### BUSINESS REVIVING IN THE FAR WEST

Chicago, July 23.—Reports from more than 30 states received here this week indicate that the long heralded business revival is making itself strongly felt in the Middle and Far West while New England and the Atlantic states are recovering more slowly from the effects of the depression. Manufacturers and dealers west of Pittsburg report that the last two months have seen a marked increase in the volume of business and prospects for the future are very encouraging. In Chicago over 10,000 railroad men have gone back to work since the first of the year. Half of the men the packers laid off during the winter are back at their old places. There has been a marked falling off in the number of idle freight cars since the high mark which was reached in May. Prospects for the crop in Illinois are good, the slight reduction in wheat acreage being offset by the increase in oats, and estimates for the corn crop placing the total at \$25,000,000 bushels or about the same as last year. Reports from Milwaukee, Duluth, Cincinnati, St. Louis, Kansas City and Denver are uniformly favorable. In all these cities men are finding good employment and business is on the increase. The South also reports progress. Advices from Pittsburg, however, state that in the East mills are still running at only 50 to 60 per cent capacity, although more men are being put to work every day. The gain in confidence, as shown by the increase in postoffice receipts announced last week, has been particularly noticeable west of the Alleghenies. The June receipts at the Chicago postoffice were \$43,000 greater than for the corresponding month last year, before the financial depression had begun to make itself felt.

# Danderine

Grows Hair and we can PROVE IT!

The Great DANDERINE Never Fails to Produce the Desired Results.

It enlivens and invigorates the hair glands and tissues of the scalp, resulting in a continuous and increasing growth of the hair.

Letters of praise are continually coming in from nearly all parts of the country stating that Danderine has renewed the growth of hair in cases that were considered absolutely hopeless.

A lady from Brooklyn writes: "After a short trial my hair stopped falling, and I now have a lovely head of hair, very heavy and wavy and a quarter yard long."

Danderine stimulates the scalp, makes it healthy and keeps it so. It is the greatest scalp invigorator known. It is a wholesome medicine for both the hair and scalp. Even a small bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

To show how quickly FREE Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the Cassell Danderine Co., Chicago, with their name and address and ten in silver or stamps to pay postage.

### Family Reunion.

At the home of Mr. and Mrs. Carl Schaefer on Sunday, July 12, was held the reunion of their ten children yet living, which was the first time for 16 years that this was made possible.

A sumptuous feast was served at the noon hour while other refreshments were partaken of during the afternoon. In fact, a very enjoyable time was spent by all.

Those in attendance were Mrs. Bachman and daughter of Illinois, Mr. and Mrs. Fleischman and family of Silverton, Mrs. Overholt and children of The Dalles, Mr. and Mrs. H. Henline of Salem, Bertha Schaefer of Stayton, Ed and Will Schaefer of Clem, and Messrs. Chas. Al and Ben Schaefer and families all of Stayton.

When the doctor is called he asks: "How are the bowels?" They are generally wrong. His visit might have been saved by a timely dose of Lane's Family Medicine.

that a court martial will follow.

Every effort was made to keep the story quiet but it became known last night just before the departure of the fleet. It was stated by the sailors who witnessed the affair that Evans had the better of the encounter and would have found his opponent's range had not other officers separated the two men.

The incident happened just after Carter had gone aboard his ship after appearing in court to answer to the charge of attacking F. B. Moore, a Honolulu newspaper man. It is

Salem, Oregon, June 19th, 1908.  
Oregon Sienna Mineral Paint Co., Mr. D. H. Weyant, president, Salem, Oregon.

Dear Sir:

It is the pleasure of the State Board of Agriculture officials to inform your company that after a thorough test of the paints furnished the board for the buildings on the State Fair Grounds that THEY HAVE PROVEN HIGHLY SATISFACTORY, and that we can recommend them to all parties requiring an A. No. 1 article of Oregon production, which this board fosters. Respectfully yours,

F. A. WELCH, Secretary.  
W. F. MATLOCK, President.  
M. D. WISDOM, Vice-President.

McMinnville, Oregon, April 2, 1908.  
Oregon Sienna Mineral Paint Co. Salem, Oregon.

Gentlemen:

In reply to your of recent date, will say that the Sienna paint that the state bought from you in the year 1907 (18 barrels) and about the same amount in 1907, to paint the Oregon State Lumber Asylum buildings, has given entire satisfaction. Before we put this paint on, our brick walls sweat so badly we thought we would try cement on them to keep the moisture out, but our architect from Portland thought best to try some of your Sienna Mineral Paint. Since we put your paint on, it shut out all of the moisture and we have perfectly dry walls now. It is my opinion that there is nothing better than your paint for brick walls, and I take pleasure in recommending it to the public.

Yours very truly,  
J. F. CALBREATH.
