DIFFICULTIES OF OREGON POLITICS.

It is next to impossible to have a Republican party organization in Oregon.

There is but one large city in the state AND THAT HAS BUT ONE MORNING PAPER.

That paper is an historical fixture and incubus on the state and its development.

It represents matters as it pleases and MISREPRESENTS AND DESTROYS PUBLIC MEN AT WILL. Those who are not its truculent slaves are never safe from attack and misrepresentation.

It can represent any man as a lunatic or scoundrel and NEVER RETRACT A WORD OF ITS CALUMNY.

By that process no party leadership is tolerated and the people are hoodwinked with its specious morality.

The editor of that paper was to be made senator WHEN FURNISH WAS RUN FOR GOVERNOR.

Jack Matthews was employed to round up the Multnomah delegation for Scott for senator.

The party was disrupted and Matthews was shrewd enough TO GET THE U. S. MARSHALSHIP.

In the recent state campaign Scott was again approached with the program to fight Statement No. 1.

He had to be lined up with promises of party dictatorship and in turn AGREED TO HELP OVERTHROW THE PRIMARY LAW.

But as in 1904 when \$25,000 was offered to turn votes to him for the senatorship, and all federal patronage:

So in 1908 the people have refused to execute the will of the bosses AND MAKE HIM POLITICAL DICTATOR OF OREGON.

So in Oregon there can be no party organization without a dictator, and the people naturally take the reins in their own hands.

Of course, there being but one party organ, Republicans generally ARE NEVER GIVEN THE TRUE SIDE OF THE PICTURE, but the people understand.

THE MANY AND THE FEW.

(Collier's, June 20.)
The majority used to be called the Great Unwashed.

The majority, however, is increasing its supply of bathrooms, and likewise its supply of comprehension.

It will not take a great many elections like the recent one in Oregon to clinch the idea that the people ARE LIKELY TO SELECT BETTER SENATORS than the state legislatures have been accustomed to elect.

They know what they were doing when they made a Democrat governor at the same time that they gave to Mr. Roosevelt a majority of more than forty thousand votes.

They know what they were doing the other day when they elected a Republican legislature and instructed it to send this same Democrat to the senate.

Governor Chamberlain is the kind of man who ought to be in the senate, and the people of Oregon have done themselves proud in voting with freedom AND NOT AS HERDED PARTY CATTLE.

With election by the people there undoubtedly would be a number of demagogues in the senate, but all signs are that the average would be much higher than it is today.

Under such a system, Penrose would not be reelected from Pennsylvania.

We should probably have been spared the spectacle of Platt and Denew representing big New York, and possibly of Aldrich and Wetmore representing little Rhode Island.

"Oh Pollol!" ARE DOING COMFORTABLY AT PRESENT.

They are rather rapidly deciding that there are a number of matters which they can manage pretty well themselves.

Small Depositors

Our Bank welcomes small depositors. In our Savings Department as small an amount as one dollar will open an account.

We have good reasons for giving these accounts our best service. Many of our large depositors started as small depositors and a large number of satisfied depositors with small accounts is a good advertisement for our bank.

Young people especially are invited to take advantage of this opportunity to start a bank account.

Difficult Breathing

Short breath, fluttering, palpitation, sinking spells are symptoms of a weak heart, struggling to do its work. It must keep the blood in circulation to carry nourishment to make flesh, bone and muscle, and remove the worn-out particles. When it cannot do this, it must have help. Dr. Miles' Heart Cure gives strength to the heart nerves and muscles, and increases the heart action.

"I am glad to say that I am so much improved in health. Dr. Miles' Heart Cure cured me when several doctors failed. I think no other medicine could do for me what Heart Cure has done. My case was bad as it could be at times. I had difficulty in getting my breath, my heart beat so fast at times that I thought it impossible to live without relief; the pain was very severe in my left side, and my nerves were all unstrung. I had almost given up all hope of being cured, and I am sure I would not, if I had not taken the Heart Cure. I take great pleasure in recommending Dr. Miles' remedies to all who suffer with heart disease."
