and what little effort is necessary to win one of the rewards offered. Get in on the start and encourage your friends to vote for you, the rest will be easy. You will never know how popular you are until you enter a contest of this kind.

The first announcement as to whom the ladies are competing in this competition will be made Wednesday, June 24, and the number of votes each one has to her credit. After the first announcement of candidates and the counting of ballots, the votes will be counted each morning at 10 o'clock and the result made known in the following issue of The Capital Journal. There will be a short write-up in the paper each day from now on till the close of the contest and those interested can keep in touch with the contest and competing candidates. Certain it is that eighteen ladies of Salem and of Marion, Polk and Lincoln counties are to receive magnificent rewards and it is left to the readers of The Capital Journal to decide.
