FUN HAS BEGUN

(Continued From Page 2.)

During the hearing of the contests both factions indulged in bitter comment on the actions of their opponents and the bitter feeling engendered is likely to be carried to the polls next fall no matter what the outcome of the hearing.

The New York contests presented the plain problem of one boss trying to get rid of another one. Patrick H. McCarren fought hard but he indicated that he had little hope of winning out. He recited the history of the primaries and stated that he and his followers had prevailed over Bird S. Coler and the latter's men by a vote of fully six to one.

"Murphy and State Chairman Connors," declared McCarren, disqualified regularly elected delegate and named a bunch of political thieves and pirates in their places.

Tammany Will Surrender.
Tammany will formally announce its surrender to Bryan this afternoon when at state caucus, a resolution will be adopted committing the state delegation which is controlled by Leader C. S. Murphy, to vote the Nebraska on the first ballot.

The slate has been completed at a meeting of the leaders today. It is as follows: National committeeman, Norman E. Mack, member of committee on resolutions, Alton B. Parker; member of committee on credentials, Daniel F. Cohan.

Coast Defense Plank.
If the Pacific coast delegations work hard enough there is a good chance for a coast defense plank in the platform. Naturally, the Democratic leaders realize that such a move would be good politics because of the turnout the Pacific coast defense measure received at the Republican convention at Chicago.

The policy agreed upon by a majority of the national committee was to seat all delegates who hold "regular" credentials or who have been recognized by the duly constituted party committee of the state.

The sub-committees appointed to pass upon the credentials were as follows:

Illinois—Atwood, Kansas; Wade, Iowa; Dahman, Nebraska. New York—Camp, Michigan; Martin, Arkansas; Johnson, Ohio. Idaho—Johnson, South Dakota; Ryan, Wisconsin; Williams, Oklahoma.

Pennsylvania—McGaw, West Virginia; Talbot, Maryland, Ellison, Virginia. Ohio—Montcastle, Tennessee; Williams, Mississippi; Osborne, Wyoming.

District of Columbia—Donnelly, Idaho; Field, Porto Rico; Helfner, Washington.

The sub-committee decided to hold the contests behind closed doors and to report later. The committee then took a recess until 5 o'clock when it will receive the reports.

Denver, July 6.—There will be no effort made by the Pacific coast delegations in favor of the anti-injunction plank labor leaders want to insert in the Democratic platform.

The coast delegates are willing to talk Japanese exclusion which stands no chance of being seriously considered, but are silent when it comes to what they call a "radical" anti-injunction measure.

The majority of California and Washington delegates say there ought to be some change in injunction procedure, but it should be a conservative change. They are not so much in favor of an anti-injunction plank as they are against any attempt to do away with the power of injunction.

The Washington delegation is out strong for a safe, sane and harmless anti-injunction plank. Thomas J. Casey, of Seattle, secretary of the Bryan volunteers, is here to fight for the anti-injunction plank that labor wants. Casey says that Charles G. Helfner, member of the Washington delegation and prominent politician of Seattle, has been working hard for nearly a week against organized labor interests. According to Casey, Helfner has been notifying the delegates that Pacific coast labor does not want a radical anti-injunction plank.

Helfner says he is not working against the plank, but that he and his delegation want a modified measure, one that will not destroy the power of injunctions.

The California delegation wants as little as possible to do with anything that looks too friendly to organized labor. If it is possible to let the anti-injunction matter pass without much attention if the California delegation will do so. If it is necessary to tackle it the members will be for a carefully worded plank which will be several degrees less radical than that in the Nebraska platform.

The New York Murphy (Tammany) delegates were seated by the national committee.

The California delegation (mostly Herrin) are jubilant over the defeat of Theodore A. Bell as national committeeman and the naming in his place of Nathan Cole, Jr.

Parker has been named as election committeeman.

Kerr Pennsylvania delegates bolted their delegation today when it elected Colonel Guffey (anti-Bryan) chairman of their committee.

The Oregon committeeman on credentials is D. M. Watson, resolution, R. D. Inman; national committee, M. A. Miller.

Bryan's manager Dahlman has declared the Commoner and himself in favor of Pacific coast defenses.

The vice presidential boom of Franklin K. Lane for vice president is reported dead; Bell boom dying and Mitchell as fighting shy.

The anti-trust league is represented in the convention as demanding a plank going on record as opposing the trusts.

MUST BELIEVE IT
When Well-Known Salem People Tell It So Plainly.

When public endorsement is made by a representative citizen of Salem the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading.

Jacob E. McCoy, retired, living on Capital St., beyond Mill creek, Salem, Or., says: "There has been no reason for me to change my good opinion of Doan's Kidney Pills which I expressed through our papers three years ago. I procured the remedy at Dr. Stone's drug store at that time and received the most gratifying results from their use. I was relieved of kidney complaint of several years' standing. The principal symptoms were in connection with the kidney secretions and any strain or over-exertion often caused hemorrhages of the kidneys. Nothing I had found in the way of medicine gave me any satisfactory relief until I got Doan's Kidney Pills. They gave prompt and lasting benefit. I have recommended them ever since then when occasion has arisen.
