TEA
How little it is! How little it adds to the weight of the cup! It has covered the sea with ships for a hundred years.

Your grocer returns your money if you don't like Schilling's Best: we pay him

Give the hens a liberal amount of food and care from now on until they have gone through the exhaustive process of growing new feathers. They surely deserve the very best of care instead of the neglect which is often their portion.

Over Thirty-five Years.
In 1872 there was a great deal of diarrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy or treatment, and has for thirty-five years maintained that record. From a small beginning its sale and use has extended to every part of the United States and to many foreign countries. Nine druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater profit. It can always be depended upon, even in the most severe and dangerous cases. For sale by Dr. Stone's drug store.

Queer that some folks never think of providing shade for their hens in hot weather!

Boy's Life Saved.
My little boy, four years old, had a severe attack of dysentery. We had physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea remedy which cured him and believe that saved his life.—William H. Stroiling, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by Dr. Stone's drug store.

Peculiar Mineral.
Washington, D. C., July 24.—Carnotite, a mineral recently found in Colorado, is a source of the rare elements uranium and vanadium and has yielded traces of the still rarer element radium.

These deposits, which also contain other rare minerals, are situated at the foot of Blue Mountain, formerly known as Yampa Plateau, and are similar to those on Coal Creek, Rio Blanco county, Colo. The ores present a beautiful display of colors. The carnotite, which constitutes a relatively small percentage of the minerals found, occurs in the form of a film or thin crust of powdery material of bright canary-yellow color.

A yellow mineral which closely resembles carnotite in color and appearance, and which occurs in even greater amount, proved, on testing by experts of the Geological Survey, to be a vanadate of copper. Chemical tests of the ores have shown the presence in them of a copper selenite, which is believed to be the first selenite discovered in the United States.

\$100 Reward, \$100
The readers of this paper will be to be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

A Golden Wedding.
means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by Dr. Stone's drug store.

Keep up the fresh water supply; warm water is nauseating to the stock.

It Can't Be Beat.
The best of teachers is experience. C. M. Harden, of Silver City, North Carolina, says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best too for chills and malaria. Sold under guarantee at J. C. Perry's drug store. 50c.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00.
"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by Dr. Stone's drug store.

There is nothing better for poultry during hot weather than charcoal.

The New Remedy That Does.
"Dr. King's New Discovery is the remedy that does the healing others promise but fail to perform," says Mr. E. R. Pierson, of Auburn Centre, Pa. "It is curing me of throat and lung trouble of long standing, that other treatments relieved only temporarily. New Discovery is doing me so much good that I feel confident its continued use for a reasonable length of time will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold at J. C. Perry's drug store 50c and \$1.00. Trial bottle free.

All the old surplus stock should now be marketed.

"E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. Cornell, Reading, Ga., Aug. 27, 1906." Sold by all druggists.

Help for Those Who Have Stomach Trouble.
After doctoring for about 12 years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctor's fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa. This medicine is for sale by Dr. Stone's drug store. Samples free.
