

# If It's Neuralgia

and those sharp, shooting, agonizing pains drive you almost crazy, take Dr. Miles' Anti-Pain Pills, and get relief. They drive out the pain by their soothing effect upon the nerves. When taken as directed they are harmless, and leave no bad after-effects. That's the reason they are so popular with all who use them. Your druggist can tell you what others in your locality think of them.

"I do positively think that Dr. Miles' Anti-Pain Pills are the best medicine I ever put upon the market. I find them so restful and soothing, and without any bad after-effects, I have suffered with neuralgia so that my system would just ache and quiver, and I cannot take opiates; but I can take these tablets, and they always relieve me. No one that suffers with neuralgia need fear to take them as I know they will not form a habit, for I take them just one in the morning when I feel bad, and I can do my work all day."

W. H. BURKETT, Macon, Ga.

Dr. Miles' Anti-Pain Pills are sold by your druggist, who will guarantee that the first package will benefit. If it fails, he will return your money, or send 26 cents. Never sold in bulk.

## MISTAKES WILLAMETTE ELEVATOR FOR ROOM

A good many humorous incidents have occurred in the Willamette hotel through guests being just a little behind the times as to the modern hotel accommodations, but the most laughable mistakes made by the seekers of rest, occurred last evening when a young German entered the front door of the hotel and solemnly meandered through the front office and on up the stairs, without noticing any one, in search of a room. After he had rummaged about considerably on the upper floors, Night Clerk Otto Miller dispatched the bell boy to investigate. He brought the now bewildered guest down and put him right to the proper room in hotel etiquette. After registering him, the man was being directed to his quarters on the fourth floor which was to be reached by the elevator and as the elevator had just stepped aside to allow the guest to enter first, that personage was standing with mouth open apparently astounded for a second, when he exclaimed: "That's a mighty fine room, young man, but where is the head-rests and covers?"

**Diarrhoea Cured.**  
"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure without avail," writes John H. Ertle of Phillip, W. Va. "He used Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Phillipian Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for 18 months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although 60 years old, can do as much work as a young man." Sold by Dr. Stone's drug store.

Some New York horsemen refused to race while Gov. Hughes was on the ground. Regular donkeys.

**Why James Lee Got Well.**  
Everybody in Zanesville, O., knows Mr. Mary Lee of rural route 4. She writes: "My husband, James Lee, firmly believes that he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health." Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it. Sold under guarantee at J. C. Perry's drug store. 50c. and \$1.00. Trial bottle free.

Don't take cold, but if you do, don't fail to take Kemp's Balsam to prevent serious consequences. Nothing else is so valuable in treating coughs and colds.

The way to argue with a woman is to let her do the talking.

**Chronic Diarrhoea Relieved.**  
Mr. Edward E. Henry, with the United States Express Co., Chicago, writes: "Our general superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of the old chronic diarrhoea. I have used it since that time and cured many on our train who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 23rd Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once." For sale by Dr. Stone's drug store.

## PATTY HILL A PROUD FATHER

Probably the most satisfied man in the city yesterday was Patty Hill, a former well known Salem man and a brother to the Hill brothers, who conduct the local cigar store. Patty arrived yesterday morning from Stayton his present home, and brought along with him a photograph of the prettiest four-month-old boy in America according to his way of putting it, and the new arrival is surely a very fine looking citizen without exaggeration a something to be proud of as evidenced by Patty's high stepping.

## A Faithful Friend.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872, and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for 18 years, and never start out on a trip without this, my faithful friend," says H. S. Nichol of Oakland, Ind. Ter. When a man has used a remedy for 35 years he knows its value and is competent to speak. For sale by Dr. Stone's drug store.

If the newspaper was to speak out about people the way the mirror does there would be some editorial catastrophes. But what's the use anyway.

Samples free at Dr. Stone's drug store.

## EUGENE-ALBANY-SALEM-WOODBURN LEAGUE

Although Salem will not be represented in next season's Tri-City league, composed of Portland, Vancouver, Oregon City, Woodburn and Salem teams, arrangements will be probably made to form a league of the same nature between Eugene, Albany, Salem and Woodburn. There have been no definite plans arranged so far toward the new league as suggested, but owing to the fact the above named cities are capable of supporting such a league the matter will no doubt be taken up before next season's play arrives.

## The Secret of a Beautiful Face

lies in keeping the skin protected as well as cleansed. Just washing is not enough—that only leaves the delicate surface more exposed to the irritation of dust and germs, to merciless attacks of sun and weather. After washing, apply Robertine and experience its delightful refreshment. You will admire the lineless softness it imparts to face, neck and arms. It not only stimulates a radiant glow, but protects the skin from becoming coarse. Prevents burning, tan and freckles.
