

**Rewarding Faithful Service.**  
Following a new plan to secure further material improvement in the operation of its lines within the District of Columbia, the Capital Traction company has announced that, beginning July 1, 1908, conductors and motormen in its employ will be divided into three classes and will be given substantial monetary rewards—divided in proportion to the number of years each has satisfactorily served the company—at the end of each succeeding year. The three classes will include respectively, the men who have "served satisfactorily" for two years; those who have "served satisfactorily" for five years, and those who have "served satisfactorily" for ten years or more. At the end of each year, until they have become eligible as members of Class B, the members of Class A will receive a gratuity of \$50. Similarly, until they become eligible to Class C, the members of Class B will receive \$75. Members of Class C will be given \$100.—Municipal Journal and Engineer.

**TEA**  
You will find no other tea in packages bearing our name. If you find any such, you know what to do.

Your grocer returns your money if you don't like it. We pay him.

A man doesn't have so very much opposition in being good.

**CASTORIA.**  
The Kind You Have Always Bought

**Traveling Man's Experience.**  
I must tell you my experience on an east bound O. R. & N. R. R. train from Pendleton to La Grande, O. writes Sam A. Garber, a well known traveling man. "I was in the smoking department with some other traveling men when one of them went out into the coach and came back and said, 'There is a woman sick into death in the car. I at once got up and went out, found her very ill with cramp colic; her hands and arms were drawn up so you could not straighten them, and while a blueish look on her face. Two or three ladies were working with her and giving her whiskey. I went to my suitcase and got my bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy (I never travel without it), ran to the water tank, got a double dose of the medicine in the glass, poured some water into it and stirred it with a pencil; then I had quite a time to get the ladies to let me give it to her, but I succeeded. I could at once see the effect and I worked with her, rubbing her hands, and in 20 minutes I gave her another dose. By this time we were almost into La Grande, where I was to leave the train. I gave the bottle to the husband to be used in case another dose should be needed, but by the time the train ran into La Grande she was all right, and I received the thanks of every passenger in the car." For sale by Dr. Stone's drug store.

Thieves always lay it to some one else.

**Deafness Cannot Be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.  
Sold by druggists, 75c.

Best Treatment for a Burn.  
If for no other reason, Chamberlain's Salve should be kept in every household on account of its great value in the treatment of burns. It always relieves the pain almost instantly, and unless the injury is a severe one, heals the parts without leaving a scar. This salve is also unequalled for chapped hands, sore nipples and diseases of the skin. Price, 25 cents. For sale by Dr. Stone's Drug Store.

Most men deceive themselves more than they do other people.

**How to Get Strong.**  
P. J. Daly, of 1247 W. Congress St., Chicago, tells of a way to become strong: He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters, that I feel it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints. Sold under guarantee at J. C. Perry's drug store, 50c.

**Pure Food and Pure Nonsense.**  
After January 1st next, the pure food and drugs law decrees that no foods greened with copper salts shall be entitled to entry into the United States. Until then all vegetables so treated, but not containing any excessive amount of copper and which are otherwise suitable for foods, will be admitted, inasmuch as contracts have been already made for the present year's supply. The label, however, must state that copper salts have been used to color the vegetables. We have had some things to say in regard to this pure-food law, or rather, in regard to the administration of it. Here seems to be an instance of its application to the best interests of the community. The underlying aim of such a law is the preservation of public health, and food stuffs containing poisonous coloring matter are proper objects for attack.

But it is when the administrators of such laws as this go further and hold them up to ridicule, or draw down upon them the attacks of honest merchants who should be supporters, that we emphatically protest. The ice cream manufacturers of New York state, for instance, met recently, and the ridiculous ice cream ruling of the New York Department of Agriculture was discussed. The decree is that if any other substances are used in the manufacture of ice cream than cream, it cannot be labelled ice cream or sold as such; yet ice cream so made would be too rich for the average stomach. These manufacturers state that milk and eggs are used in the manufacture of ice cream, and are not deleterious to health, and even improve the quality of the product. With this claim housewives will heartily agree. The dealers further assert that the ruling will prevent the manufacture of many kinds of ice cream generally used under that name, and that the inability to use the name will work unnecessary hardships. In trying to outdo the curious performances of Dr. Wiley, our state authorities are inviting the well-deserved criticisms they are receiving.—Leslie's Weekly.

There seems to be no valid reason why campaign funds furnished by the people at large should not aid them as much proportionately as corporations have been aided by the contributions they have been making for many years.

**EASILY DECIDED.**  
This Question Should Be Answered Easily by Salem People.

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

W. J. Carlton, of 1446 Third St., Salem, Or., says: "Doan's Kidney Pills, which I procured at Dr. Stone's drug store, not only strengthened my kidneys but they speedily removed the backache and lameness. A remedy that acts with such prompt and beneficial results as Doan's Kidney Pills is worthy of all confidence. I can conscientiously recommend them to others for I know I never had any medicine of the kind equal to them for curing backache and kidney trouble."

Remember the name—Doan's—and take no other.

Newspaper reports about the supply of harvest help are very conflicting; it can't be determined whether farmers are embarrassed with too much or tired out because there is too little.

**RATIONAL CARE OF THE STOMACH**

The Tonic Treatment Will Prevent and Cure Most Cases of Indigestion.

The first essential of healthy digestion is good, pure blood. Its work is to furnish a normal flow of the digestive fluids, keep up the activity of the muscles of the stomach and take up the digested food and carry it to the different tissues of the body. The treatment of indigestion is, therefore, a matter of keeping the blood supply of the stomach pure and normal. Loss of appetite, gas, heartburn and sour stomach are warnings or symptoms that the blood is impure and that, because of it, the stomach is unable to perform its work. Anaemia, overwork, excesses in eating and the general debility following long sieges of sickness are the most frequent causes of indigestion.

To restore the conditions for perfect digestion, it is necessary to purify and build up the blood. This explains the reason for the constantly increasing use of Dr. Williams' Pink Pills in all cases of stomach trouble. They contain the elements necessary to make rich, red blood and have succeeded where other remedies have failed.

Mrs. William Fulse, of 49 Bennett street, Phillipsburg, N. J., whose husband is a section foreman on the Pennsylvania railroad, says:

"About five years ago I began to be troubled with indigestion which was brought on, I think, by overwork. I was often confined to bed for days at a time and once for three weeks. I had acute pains in my stomach and bowels and headaches in the morning. I could not eat much of anything as the slightest morsel of food gave me terrible cramps. The pain was very intense and twice the doctor prescribed morphine for it. I was greatly weakened and run down in health. "I was under the care of two doctors at different times but finally gave them up to try Dr. Williams' Pink Pills which my aunt had recommended to me. I used several boxes according to directions and was completely cured as I have had no return of the trouble since and am in good health."

If you are suffering from indigestion you are suffering unnecessarily. You can be cured. Proper attention to diet and the tonic treatment with Dr. Williams' Pink Pills is all that is required in most cases. The first step is to send today for a copy of our free diet book. Dr. Williams' Pink Pills are sold by all druggists or sent, postpaid, on receipt of price, 50c per box; six boxes for \$2.50, by the Dr. Williams' Medicine Co., Schenectady, N. Y.
