

AN TO REJUVEN- ATE THE SOIL

Washington, July 31.—The United States Forest Service has a plan for the utilization of the worn-out farms of the country—a scheme to make them a paying proposition. The idea is simply to plant trees. An Ohio farmer suggested the scheme. He owns a homestead where farming has been a losing proposition. He has therefore deposited to plant the entire tract with Norway spruce has been selected as the tree, and as soon as they are large enough they will be sold for Christmas trees—and, by the way, Christmas trees bring first-class prices.

One of the fundamental principles of forest economics, say the experts, is that soil which is not good enough to make the growing of cereal crops profitable should be devoted to the production of wood crops. This does not mean that trees grow better on poor soil than on fertile soil. But, in proportion to the money invested, better returns are secured from trees planted on the less valuable land.

The Ohio farmer mentioned above expects to plant chestnut in the blank spaces left after removal of the first crop of Christmas trees. About the time when the last spruce is cut, it is predicted that the chestnut will be ready for the axe. In addition, catalpa, black locust, elm, boxelder, and sycamore will be planted. All of the trees mentioned are excellent for the purpose; growing well on less fertile land, and furnishing a comparatively quick return on the money invested.

CHAPERONE OF ALL FILIPINO STUDENTS

Washington, July 31.—Edmund Wright of Wisconsin has just landed on these shores from the Philippines to occupy the position of Superintendent of Filipino students in the United States. His duties will be to see that the professors in the colleges throughout the country to whom the Filipinos have been assigned drill a proper amount of learning into the heads of the young islanders, and that the boys get enough football and don't sow too many wild oats.

Wright went to the Philippines in 1903, after having graduated from Beloit college. He began his work as a clerk in the civil service board, but soon became chief examiner. His new position was won by sheer merit and length of service in the islands, and carries a fat salary.

IGORROTES IMPROVING UNDER ROOSEVELT

Washington, July 31.—However much or little Williams Jennings Bryan may be worrying President Roosevelt and Judge Taft, there is cause for rejoicing in Oyster Bay and Cincinnati. This is due to the annual report of Governor Wm. F. Pack, of Benguet province, Philippine Islands.

Benguet province is the land of the Igorrote. These native tribesmen were recorded as uncivilized until seven years ago—when the Roosevelt administration came in. The report shows that since that time there has been less race suicide among the Igorrotes than among any other people on the face of the earth. Gov. Pack says that during these seven years, the Igorrote population has increased from 12,000 to 30,000. He admits that some inhabitants have come across the borders from other provinces, but he proves conclusively that the birthrate and a better mode of living which brings about an effect that the women do not have to work as hard as formerly," explains the governor.

WHY SO WEAK?

Kidney Troubles May Be Sapping Your Life Away—Salem People Have Learned This Fact.

When a Healthy Man or Woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well. Here is Salem testimony to prove it:

E. E. Gillian, proprietor of Ivory and feed stable at 62 Ferry street, and living at 332 Water St., Salem Oregon, says: "Years of almost constant driving and a fall which I got several years ago which wrenched my back badly had tended to hurt my kidneys. I suffered from backache and lameness so that at times I could hardly straighten up. Sharp pains caught me when I arose after sitting. None of the remedies I tried did me any good until a short time ago I was induced to get Doan's Kidney Pills at Dr. Stone's Drug store. In a short time I obtained more relief from the backache and disordered condition of the kidneys than I had for years. I know of neighbors who have used your remedy, and they all speak of it as the best medicine there is, and I believe this to be so."
