Austrian Compulsory Insurance.

Consul Charles B. Harris of Reichenberg transmits a translation of a law for the compulsory insurance of private and certain public employes in Austria which will take effect on January 1, 1909.

The law provides for the creation of a fund for the payment of annuities to incapacitated or retired private and certain public employes and the total annual payments to be paid by the employer and the employe.

Persons not obliged to insure are: Those who have secured position after their 55th year; those who, owing to former service, are already enjoying invalid or old-age annuities, etc.; persons employed outside the limits o fthis law; employes of traffic railroads, the adjusting of whose claims for insurance is to be provided for by the ministry of railroads.

Persons who are required to insure are: All persons who have completed their 18th year, who from one and the same employer, receive a monthly or yearly wage amounting to at least 600 crowns ($121.80) a year, and also all public employes having no fixed claims for state, invalid or old-age pensions, as well as all pensions in favor of their heirs. Employes are, however, not considered who render the following service: Persons engaged in the production of goods and rendering physical labor in the broadest sense, mining, agricultural and factory workmen, aprentices and servants; those to whom the domestic employment law finds application, or who entirely, or almost so, render domestic service.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Would Have Saved Him $100.00.

"In 1902 I had a very severe attack of diarrhoea," says R. N. Farrar of Cat Island, La. "For several weeks I was unable to do anything. On March 18, 1907, I had a similar attack, and took Chamberlain's Colic, Cholera and Diarrhoea Remedy which gave me prompt relief. I consider it one of the best medicines of its kind in the world, and had I used it in 1902 believe it would have saved me a hundred dollar doctor's bill." Sold by Dr. Stone's drug store.

Even Hearst's new party has plenty of candidates for president, anything for notoriety.

The New Remedy That Does.

"Dr. King's New Discovery is the remedy that does the healing others promise but fail to perform," says Mr. E. R. Pierson, of Auburn Centre, Pa., It is curing me of throat and lung trouble of long standing, that other treatments relieved only temporarily. New Discovery is doing me so much good that I feel confident its continued use for a reasonable length of time will restore me to perfect health." This renowned cough and cold remedy and throat and lung healer is sold at J. C. Perry's drug store 50c and $1.00. Trial bottle free.

DeWitt's Witch Hazel Salve is especially good for piles. Recommend ed and sold by all druggist.

The Guying of Hobson.

The Denver Convention gave no better proof of sanity than in the treatment it accorded Representative Hobson.

It was a severe test. The occasion was one whire sensationalism would naturally make a strong appeal in the excitement of the moment. Spread-eagleism is always attractive to political manipulators. Hobson's deliberate purpose was to play with fire in the magazine. He had planned to touch off and explosion of jingoism of which the harmful effects would have been far reaching at home and abroad.

Fortunately the average American is gifted with both common sense and a sense of humor. The spectacle of the quondam "hero of the Merrimac" boosting himself into prominence as the bearer of a solemn message of salvation to the nation and as the confidential mouthpiece of President Roosevelt in spreading a war scare brought down the house. Hobson left the platform the butt of the gallery and the laughing stock of the delegates, and within a few hours President Roosevelt had publicly branded him as a falsifier.

After the riducle showered upon him at Denver, if the man were not consumed with self-conceit he would pack up his bundle of false war rumors and expert opinions, and seek deserved obscurity. A sharper rebuke to the professional inciters of world-wide strife in the Pacific could not have been administered by a representative gathering of American citizenship.—New York World.

Magnitude of the Krupp Works.

The prospect of a 4 per cent loan of £2,500,000 by the Friedrich Krupp company at Essen gives very interesting data about the compass and the production of this gigantic industrial concern. The balance sheet of June 30, 1907, show a total of £21,000,000 in assets and liabilities, the shares held almost exclusively in one hand being fixed at £9,000,000. Eight great branches are enumerated. The basis of the whole wonderful growth viz., the cast-steel manufactory at Essen, still holds he foremost rank as regards magnitude, not less than 32,440 workmen and officials being entirely employed by its works. It produces all kinds of modern war material, including armor plates, steel castings for mechanical and naval engineering, tool steel and material for light railways in the long list of its specialities. The second independent establishment is the Friedrich-Alfred smelting works at Rheinhausen-Friemersheim, one of the largest in Europe and well know for its Thomas iron and Martins steel products. Already since 1886 the firm of Friedrich Krupp is the proprietress of the Annen steel foundry, noted for its crucible steel manufactures. Very many-sided is the activity of the Grusonwerk at Magdeburg-Buckau, acquired in 1893. The "Germania-Werft," at Kiel Garden, was added in 1902 and is one of the most modern and best laid out ship-building yards in the world. Three iron works in the banks of the middle coure of the Rhine river, three coal mines form three other important groups. The participations in other mining establishments in Germany and abroad, an extensive property of clay pits, limestone and quartzite pits is not incluuded in the financial statement. Of iron ore the firm produced in 1907 over a million tones, of marketable pig iron about 800,000 tons, of coal and coke nearly 3,000,000 tons. The whole figures of its permanent employes is given at 63,084. Therefore we come to the conclusion that of every thousand inhabitants in the fatherland one is an employe of this firm, and if we take the families of the workmen into consideration every 200th person in Germany is connected with the firm of Friedrich Krupp Limited.—Continental Correspondence.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung disease (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such professional endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit-forming drugs and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent, medical authorities, endorsing its ingredients mailed *free* on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

Help for Those Who Have Stomach Trouble.

After doctoring for about 12 years for a bad stomach trouble, and spending nearly five hundred dollars for medicine and doctor's fees, I purchased my wife one box of Chamberlain's Stomach and Liver Tablets, which did her so much good that she continued to use them and they have done her more good than all of the medicine I bought before.—Samuel Boyer, Folsom, Iowa.
