## SWIMMING WARDEN WANTED

The Capital Journal wishes to suggest that this city, or the public-spirited citizens thereof should take some interest in protecting little boys against drowning. Many of them go swimming in the river on the other bank and a man who is a good swimmer should be stationed there with a boat and life line to prevent drownings. Such a man could also keep order, and prevent profanity and obscenity, which is practiced to a shameful extent, many of the smaller boys taking advantage of their freedom from restraint to smoke cigarettes, which is against the laws of this state.

Why not raise a fund and station a man there who shall not only prevent accident but keep order? Who will subscribe to such a fund. The Journal will receive and account for any contributions made for this purpose and believe the money would be well expended, and do as much good as money spent for other religious purposes.

### Over Thirty-five Years.

In 1872 there was a great deal of d'arrhoea, dysentery and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use. It proved more successful than any other remedy of treatment, and has for thirty-five years maintained the record. From a small beginning its sale and use has extended in every part of the United States and to many foreign countries. Some druggists out of ten will recommend it when their opinion is asked, although they have other medicines that pay them a greater price. It can always be depended upon, even in the most severe and dangerous case. For sale by Dr. Stone's drug store.

A saloon of poetry is to be established by the French government. Most editors in this country have one which they would gladly dispose of.

### Boy's Life Saved.

My little boy, four years old, had a severe attack of dysentery. We had physicians; both of them gave him up. We then gave him Chamberlain's Colic, Cholera and Diarrhoea remedy which cured him and believe that saved his life.—William H. Stroking, Carbon Hill, Ala. There is no doubt but this remedy saves the lives of many children each year. Give it with castor oil according to the plain printed directions and a cure is certain. For sale by Dr. Stone's drug store.

A sturgeon weighing 443 pounds was caught in the Columbia river near Saint Helens July 15.

### The New Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing other's promise but fail to perform," says Mr. E. R. Pierson, of Auburn Centre, Pa. "It is curing me of throat and lung trouble of long standing, that other treatments relieved only temporarily. New Discovery is doing me so much good that I feel confident its continued use will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold at J. C. Perry's drug store 50c and \$1.00. Trial bottle free.

Bishop Henry Godman Potter, the most eminent man in the Episcopal church, died at Cooperstown, N. Y., July 21, aged 73 years; 3 months and 26 days.

### Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him \$100.00

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by Dr. Stone's drug store.

## HE ROBBED TWO DRUNKS OF MONEY

Special Policeman Welch arrested one Robert La Fere for holding up two drunks, one of whom he robbed of \$20. Of this money Welch recovered \$10, and at the same time threw both of the drunks in jail. All this happened Sunday about noon, and took place in the alley back of Evans' barber-shop. Policeman Welch has an uncomfortable habit of falling foul of Sunday drunks, and says he will arrest every man he finds in the city after midnight Saturday night or on the day commonly called Sunday. It seems a lot of boozers buy a bottle before closing up time Saturday night and then proceed to enter upon a Sunday carousal, when there are no saloons open.

## "SCOTTY" FAILED TO PAY

San Francisco, July 27.—Manager Woods, of the St. Francis Hotel, is trying not to look worried today on account of the absence of "Scotty," the Death Valley spendthrift, who has been missing from the hotel since last Thursday afternoon, and who left the cavernary without the paying of his enormous bills. Woods says that he is not uneasy because he believes that Scotty will show up some time and pay the bills, but it is evident that the Death Valley miner is broke at present, anyhow.

Scotty hit town last Tuesday and proceeded to spend money in his old style. He bought champagne and wines and had them charged to his bill. The only money he did play was tips for the bell boys, and this was enough to make their eyes bulge out. He said that one of his trunks was full of nuggets.

Thursday night Scotty's brother came to town, and brought with him three mysterious-looking men in the garb of miners. After the trio had found Scotty, the Death Valley miner left the hotel, saying he would return the next day and pay his bill. He has not been seen since. The bill left is said to be over \$200 for the three days.

A Golden Wedding means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to use Ballard's Herbals in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by all dealers.

With a great cereal crop throughout the country, plenty of money in the banks to move it with, and a steadily rising market, even a presidential campaign should create little disturbance in business conditions.

"E. C. DeWitt & Co., Chicago, Ill.—Gentlemen—In 1897 I had a disease of the stomach and bowels. In the spring of 1892 I bought a bottle of Kodol and the benefit I received all the gold in Georgia could not buy. May you live long and prosper. Yours very truly, C. N. Cornell, Roadway, Ga., Aug. 27, 1906." Sold by all druggists.

The display of cherries at the Salem cherry fair was a real revelation to the Eastern people who saw it. They did not believe that cherries grew so large.
