HOUSE WORK

Thousands of American women in our homes are daily sacrificing their lives to duty.

In order to keep the home neat and pretty, the children well dressed and tidy, women overdo. A female weakness or displacement is often brought on and they suffer in silence, drifting along from bad to worse, knowing well that they ought to have help to overcome the pains and aches which daily make life a burden.

It is to these faithful women that

LYDIA E. PINKHAM'S VEGETABLE COMPOUND

comes as a boon and a blessing, as it did to Mrs. F. Ellsworth, of Mayville, N. Y., and to Mrs. W. P. Boyd, of Beaver Falls, Pa., who say:

"I was not able to do my own work, owing to the female trouble from which I suffered. Lydia E. Pinkham's Vegetable Compound helped me wonderfully, and I am so well that I can do as big a day's work as I ever did. I wish every sick woman would try it.

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness, or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

SUFFERS FOR YEARS; THEN CURES ECZEMA

Patient and Little Granddaughter Both Secure Permanent Results From Wonderful Liquid Remedy.

Mrs. Alfred Aldrich, of Pompanoosuc, Vt., and her little granddaughter were both cured of itching, burning skin diseases by the use of ordinary oil of wintergreen mixed with glycerine, thymol, etc., the case having attracted considerable attention among medical men.

Mrs. Aldrich had doctored for years for Eczema without finding any relief, while her granddaughter was devolping the dreaded psoriasis spots which threatened to become permanent. Yet only one bottle of the oil of wintergreen wash, compounded in D. D. D. Prescription, cured the two cases. It was the quickness of the cure under such a short treatment that aroused the interest of specialists generally, for usually eczema, psoriasis, barber's itch, salt rheum and other diseases of like character, are cured, if cured at all, only by a long course of treatment.

Mrs. Aldrich writes: "I had sores on my face for three years and during all that time I tried everything I could find. I took any amount of blood medicines and used all kinds of healing salves. One day my husband told me to send for your D. D. D. Prescription and try it, and I am only too happy to say that D. D. D. not only cured me, but also my little granddaughter."

Oil of wintergreen, the chief ingredient of D. D. D. Prescription, is compounded with other healing vegetable properties to produce this liquid remedy which is as easy to apply as water. It acts directly on the skin so the relief is instantaneous—as you will find by your first trial. We know it and vouch for it. We will be glad to furnish a free booklet on the causes and cures of diseases of the skin; also a pamphlet on D. D. D. Soap. The Capital Drug Co.

FARMER SHOT

BY ACCIDENT—SHOOTING OF A WELL KNOWN BENTON COUNTY MAN—DELL BAKER IS THE VICTIM—BALL ENTERED THE BREAST—IS IN SERIOUS CONDITION.

A Soap Creek Special says: By the accidental discharge of his own revolver, Dell Baker, of Soap Creek was shot through the body at half past seven o'clock, while returning from a fishing trip to his Soap Creek home. The ball entered his left breast a short distance below the nipple, and passed out of the back. Whether, in its course, the bullet fortunately followed a rib, or whether it passed directly through the body, puncturing the lung on its way, is the problem with which the doctors have been working up to the hour this is written. If as is suspected, the ball followed the rib, the case is not necessarily serious. If on the other hand, it passed directly through the body a far different phase attends the accident. Probing to any considerable extent was impossible when the doctors reached the injured man, and the truth as to the course of the ball had to be left undetermined.

The accident happend while Mr. Baker was returning to his Soap Creek home from a fishing trip. The little son of Frank Seabrook happened fortunately to be with him. Mr. Baker carried a revolver in his pocket, and in passing along, he stopped to lay up the rails on a fence. As he stooped to pick up a rail, the revolver fell from his pocket, and in such a manner that it was discharged. With the report of the weapon Mr. Baker fell, wounded as described above. The Seabrook boy went at once to Lee Brown's for help and from where doctors were summoned by telephone. The accident happened at 7:30, and within a short time the physicians were speeding toward the scene in an automobile. Mr. Baker is a son of T. C. Baker who lived for many years on his farm on Soap Creek but who has resided for the past year on Eighth between Jefferson and Adams in Corvallis.

SHORTAGE IN GRANT COUNTY HAY CORPS

Reports coming in from a number of persons who are familiar with the county would seem to indicate that the hay crop will not be up to the average this year in Bear valley, Silvies and Harney valleys. The continued late summer has made its effect apparent upon the hay crops and while the prospects are in no way alarming still it is now evident that the harvest will not only be later than usual but will also be lighter than what is ordinarily cut. —Grant County News.

The Modesty of Women

naturally makes them shrink from the indelicate questions, the obnoxious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than let the disease grow and spread. The trouble is that so often the woman undergoes all the annoyance and shame for nothing. Thousands of women who have been cured by Dr. Pierce's Favorite Prescription write in appreciation of the cure which dispenses with the examinations and local treatments. There is no other medicine so sure and safe for delicate women as "Favorite Prescription." It cures debility, nervousness, irregularity and female weakness. It always helps. It almost always cures. It is strictly non-alcoholic, non-secret, all its ingredients being printed on its bottle-wrapper; contains no deleterious or habit-forming drugs, and every native medicinal root entering into its composition has the full endorsement of those most eminent in the several schools of medical practice. Some of these numerous and strongest of professional endorsements of its ingredients will be found in a pamphlet wrapped around the bottle, also in a booklet mailed *free* on request, by Dr. R. V. Pierce, of Buffalo, N. Y. These professional endorsements should have far more weight than any amount of the ordinary lay, or non-professional testimonials.

The most intelligent women now-a-days *insist* on knowing what they take as medicine instead of opening their mouths like a lot of young birds and gulping down whatever is offered them. "Favorite Prescription" is of KNOWN COMPOSITION. It makes weak women strong and sick women well.

Dr. Pierce's Medical Adviser is sent *free* on receipt of stamps to pay expense of mailing *only*. Send to Dr. R. V. Pierce, Buffalo, N. Y., 21 one-cent stamps for paper-covered, or 31 stamps for cloth-bound.

If sick consult the Doctor, free of charge by letter. All such communications are held sacredly confidential.

CONSTIPATION

"For over nine years I suffered with chronic constipation and during this time I had to take an injection of warm water once every 24 hours before I could have an action on my bowels. Happily I tried Cascarets, and today I am a well man. During the nine years before I used Cascarets I suffered untold misery with internal piles. Thanks to you I am free from all that this morning."
