**BY RAIDING GAMES**  
(United Press Leased Wire.)  
Los Angeles, Cal., July 17—Raids on fan-tan games, opium joints and lotteries threaten to wreck the fortunes of every Chinese merchant in Los Angeles and it is said there are less than 500 Celestials in the city today while there were more than 3000 here a year ago. The Chinese are hastily departing for San Francisco and Oakland where fewer restrictions are placed upon their enjoyment.

A meeting of the Chinese chamber of commerce will be held next week to discuss the problem with which the merchants of Chinatown here are confronted. They have laid in stocks worth thousands of dollars and at the present rate of emigration there will not be a single customer left in the city by next December.

**Help for Those Who Have Stomach Trouble.**

After doctoring for about 12 years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctor's fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by Dr. Stone's drug store. Samples free.
