

IRISH CAUSE PROGRESSING IN THE UNITED STATES

Chicago, Illinois, July 16.—Ireland's cause, now gaining in England, will receive a new impulse in the United States as a result of a meeting held here this week by the Irish societies, with a membership in every state of the Union, to do honor to the memory of John F. Finerty. In his youth the late president of the United Irish league of America was driven out of Ireland and his zeal in the Irish nationalist cause was unceasing through his eventful life. The invitation to send representatives to the memorial meeting met with a response from the Irish Fellowship Club, Irish Nationalists, Gaelic Society, Gaelic League, Ancient Order of Hibernians, Ladies Auxillary of the A. O. H., Knights of Equity, Irish Choral Society, Old Guard of the Fenian Brotherhood and various post of the G. A. R.—for Colonel Finerty fought well in the civil war. During his lifetime Colonel Finerty held more posts of honor in connection with the movement for Irish liberty than any other man in America. Glowing tributes were paid to his efforts, and the prediction was made that within five years the fight for political freedom would be ended and Ireland would be enjoying home rule. In support of this attention was called to recent statements by the Honorable Timothy Harrington, member of parliament from Dublin, and others to the effect that the present lord lieutenant, the Earl of Aberdeen, favored the movement and that King Edward himself was at heart a home ruled and would welcome the change. James Bryce, now British ambassador to this country, was outspoken in his sympathy at various times during his political career and it is expected that the liberal party, now in power, will be forced shortly to fulfill its pledges and give Ireland the rights she has demanded for so many years.

"E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. In the spring of 1892 I bought a bottle of Kodol and the benefit I received all the gold in Georgia could not buy. May you live long and prosper. Yours very truly, C. N. Cornell, Rooding, Ga., Aug. 27, 1906." Sold by all druggists.

Charity Baseball Game.
Chicago, July 16.—Baseball for charity, netting thousands of dollars—as 48,000 tickets were sold—drew an enormous crowd last Saturday in this city and will draw another crowd in Minneapolis next Saturday. These games, between the brokers of the Chicago Board of Trade and the Minneapolis Chamber of Commerce, will not only make many poor children happy but give an opportunity for the baseball-mad rooters of the two exchanges to do their glad and noisy stunts to their utmost satisfaction. Both things are noteworthy; last year \$4,200 was cleared by the baseball committee and turned over to sixteen charities and enough money was made besides to build a cottage in the country for 60 children; also some new records were made in this baseball enthusiasm of the most enthusiastic fans boasted by this city, where men, women and children are Cub or Sox rooters. At every big game the board of trade contingent in the grandstand is conspicuous by the joyful sounds it makes and the "fans" perched elsewhere in the grounds behold its members' antics, feel their hearts warm to them and then try not to be outclashed in baseball enthusiasm. The Board of Trade charity games, at which all is profit and there are no expenses, have become annual events of importance at which the mayor tosses the first ball and starts things going with eclat. On those occasions the business of the grain pits is put aside, the problems of world's demands and supply which fix prices in the continual warfare of "bulls" and "bears" are forgotten in the absorbing passion for the national game of the diamond.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of De Witt's Kidney and Bladder Pills and they have done for me more than any other medicine has done." Sold by all druggists.

MAY CALL GANS.
NELSON FIGHT OFF
(United Press Leased Wire.)
San Francisco, July 16.—Refusal of railroads to run excursion to Ely on Labor day, it is believed today, will probably result in calling off the Gans-Nelson fight. If that contest is called off Paaky McFarland is to try to arrange a battle with Nelson to be fought here September 9.

Prolonged Life

There are many persons living to-day, whom doctors have given up to die. Dr. Miles' Heart Cure has added years to their lives. It strengthens the heart nerves and muscles, restores normal heart action, so that it can send the blood through the veins to nourish and sustain life.

"I am glad to recommend Dr. Miles' Heart Cure and Nerve for they have been of great benefit to me. The doctors said I was liable to die any time; my case was incurable. I was told this by doctors in this village and Southern Minnesota. I have used four bottles of Heart Cure and the same of Nerve, and although not a young man, having passed through the war, I feel younger than I did before. I am feeling better in every way and sleep like a healthy six year old boy. I was advised to use your medicines by a man who is now a perfect specimen of manhood. He tried Dr. Miles' remedy and he said it cured him of heart trouble, twelve years ago after the doctors had given him up to die."

CHAS. B. MURPHY, Verdalis, Minn.

Dr. Miles' Heart Cure is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails he will refund your money.

BIG REVENUE CUT CAUSED BY PROHIB

Chicago, July 16.—With the Democratic and Republican conventions now a part of history and interest centered on the Prohibition convention at Columbus, the big liquor interest, whose headquarters are in this city, are beginning to feel "in earnest" the effects of the "Prohibition spring" which swept the country this spring. Following the convention of the United States Brewers' association in Milwaukee at which it was declared that a campaign would be waged against disreputable saloons, figures have been compiled showing the extent of the inroads made upon the liquor traffic. Carloads of fixtures and furnishings from saloons in now dry territory are being received by concerns in this city every week. It is stated that Milwaukee breweries have had to recall over 200 carloads of such fixtures and the figures for Chicago do not fall far behind this total. The most significant sign, however, is the immense falling off in the expenditures by breweries and distilleries for new buildings, machinery, improvements and repairs. The expenditure in this way last year was close to \$20,000,000, but judging from the first six months liquor men estimate that it will be barely \$500,000 this year—a falling off of 97 1/2 per cent. Many skilled workmen have been thrown out of employment as a result of this reduction in the business. On the other hand the economic advantages of the re-adjustment undoubtedly compensate for this. Figures have just been compiled by the anti-liquor interests here claiming a probable increase in factory wages resulting from prohibition of \$286,152,958. Meanwhile both sides are preparing the fall campaign, which, it is predicted, will be more bitterly contested than any conflict hitherto.

Your Doctor Will Tell You

That You Need

A Natural Tonic

The majority of so-called "Spring" tonics supply a false stimulation to the body—but this is not the natural and most beneficial way of helping the system to overcome lassitude.

DR. D. JAYNE'S TONIC VERMIFUGE

tones and builds up the body in the natural way—through the stomach. A run-down condition of health is almost invariably due to a disordered stomach and digestive organs. Jayne's Tonic Vermifuge tones the stomach and restores it to its normal healthy condition. Then the restored stomach does the building up and brings the body back to a state of perfect health. This is the natural way.

Jayne's Tonic Vermifuge is sold by all druggists in three sizes, \$1.50, 50c, and 25c. Jayne's Expectant is the oldest and most reliable Cough Cure known.
