STATE NEWS

Mr. A. Decker, one of the best known of American magazine writers, is making a tour of Oregon in behalf of the "World Today."

The great irrigation districts of Malheur and Klamath counties were represented in Portland this week by Messrs. W. H. Doolittle, secretary of the Ontario Commercial club, and R. H. Dunbar, secretary of the Klamath Falls chamber of commerce.

Owners of famous horses, as well as breeds of fancy stock, are coming to Portland daily from all parts of the country to see the marvelous grounds and track of the Portland Country Club & Livestock association. The show will open September 21st and continue a week—track and barns will be entirely completed by the opening day. O'NAMETAO by the opening day. No matter how much visitors may expect, they will not be disappointed, for the whole situation is ideal.

President William P. Stark and three members of the Missouri State Board of Horticulture will spend two entire weeks in Oregon before they complete their tour of the state. The name of Stark is well known to every fruit grower in America, and the good opinion of these gentlemen is worth much to the state.

Fifty thousand souvenir postal cards showing the magnificent Oregon State building at the Alaska-Yukon-Pacific exposition have already been circulated, and one hundred thousand more have been ordered. This building is considered by many as the most artistic state building ever erected at an exposition. The Portland Commercial club will send one of these cards for the asking.

The committee on ways and means appointed by the Oregon Good Roads conference have arranged for a Good Roads convention at Tillamook on September 4th, and another at Roseburg September 22nd. Other meetings are under consideration and definite dates will be decided within a few days. There is universal determination to make this campaign the most effective the state has ever experienced.

"Albany Day" at the Portland Commercial club August 19th was one of the most pleasing incidents that has occurred in Portland for a long time. A delegation of representative members of the Albany Commercial club were guests at a special luncheon. Beautiful Albany booklets were distributed throughout the various dining rooms, and Albany and Linn county were given prominence in every possible way. Bury I. Dasant, manager of the Albany Commercial club, extended an invitation to the business men of Portland to visit Albany on November 3rd to celebrate the completion of the new depot and attend the Linn county Fruit Show. The invitation was accepted.

Must You Reduce Your Fat?

If you have gotten to the point, my dear madam or good sir, where the excess fat must positively come off—don't worry. No need to peer in the gymnasium door with a despairing glance or sniff dubiously at the soapy savoriness of a bowl of impoverished gruel. You can keep on eating what you please if you will but ask your druggist for 1/2 ounce Marmola, 1/2 ounce Fluid Extract Cascara Aromatic, and 3 1/2 ounces Syrup Simplex. Get the Marmola sealed. Mix it at home and take a teaspoonful after meals and at bedtime, for a few weeks. Good health and firm, smooth flesh reduced quickly to an amount natural to your build will reward you. Too simple, you say. Fortunately simple, I say. The simplest things are the best.

When Governor Chamberlain confers there is something doing.

Chronic Diarrhoea Relieved.

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes, "Our general superintendent, Mr. Quiek, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and cured many on our trains who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by Dr. Stone's drug store.

The most important thing one should consider when desiring to "get in the swim": "Will I be able to keep my head above water?"

Granulated Sore Eyes Cured.

"For 20 years I suffered from a bad case of granulated sore eyes," says Martin Boyd of Henrietta, Ky. "In February, 1903, a gentleman asked me to try Chamberlain's Salve. I bought one box and used about two-thirds of it and my eyes have not given me any trouble since." This salve is for sale by Dr. Stone's drug store.

For Sore Feet.

"I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts, and all manner of abrasions," writes Mr. W. Stone, of East Poland, Maine. It is the proper thing, too, for piles. Try it! Sold under guarantee at J. C. Perry's drug store, 25c.
