-SMILES-

Those rains came just right to freshen up the fall dairies.

Salem might as well be the Spokane of western Oregon.

Have you observed the new stream of life and activity on State street since it is paved? Now, light up that street from end to end and make this a city to be proud of.

It's a pity Harriman can't be here and see our state fair in all its glory. That would remove all doubts from his mind as to Oregon being able to furnish business for any railroads he might build.

The German-American Verein will have another picnic in October. No way to stop the number of Germans in the country increasing nor the number coming to Oregon growing every year. Es gibt immer mehr.

The Journal circulation is increasing so fast it is hard for the machinery to keep up with it. A new press has been installed. Another linotype going in. New departments will be added. All it needs is a new editor who can please everybody.

Harriman is going to stop at Salem three hours, and see the town that sends out more high-priced freight than any station on his line. Where a carload of prunes or hops frequently brings him a thousand dollars, and one bank cashed \$475,000 in hop exchange in a season. Yet we are too poor to have a decent freight depot, and the passenger depot formerly would not hold half the people who wanted to ride and they used to carry umbrellas and stand out in the rain and wait for the trains. But they no longer carry umbrellas. They take the Oregon Electric and the Harriman passenger depot is plenty big enough at Salem. The electric lines have taken the passenger business at Oregon City, next at Salem, and next it will be taken at Albany, and then at Eugene. Just the same we are all glad to welcome E. H. Harriman to the busiest capital city on the northwest Pacific coast. We will show him our prunes and our good roads with pleasure, and invite him to build from Stayton to Derry with a big steel bridge from Salem to Johnsonville across the river.

TEA
Buy tea by the ounce until you get Schilling's Best; it makes no difference then. Your grocer returns your money if you don't like it; we pay him.

SHEPHERD PLEASSED WITH LOWER RATE
There is good news for shepherds in announcements of freight rate reductions just made by several of the transcontinental roads. Some time ago the Burlington announced a one cent per day rate on sheep and now the Chicago, Milwaukee & St. Paul has announced a half cent rate per day per head. The Chicago & Great Western and the Chicago & North-western are offering a one cent rate. News of the reduction granted by the C. M. & St. Paul has just been sent Dan P. Smythe by G. E. Walker.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidney's themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make a mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

When the doctor is called he asks: "How are the bowels?" They are generally wrong. His visit might have been saved by a timely dose of Lane's Family Medicine. Perhaps some day it will be U. S. Senator Harriman of Oregon.

Sleep And Rest

Every movement of the body consumes energy. So does mental effort. Energy is supplied by the nerves. It follows that physical or mental exhaustion simply means an over-draft on the nerves. Nature restores energy through rest and sleep. You cannot sleep with tired nerves. Dr. Miles' Nervine soothes the irritation and restores nervous energy.

"Although I have lived nearly 70 years, I have stood up against testimonials for publication, but the unqualified excellence of Dr. Miles' Restorative Nervine, as a medicine for inherent insomnia, intensified by long residence in a high altitude compelled me to recognize its superiority over every other medicine I have ever used for nervousness and sleeplessness. I feel sure that the Nervine is free from injurious qualities found in most medicines for insomnia, and can conscientiously recommend it to the aged and nervous." MRS. W. H. PURSMAN, Colorado Springs, Colo.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
