A LITTLE HARMONY WOULD DO NO HARM.

The disposition of R. E. Williams of Dallas, national committeeman for Oregon, to work in harmony with State Committeeman Calk was an encouraging sign for Republican success in Oregon.

IT WAS GOOD POLITICAL SAGACITY, common horse-sense and the decent American way of doing things.

But the Oregonian will not permit it. IT RENEWS THE FIGHT TO FORCE CAKE TO RESIGN.

It demands what it calls exclusive campaign control for what it calls THE FULTON-TAFT REPUBLICANS.

Why not have the national and state chairmen conduct the state campaign?

Why not unite the party lines and carry Oregon for Taft?

That would gratify all the Republicans of Oregon BUT THE PARTY WOULD BE BIGGER THAN THE OREGONIAN.

That would never do to have the party, or the state bigger than the Oregonian.

The harmony of the Republican party and the development of the state are as mere specks compared to the Oregonian's graft.

IT CANNOT EXIST WITHOUT A POLITICAL AND JOURNALISTIC MONOPOLY STRIFE AND DISCORD.

An able, decent Republican morning paper at Portland that would work for party harmony, and to popularize the party with the people would put the Oregonian out of business.

A REPUBLICAN PAPER THAT WOULD BUILD UP THE PARTY

THE HABIT OF SAVING

Is the direct road to prosperity. A good way to cultivate the habit of saving is to open a Savings Account, and deposit small amounts regularly. All money deposited, from one dollar up, will earn three per cent interest.

SAVINGS DEPARTMENT CAPITAL NATIONAL BANK

INSTEAD OF TEARING IT TO PIECES IS SADLY NEEDED AT THE METROPOLIS.

One after another of the Oregon delegation in congress is destroyed by insinuation, misrepresentation and abuse.

FOR TWO YEARS THE OREGONIAN SICKED HENRY ONTO FULTON.

The Oregonian editors were in Henry's closest councils in all the time of the Mitchell trial and for a year afterward.

Then when Fulton's standing with the people has been undermined, and the mines laid for his defeat at the primaries, THE ALLIGATOR TEARS ARE SHED OVER HIS REMAINS, he kisses the hand that smote him, and he is restored to the good graces of the fall tower.

Kiss the feet of the great creator, preserver and destroyer of the Republican party of Oregon if you would live!

Great is discord and its journalistic king demands a new victim!

NO MAN IS A REPUBLICAN BY HIS CONSENT. THERE IS NO REPUBLICAN PARTY BUT THE OREGONIAN.

What if its editors do advocate free trade, prohibition and the bloody shirt?

IT IS THE HARMONY AND THE UPBUILDING OF THE REPUBLICAN PARTY THEY ARE AFTER!

R. E. Williams made a fatal mistake when he offered to work in harmony with the legally elected Republican state chairman.

That would have been accounted good Republicanism in Iowa, Washington, Ohio.—ANYWHERE BUT IN OREGON.

Now why this effort to drive State Chairman Calk and his friends, and the supporters of direct election of senators out of the Republican party?

TO ENSURE A MONOPOLY OF FEDERAL PATRONAGE TO THE SCOTT FACTION.

That means a monopoly for a boss machine newspaper.

Those were the tactics employed when Scott had Furnish nominated for governor, and SCOTT WAS TO BE MADE SENATOR.

Furnish put up the money to ensure him the nomination on a deal by which Jack Matthews was to deliver Scott the senatorship.

Again this year, instead of allowing the national and state committeemen to conduct the campaign for Taft alone free of harmony, THE OREGONIAN HAS UNDERTAKEN TO CLUR CAKE OUT OF THE PARTY.

All in the interests of party discord and Republican demoralization. Well may the guardian angels of the G. O. P. weep tears like walnuts. Calk is called a traitor to the party because his brother secured the nomination for senator by the direct primary.

He is denounced as a political

criminal because he appealed to the people and complied with the law. The Oregonian teaches that IT IS A CRIME TO TAKE INSTRUCTIONS FROM THE PEOPLE AND UNCONSTITUTIONAL TO EXECUTE THE WILL OF THE MAJORITY.

If the Oregonian really loved Republican principles and Republican success what harm would have resulted from allowing these two state chairmen to get together and pull for a harmonious victory?

NONE WHATEVER. ONLY GOOD COULD HAVE RESULTED.

What good can come to the Republican party from a prolonged one-man dictatorship in Oregon?

NONE WHATEVER. ONLY HARM.

The one-man dictatorship does not want harmony. IT PREFERS STRIFE, DISCORD, DEMORALIZATION.

It seeks to place the party in an attitude of hostility to the people and carry Oregon for Taft and the discredited machine and thus on the popularity of Taft DISCREDIT THE PEOPLE AND OVERTHROW POPULAR REFORMS.

To Save a State's Lumber Supply.

To supply California the southern half of which has been badly denuded of its original forestation, with an abundance of timber; to aid in the increase of rainfall over a dry area which is destined in the near future to be called on to support an immense population; to supply more than 12,000,000 ties yearly to the railroads of the United States, and, last but not least, to furnish a perpetual bee pasturage for hundreds of apiarists—these, all these, are the things which are beginning to be written in the history of one tree in Southern California.

That tree is the eucalyptus, of many species, and the lumber from which has but lately been discovered to possess qualifications for use in certain industries possessed by no other tree, wild or domestic, known to man.

As a mere beginning of this plan the Santa Fe railway company has bought 10,000 acres of land in San Diego county, Cal., and is planting it as fast as possible to young eucalyptus trees six or eight inches tall. Several hundred acres of this vast tract have been set out already, and fully 95 per cent of the trees have taken hold in good shape and shown signs of growth.

One of the most interesting things about the eucalyptus is its variety, of which there are at least 150 good species, with probably a third as many sub-species which are not commonly listed in the catalogues.

They grow to be of great size; in Australia individuals of some varieties have been known to attain a height of 300 feet. In California, where trees were planted about some of the old haciendas 40 years ago, they are still growing and their ultimate size is entirely problematical.

At 18 years of age a tree will cut into at least two railroad ties. A blue gum six or eight years old, if cut to the ground, will send up shoots that will be 75 or 100 feet tall in another eight years.—Harry H. Dunn in Technical World.

MOTHER STOPS MARRIAGE BUT ONLY FOR A MOMENT.

(United Press Local Wire.) Stockton, Cal., July 29.—"If any one can show cause for complaint why these two shall not be lawfully joined together let him now speak or hereafter forever hold his peace."

Just as Rev. W. P. Grant, pastor of the Lodi Methodist Episcopal church of Lodi, had reached the above critical point of a marriage ceremony at Lodi last night, the doors of his parsonage were burst open and an irate mother rushed upon the scene. She warned the man of cloth not to say the words that would pronounce Joseph A. Phillips and her daughter, Minnie O. Florence, man and wife, declaring that Minnie was not yet of legal age, and that the marriage license had been fraudulently obtained.

Thereupon a lively scene was enacted. The young couple hurried from the building, leaped into a buggy and started down the road, posthaste. The mother engaged two men with bicycles to give chase, but the cyclists were soon outwitted, and the elopers escaped.

The mother, Mrs. Minnie Florence, is continuing the search, but up to noon today no news had been

Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliancy vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weaknesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the check of its freshness and the form of its fairness.

As surely as the general health suffers when there is derangement of the health of the delicate woman's organs, so surely when these organs are established in health the face and form at once witness to the fact in renewed comeliness. Nearly a million women have found health and happiness in the use of Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well. Ingredients on label—contains no alcohol or harmful habit-forming drugs. Made wholly of those native, American, medicinal roots most highly recommended by leading medical authorities of all the several schools of practice for the cure of woman's peculiar ailments.

For nursing mothers, or for those broken down in health by too frequent bearing of children, also for the expectant mothers, to prepare the system for the coming of baby and making its advent easy and almost painless, there is no medicine quite so good as "Favorite Prescription." It can do no harm in any condition of the system. It is a most potent invigorating tonic and strengthening nerve tonic; adapted to woman's delicate system by a physician of large experience in the treatment of woman's peculiar ailments. Dr. Pierce may be consulted by letter free of charge. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

received of them. As the young people were in possession of the license, which gives the young man's age as 21 and the young woman's as 18, it is believed they have been wedded at some country parsonage.

ABANDON HOPE OF SAVING WRECKED STEAMER

Santa Barbara, Cal., July 29.—Captain Von Salzen today abandoned hope of saving the steamer Anubis, which is wrecked on a reef off San Miguel island, westerly gales Sunday and Monday having torn part of the loosened steel plates from the port side, dooming the ship to total destruction.

All hands have deserted the wreck and are assembled on Flea island. The certainty of the destruction of the Anubis has resulted in a truce between the warring Chilean and Mexican stevedores.

Best the World Affords.

"It gives me unbounded pleasure to recommend Backler's Arnica Salve," says J. W. Jenkins, of Chapel Hill, N. C. "I am convinced it's the best salve the world affords. It cured a felon on my thumb, and it never fails to heal every sore, burn or wound to which it is applied. 25c. at J. C. Perry's drug store."
