BOYS NEARLY START A RACE RIOT

(United Press Leased Wire.)
Oakland, Cal., Aug. 17.—The police today are investigating a clash between a gang of young hoodlums and several Chinese which came near resulting in a race riot here yesterday. Pook Chung, a young Chinaman, was fatally stoned by the boys, and Charles Carter, a 7-year-old lad, was pursued by a crowd of infuriated celestials who would have murdered him in revenge for the attack on their countrymen had they not been prevented by C. A. Mars, who came to the boy's assistance. Eugene Sankey, 13-years, is under arrest on suspicion of inciting the boys to the attack. The five Chinese who pursued the Carter youth are also held by the police. The melee caused several riot calls to be sent in by frightened persons in the neighborhood of the trouble. The Chinamen were walking together on the street when they were assaulted by a volley of stones hurled at them by the boys. A heavy mix hit struck Pook Chung on the head fracturing his skull. His companions immediately gave chase to the boys, singling out the Carter lad as the leader. He took refuge in the house of Mars, who drove the Chinamen away. The Sankey boy is believed by the police to have thrown the rock that hit Pook Chung.

MYSTERY SURROUNDS FINDING OF PURSE

An unusual find, the circumstances preceding which are still clouded in mystery, is in the possession of Sheriff Minto. Saturday evening a man giving his name as L. W. Zwicker, a workman on the bridge gang near Marquam, 10 miles east of this city, brought into the sheriff's office a purse containing a check for \$4745 drawn on the Merchant's National bank of Portland, in favor of William L. Ziegewald, and signed by George W. Hoyt, assistant cashier of the bank. The check was dated June 17, 1908. Zwicker said he found the purse near the bridge where he was working at Marquam. According to papers found in the purse Ziegewald was a member of the Brotherhood of Locomotive Firemen and Engineers, and his home lodge was in Tacoma, Washington. Two money order receipts, one for \$1 bought in Silverton on July 20, and another for \$7, bought in Portland on June 9, were among the articles in the purse. Other papers found in the purse indicate that Ziegewald was on his way to a timber claim in Tillamook county. The papers contained rather meager directions and a rough description of the land. No money was in the purse except two cents in coin and eight cents in stamps. Zwicker found the purse about the last of July. He said that he made several inquiries as to the ownership of the property, and that when he could find no one to claim it he decided to turn it over to the sheriff. The sheriff's office will make an investigation at once to ascertain the identity of Ziegewald and to learn the circumstances surrounding the loss of the purse. As far as can be learned no inquiries have been made regarding the loss, to any officer of the peace in Marion county.
