

BOYCROFT PHILOSOPHY.

(By Fra Elbertus.) Written in a sincere and kindly desire to help the young who do not know, and the older ones who sometimes forget.

Employers should be dignified in payment, and not wrestle, huff, jostle. These things all make an impression on customers, and a bad impression.

Keep away from gambling-rooms, pool-rooms and all places where you would not care for your employer to see you—have you see him.

There are valuable positions always opening up in any progressive concern. Be ready to be promoted. Promotions go straight to the cheery, intelligent worker.

Don't throw waste paper and refuse on the floor—baskets are provided for rubbish. Be very careful never to leave oily waste in rubbish cans or on the floor—put such material in cans and see that the cover is closed.

Spontaneous combustion is a common cause of fire. Above all in writing letters never use resentment or anger. The letter lives long after the cause of the offense is forgotten.

To write to distant friend a give-away on the part of a grand call-down—is an error that is paid for every day in that the number of such letters sent in company envelopes, that are misdirected and come back to the proprietor to read, is enormous.

People coming up from California say it is so hot that business has practically been blocked. Just right for business here.

Disagreeable at Home. Lots of men and women who are agreeable with others, get "cranky" at home. Its not disposition, its the liver.

The Chinese pheasants had better practice sprinting. The open season is near at hand, and there is plenty of danger in the closed season.

The Laziest Man in the World. would not be contented to be kept in the house and doing nothing by rheumatism. Neither are you, who are always busy and active.

Why James Lee Got Well. Everybody in Zanewille, O., knows Mrs. Mary Lee, of rural route 3. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery.

Diarrhoea Cured. My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure, without avail," writes John Kinkle of Philippi, W. Va.

Excellent Health Advice. Mrs. M. M. Davidson, of No. 379 Chestnut avenue, San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the bowels is so pronounced.

A Faithful Friend. "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use.

Burns, the shoe man, lost his all—No insurance. Take Kodol whenever you feel that you need it. That is the only time you need to take Kodol.

Chronic Diarrhoea Relieved. Dr. Edward E. Henry, with the United States Express Co., Chicago, Ill., writes: "Our general superintendent, Mr. Glick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea.

TIMBER INQUIRIES GROW IN NUMBER

There has been more inquiry for timber in the last three weeks than there has been for some time, says the Oregon Lumberman. Few sales have been made but the number of sales is very small compared to the number of inquiries which are coming in from all over the east.

As soon as the fall season arrives an active timber market may be anticipated. The atmosphere is full of smoke, mostly from fires in slashings or cut-over lands, which causes the non-coast resident to hesitate before buying, especially with big scare lines in the daily press.

Disagreeable at Home. Lots of men and women who are agreeable with others, get "cranky" at home. Its not disposition, its the liver. If you find in yourself that you feel cross around the house, little things worry you, just buy a bottle of Ballard's Herbine and put your liver in shape.

The Laziest Man in the World. would not be contented to be kept in the house and doing nothing by rheumatism. Neither are you, who are always busy and active. Then don't neglect the first twinge of an ache or pain that you might think is just a "crick."

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, rapid liver with indigestion, and Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The following leading medical authorities, among a host of others, extol the foregoing roots for the cure of just such ailments as the above symptoms indicate: Prof. R. Bartholow, M.
