#### Thinks It Saved His Life.

Lester M. Nelson, of Naples, Maine, says in a recent letter: "I have used Dr. King's New Discovery many years, for coughs and colds, and I think it saved my life. I have found it a reliable remedy for throat and lung complaints, and would no more be without a bottle than I would be without food." For nearly 40 years New Discovery has stood at the head of throat and lung remedies. As a preventive of pneumonia, and healer of weak lungs it has no equal. Sold under guarantee at J. C. Perry's drug store, 50c and \$1.00. Trial bottle free.

The people of Liberty made no mistake in going ahead with their new high school. Educational enthusiasm pays the biggest dividends.

### COFFEE

Schilling's Best is a business-like name; you know what it means; and it means what you want.

Your grocer returns your money if you don't like it; we pay him.

### Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of Swamp-Root is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

#### Advertising for Recruits.

The Navy Department has completed the arrangement for the next fiscal year's advertising on account of navy recruiting. This has been by accepting the bid of a New York advertising firm which has made a study, by the aid of statistics, of the methods by which men now in the service were attracted to the navy. It was found, surprising to everyone, that the want advertisements in the daily newspapers yielded the best results, and that the highest percentage of available men was obtained from these inconspicuous offers to labor. It was observed that these want advertisements are consulted not only by those who are out of work, but by those who want to better their condition, and that less than 50 per cent who came to the navy in this way were really unemployed, and recognized the service as an institution which gave them better prospects. Taking this view of the situation, it has been decided that the bulk of the funds for advertising for naval recruits shall be used in this way, although there will be also an employment of the billboard display advertising, and, to a less extent, of the other forms of publicity. This will include circular letters which have been very successfully employed by the navy recruiting officer at Indianapolis, who obtained some good names and has been using the medium to the exclusion of all else with results which are very practical.—Army and Navy Register.

#### No Need of Suffering from Rheumatism.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. For sale by Dr. Stone's drug store.

The Oregonian says the next President will be a fat man and his name will be Bill. It rather implies it will be little billes.

#### Poison Oak Poisoning.

Ballard's Snow Liniment cures it. Mr. O. H. P. Cornelius, Turner, Ore., writes—My wife has discovered that Snow Liniment cures "Poison Oak Poisoning," a very painful trouble, herself, but on two of her friends she not only cured a case of it on who were poisoned by this same ivy. Price 25c, 50c and \$1.00.

To say that the Oregon political leaders have been a lot of moral cowards is putting it mildly but truthfully.

#### Born in Iowa.

Our family were all born and raised in Iowa, and have used Chamberlain's Colic, Cholera and Diarrhoea Remedy (made at Des Moines) for years. We know how good it is from long experience in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constantly growing in favor.—Ennis Bros. This remedy is for sale by Dr. Stone's drug store.

A Portland man has gained a title by inheritance. Well, if he is a good fellow, there is no objection.

#### Sore Nipples.

Any mother who has had experience with this distressing ailment will be pleased to know that a cure may be effected by applying Chamberlain's Salve as soon as the child is done nursing. Wipe it off with a soft cloth before allowing the babe to nurse. Many trained nurses use this salve with best results. For sale by Dr. Stone's drug store.
