

-SMILES-

A very sweet Salem lady, whose name we will not mention, has our thanks for a very tart box of berries.

The Capital Journal next Saturday will be a Cherry Fair number.

Of course, the Standard Oil case cannot be appealed to the supreme court of the United States. Attorney General Bonaparte says so. He will say about the same thing when the O. & C. land grant case is knocked out in the lower courts.

A state law requiring any man who buys a gun or revolver to give some kind of a bond that he will not kill anyone by mistake for a deer or bear would not be altogether bad. Gun stores are becoming almost as dangerous to human life as the railroads.

The man who starts for the seashore with a rifle or revolver and goes to shooting sea birds and animals that hurt no one ought to stop and think.

The Preston-Parton Milling company of Walla Walla took wheat from the field and in 22 minutes had it made into biscuit.

For Heaven's sake! "Pinafore" is not coming to Salem again, is it?

As Judge Caples is dead there is no one to run for governor but Geo. H. Williams.

The old Oregon Railroad Commission that was created by the oil political machine used to ride over the roads once a year in a special train and draw their salaries until the people abolished them. The present commissioners seem to go over the roads on foot and then get up a report on the conditions. If the report sets out what they really find it will be valuable to the public and the railroads alike.

A Hartford bank looter got 29 years sentenced to the penitentiary Saturday. He could not have had any standing at all with the political machine of his state or such an unfortunate occurrence would not have happened.

In Portland they are going to make a charter and seem to be going at it in a manner that will bring in ideas from the people. Isn't a charter to govern people? What business have people making one?

Eugene has bought the water plant for \$140,000, has accepted Skinner's butte as a park site and let a contract for construction of a municipal waterworks. Eugene always a slow town.

One thing must be said for Bryan—he never opens his mouth but what there is something in it.

In drafting a new charter at Portland all the organizations in the city

are being consulted. Even the Woman's club is taking part. That is absurd when two or three political bosses could just as well attend to that and have it right.

The Oregonian is boosting for Taft and that is enough. Whatever the Oregonian undertakes politically is settled in Oregon.

It is all right to say in your platform, let the people choose the U. S. senators, but when it comes to their actually doing it, that's different.

Having killed off Senator Fulton politically, the Oregonian is now hammering the political remains of Senator Bourne. There are only Hawley and Bills left to be destroyed.

SALEM'S TALENTED

YOUNG SINGER

Salem has a very promising young singer in the person of Miss Mabel Lance, who has for a few months past been the soloist at the Christian Science church. Miss Lance has an entirely natural and unaffected voice of great purity, power and musical quality. Her enunciation is perfectly clear and wonderfully distinct for one who has had very little training. The sweetness of her singing charms old and young, and the talents she possesses as a natural gift when once fully developed by all the aids of training and mastery of musical science will make her one of the great singers of the coast. Her friends believe she has a great future, and will observe her career with great interest and pleasure.

Best the World Affords. "It gives me unbounded pleasure to recommend Bucklen's Arnica Salve," says J. W. Jenkins, of Chaney Hill, N. C. "I am convinced it's the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25c. at J. C. Perry's drug store.

The third nomination of Bryan was not the best thing for the party, but the best he would permit.

Kodol will without doubt help any one who has stomach disorders or stomach troubles. Take Kodol today and continue it for the short time that is necessary to give you complete relief. Kodol is sold by all druggists.

The year's record for the long jump rests with the Mexican revolutionists when they hear Diaz mentioned as approaching their neighborhood.

Just Exactly Right. "I have used Dr. King's New Life Pills for several years, and find them just exactly right," says Mr. A. A. Felton, of Harrisville, N. Y. New Life Pills relieve without the least discomfort. Best remedy for constipation, biliousness and malaria. 25c. at J. C. Perry's drug store.

Use DeWitt's Little Early Risers, pleasant little pills that are easy to take. Sold by all druggists.

The Farmer's Wife

Is very careful about her churn. She scalds it thoroughly after using, and gives it a sun bath to sweeten it. She knows that if her churn is sour it will taint the butter that is made in it. The stomach is a churn. In the stomach and digestive and nutritive tracts are performed processes which are almost exactly like the churning of butter. Is it not apparent then that if this stomach-churn is foul it makes foul all which is put into it?

The evil of a foul stomach is not alone the bad taste in the mouth and the foul breath caused by it, but the corruption of the pure current of blood and the dissemination of disease throughout the body. Dr. Pierce's Golden Medical Discovery makes the sour and foul stomach sweet. It does for the stomach what the washing and sun bath do for the churn—absolutely removes every tainting or corrupting element. In this way it cures blotches, pimples, eruptions, scrofulous swellings, sores, or open eating ulcers and all humors or diseases arising from bad blood.

If you have bitter, nasty, foul taste in your mouth, coated tongue, foul breath, are weak and easily tired, feel depressed and despondent, have frequent headaches, dizzy attacks, gnawing or distress in stomach, constipated or irregular bowels, sour or bitter eructations after eating and poor appetite, these symptoms, or any considerable number of them, indicate that you are suffering from biliousness, torpid or liver with the usual accompanying indigestion, or dyspepsia and their attendant derangements.

The best remedy known to medical science for the above ailments is Dr. Pierce's Golden Medical Discovery. It is a purely vegetable preparation, and is absolutely true. It will be readily proven to your satisfaction, if you will but mail a postal card request to Dr. R. V. Pierce, Buffalo, N. Y., for a free copy of his booklet of extracts from the standard medical authorities, giving the names of all the ingredients entering into his world-famed medicine, and showing what the most eminent medical men of the age say of them.

In Switzerland 20,000 women have engaged in watchmaking. If the men are smart they will keep their eyes on farming. There's billions in it.

Terrribly Scalded. Is something we hear or read about every day of our lives. Burns and scalds either slight or serious are bound to happen in your family, be prepared by having a bottle of Ballard's Snow Liniment handy. It relieves the pain instantly and quickly heals the burn. Sold by all dealers.

A phrenologist who makes a map of Mr. Bryan's head says his face by stating that the Nebraskan has a large organ of language.

Bert Barber, of Elton, Wis., says: "I have only taken four doses of De Witt's Kidney and Bladder Pills and they have done for me more than any other medicine has done." Sold by all druggists.

New York City and Albany, Oregon, still have street cars propelled by horse-power.

Twenty-five Cents is the Price of Peace.

The terrible itching and smarting, incident to certain skin diseases, is almost instantly allayed by applying Chamberlain's Salve. Price, 25 cents. For sale by Dr. Stone's drug store.

More wheat will be harvested in Lane county this year than for many seasons past. And best of all, the market is steadily moving upward.

It Can't Be Beat. The best of teachers is experience. C. M. Harden, of Silver City, N. C., says: "I find Electric Bitters does all that's claimed for it. For Stomach, Liver and Kidney troubles it can't be beat. I have tried it and find it a most excellent medicine." Mr. Harden is right; it's the best of all medicines also for weakness, lame back, and all run down conditions. Best too for chills and malaria. Sold under guarantee at J. C. Perry's drug store. 50c.
