

Get rid of the Lard Habit

Cottolene makes pies and pastry digestible; it makes crisp, flaky pie-crust—the kind that will melt in your mouth rather than stick in the pit of your stomach.

There is no getting away from the fact that lard is the fat of the hog. There was a time in the olden days when lard was made from a particular part of the hog, the selected part—it was called the "leaf"—that is, the peritoneum; but, with the growth of the industry, lard is now thrown on the market made from fat from all portions of the hog, and lard, today, is not as good as the lard of years ago—in fact it is even more indigestible and more unhealthy.

Cottolene is a cleanly, vegetable product made from pure, refined cotton seed oil. It makes food palatable, digestible and healthful.

Cottolene is the purest and best shortening. It is not a substitute for lard, but an improvement upon lard or any other shortening. When you accept a substitute for *Cottolene* you are not getting your money's worth. *Cottolene* is preferable in more ways than one—in purity, results and healthfulness.

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription." The answer is that "Golden Medical Discovery" is a most potent alternative of blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat, bronchial tubes, stomach, bowels and bladder—curing a large per cent of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach, as catarrhal dyspepsia, bowels (as mucous colitis), bladder, uterus or other pelvic organs. Even the chronic or obstinate cases of these affections it is often successful in effecting a cure.

The "Favorite Prescription" is advised for the cure of one class of diseases—those peculiar to the female system, and is especially indicated to women only. It is a powerful yet gently acting invigorating tonic and nerve. For weak worn out, over-worked women—no matter what has caused the break-down. "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulae of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines. The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glyceric extracts of the roots of native American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pellets, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

9036—W. C. Noon Bag Co.; Johnson & Beckwith; vs. R. E. Kirk; action for money.

9041—Krebs Hop Co.; Carson & Brown; vs. T. A. Livesley & Co.; W. M. Kaiser and M. E. Pogue; action for money.

9045—Laura Palmer; Carson & Brown; vs. Portland Railway, Light & Power Co.; action for damages.
