ALL PORTENDS SUCCESS FOR THE CHERRY FAIR

The meeting of the Cherry Fair committee last evening was carried out with a snap and vigor that augurs well for the success of the great event that is to take place next week. There will be something doing every minute of each day during the carnival. A big delegation from Portland is coming down on a special train next Saturday and the visitors will be royally entertained by the people of Salem. The subscription committee is out to day, and will raise $300 additional money for the reception of the guests and for other features made possible by the postponement of the Cherry Fair.

The Cherry Fair committee will send three or four hundred pounds of Royal Anne cherries to Portland next Tuesday to be presented to the Portland delegation at dinner at the Commercial club.

The Salem Military band will furnish music throughout the three days of the carnival. The sum of $100 has been set aside for music. The band will be paid $150 for the three days provided sufficient receipts are taken in at the carnival attractions by the committee; if not the band boys are willing to take less. A ten-piece band will play in the daytime, and at night this will be increased to 15.

Three ladies from the floral committee were present. The ladies of the committee will appoint the judges of the floral exhibit. Chairman Powers of the Cherry Fair committee told the ladies that about a ton of shorter daisies from the Oregon Nursery Co. was at their disposal.

The floral exhibits will be placed in the same pavilion with the cherry exhibit, which will be an enclosure 176 feet long by 24 feet wide. It will be constructed on the west side of the court house inside the curb, on the court house lawn and sidewalk.

On Saturday the Portland delegates will arrive on a special train and will spend all of the day and part of the evening in Salem. An elaborate program for the entertainment of the guests is being arranged, and it will probably include an automobile ride through the cherry and prune districts, and a lunch for the visitors in the city. The committee will begin at once to collect money for the reception of the guests. The cherry fair committee has collected more than $800, and it is estimated that about $300 more will be needed.

Col. E. Hofer suggested that a collection be taken up from the members present, and started the ball rolling by subscribing $5.00. Barr's jewelry store and Patton's book store followed with a subscription of $5.00 each. A committee consisting of J. R. Shepherd, W. H. Burkhard, R. R. Houston, Cooke Patton, H. S. Gile, Harry White, Frank Hughes and Frank Douglas, will visit all the business men in town today and every one is expected to contribute at least $5.00.

Manager Page, of the Portland Railway, Light & Power Co., has offered to run the 3000 feet of electric streamers every night of the fair, and also the lights in the big pavilion for $40. It was carried that Mr. Page be instructed to burn the lights during the carnival.

For those who have cherries to be packed at present, free cold storage is offered; also free cartons will be furnished by the committee. H. S. Gile will give free instruction to those desiring to pack their own cherries.

A prize of $5.00 will be offered for the best sustained character in the comic parade Saturday night, and another prize of $5.00 will be given for the best decorated vehicle in the parade on Thursday.

Harry Albert was appointed a committee of one to have an official program printed. It is expected that the advertisements on the folders will pay for the printing of it.

The various committees will meet together at 8:30 o'clock Saturday night at the Board of Trade rooms when final arrangements for the great event are expected to be completed.

The following are the committees for the Cherry Fair:

Cherry Fair Committees.

TO PARENTS OF PALE GIRLS

How the Tonic Treatment Helps to Insure Healthful Womanhood.

What anaemi is, how to recognize it and the value of the tonic treatment with Dr. Williams' Pink Pills should be known by the mother of every growing girl.

Anaemia is simply lack of blood.

It is one of the most common and dangerous diseases with which growing girls suffer.

It is common because the blood so often becomes impoverished during development, when girls are too frequently allowed to over-study, overwork and suffer from lack of exercise. It is dangerous because of the stealthiness of its approach, often being well developed before its presence is recognized, and because of its tendency to grow so steadily worse, if not promptly checked, that it may run into consumption.

The success of the tonic treatment is well illustrated in the case of Mrs. John McClelland, of 296 Thirty-eighth street, Pittsburg, Pa., who says:

"After suffering a year with anaemia and getting no relief I tried Dr. Williams' Pink Pills and was cured. I was weak, had no color and my blood was thin and watery. I had no appetite and food distressed me for I was a constant sufferer from indigestion. There were dull, aching pains across the small of my back and I had occasional headaches and severe pains in the back of the neck. On going up stairs I would get short of breath and would feel weak in the knees. My feet and legs were sore to the touch and swollen so that I could not put on my shoes.

"The doctors said I had anemia but did not help me and I decided to take Dr. Williams' Pink Pills which I had read about in the papers. I noticed an improvement after taking a few boxes and so kept on with them until cured. I am in the best of health now and feel that I owe it to Dr. Williams' Pink Pills."

Send today for a copy of our "Diseases of the Blood." It gives further information about anaemia and is free upon request. Dr. Williams' Pink Pills are for sale by all druggists, or will be sent, postpaid, upon receipt of price, 50 cents per box: six boxes for $2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

Opened Law Office.

John H. Scott, who has just vacated the office of county judge, has opened a law office in the Murphy block, in the same rooms with L. H. McMahan. He hopes to have a permanent office by fall.

MUST BELIEVE IT

When Well-Known Salem People Tell It So Plainly.

When public endorsement is made by a representative citizen of Salem the proof is positive. You must believe it. Read this testimony. Every backache sufferer, every man, woman or child with any kidney trouble will find profit in the reading.

Jacob E. McCoy, retired, living on Capital St., beyond Mill creek, Salem, Or., says: "There has been no reason for me to change my good opinion of Doan's Kidney Pills which I expressed through our papers three years ago. I procured the remedy at Dr. Stone's drug store at that time and received the most gratifying results from their use. I was relieved of kidney complaint of several years' standing. The principal symptoms were in connection with the kidney secretions and any strain or overexertion often caused hemorrhages of the kidneys. Nothing I had found in the way of medicine gave me any satisfactory relief until I got Doan's Kidney Pills. They gave prompt and lasting benefit. I have recommended them ever since then when occasion has arisen.

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remeber the name—Doan's—and take no other.

About five public men out of ten have no use for a newspaper but for self-advertising. No cause is bigger than their personality. None is half so big in their own estimation.

Help for Those Who Have Stomach Trouble.

After doctoring for about 12 years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctor's fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by Dr. Stone's drug store. Samples free.
